AGREEMENT BETWEEN THE CITY OF RENO AND
THE RENO POLICE PROTECTIVE ASSOCIATION COVERING
NON-SUPERVISORY EMPLOYEES
July 1, 2019 – June 30, 2022

ARTICLE NO. 1. PREAMBLE

THIS AGREEMENT is entered into between the City of Reno, Nevada, hereinafter referred to as the "City" and the Reno Police Protective Association and its agent(s), hereinafter referred to as the "Association". It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein the basic and full agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

ARTICLE NO. 2. RECOGNITION

The City recognizes the Association and its agent, as identified above as the exclusive bargaining agent, for purposes of establishing salaries, wages, hours and other conditions of employment for all of its civil service employees within non-supervisory law enforcement officer classifications of:

Police Officer

and excluding all other employees in law enforcement officer classifications as supervisory or management employees. It is agreed by the parties hereto that the City recognizes the Association as the exclusive bargaining agent for the non-supervisory employees on the basis that such employees have the same community of interest.

ARTICLE NO. 3. STRIKES AND LOCKOUTS

(a) The Association, its agent and its membership, individually and collectively, will not promote, sponsor or engage in any strike against the City, slow down, or interruption of operation, concentrated stoppage of work, absence from work upon any pretext or excuse such as illness, which is not founded in fact; or any other intentional interruption of the operations of the City, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Agreement to comply with this pledge.

(b) The City will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Association.

ARTICLE NO. 4. RIGHTS OF MANAGEMENT

(a) Those subject matters which are not within the scope of mandatory bargaining and which are reserved to the City without negotiation include:

(1) The right to hire, direct, assign or transfer an employee, but excluding the right to assign or transfer an employee as a form of discipline.

(2) The right to reduce in force or lay off any employee because of lack of work or lack of funds.

(3) The right to determine:

(i) Appropriate staffing levels and work performance standards, except for safety considerations;

(ii) The content of the workday, including without limitation workload factors, except for safety considerations

(iii) The quality and quantity of services to be offered to the public; and

(iv) The means and methods of offering those services.

(4) Safety of the public.

(b) Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to NRS 288, the City is entitled to take whatever actions may be necessary to carry out its responsibilities in situations of emergency such as a riot, military action, natural disaster or civil disorder. Such actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection shall not be construed as a failure to negotiate in good faith.

(c) The provisions of this Article include without limitation and the provisions of this section recognize and declare the ultimate right and responsibility of the City to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees.

(d) NRS 288 as amended does not preclude, but this Chapter does not require the City to negotiate subject matters enumerated in paragraph number (a) above, which are outside the scope of mandatory bargaining. The City shall discuss subject matters outside the scope of mandatory bargaining but it is not required to negotiate such matters.

ARTICLE NO. 5. NON-DISCRIMINATION

(a) The City will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership in or activity as provided for in this Agreement on behalf of the members of this bargaining unit, nor will the City encourage membership in another employee organization.

(b) The Association recognizes its responsibility as the exclusive negotiating agent and agrees to represent all employees in the negotiating unit without discrimination, interference, restraint, or coercion.

(c) The provisions of this Agreement shall be applied equally to all employees in the negotiating unit, without discrimination as to age, sex, marital status, race, color, creed, national origin, or political affiliation. The Association shall share equally with the City the responsibility for applying this provision of the Agreement.

ARTICLE NO. 6. ASSOCIATION DUES

(a) Employees of the City of Reno may authorize payroll deductions for the purpose of paying Association dues and assessments. Upon written authorization to the City's Human Resources Department from an employee, the City agrees to deduct on a biweekly basis from the wages of said employee such sums as he may specify for United Fund, City of Reno Credit Union, Association Dues, City of Reno Group Insurance plan, U.S. Savings Bonds, or such other purposes as the City may hereafter approve. The City shall activate the withdrawal of dues from new members within thirty (30) days of Human Resources Payroll Division receiving authorization. Association assessment shall be deducted as requested by the Association; however such assessment deductions shall be requested not more than once per calendar year. No authorization shall be allowed for payment of initiation fees or fines. Each employee shall have the right to terminate such payroll deductions at any time upon his written request to the City's Human Resources Department.

(b) The Association and its agent will indemnify, defend, and hold the City harmless against any claims made and against any suits instituted against the City on account of any action taken or not taken by the City in good faith under the provisions of this Article. The Association agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.

(c) The employee's earnings must be regularly sufficient after other legal and

required deductions are made to cover the amount of the appropriate Association dues and/or assessments. When a member in good standing of the Association is in non-paid status for an entire pay period, no withholding will be made to cover that pay period from future earnings. In the case of an employee who is in non-paid status, during only part of the pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Association dues and assessments.

ARTICLE NO. 7. HOURS OF WORK

(a) The normal work period of employees covered by this Agreement shall consist of eighty (80) hours biweekly. The Patrol Division is on a four (4) day, ten (10) hours per day work week. The Detective and Administrative Divisions are on a plan of five (5), nine (9) hour days one week, and three (3) nines and one eight (8) hour day(s) the second week, affording them a three day weekend every other week. The Chief of Police at his/her discretion, with the City Manager's approval, may place the Detective and Administrative Division on a four (4) day, ten (10) hours per day work week. An officer placed on administrative leave with pay shall be assigned to a Monday through Friday work week schedule that allows the same number of work hours per day and the same number of consecutive days off as on his/her regular schedule. The scheduling of work shifts and work weeks shall be as directed by the Police Chief except that all employees shall have consecutive days off, except (1) in cases of emergency declared by the Chief, or (2) upon not less than seventy-two (72) hours prior notice to employees in instances involving shift rotation, military duty, departmental training programs or as provided in Article 39. Special Events.

(b) Duty hours shall be devoted fully to the performance of assigned duties; periods of absence for personal matters are not creditable toward duty hours and must

be charged to vacation or sick leave, or be recorded as unexcused absence.

(c) Except during emergency situations, employees shall be permitted to take one (1) thirty (30) minute paid lunch break and two (2) fifteen (15) minute coffee breaks or rest periods during each workday; however, in the event an employee is unable to take his/her lunch period off, overtime pay will not be available for claim. An employee may, at his/her discretion, combine one (1) fifteen (15) minute coffee or rest break with the thirty (30) minute lunch break.

(d) This Article is intended to be construed only as a basis for calculating overtime and shall not be construed as a guarantee of hours of work per day or per week.

(e) Flextime scheduling will not be used to avoid overtime; and if schedule change involves more than one-half (1/2) hour, the affected employee will receive seventy-two (72) hours prior notice, except in cases of emergency declared by the Chief.

(f) Except in cases of emergency as declared by the Chief, or as a result of a special event, training or shift changes, employees who are not given at least six (6) hours off after the completion of their last shift will receive a premium of two (2) hours pay at the base hourly rate in addition to their regular pay.

ARTICLE NO. 8. HOLIDAYS AND HOLIDAY PAY

(a) Employees eligible for holiday pay shall receive ten (10) hours pay at the base hourly rate of pay if assigned to a ten (10) hour work day; or either nine (9) hours pay for holidays on a nine (9) hour work day, or eight (8) hours pay for holidays on an eight (8) hour work day at the base hourly rate of pay if assigned to the modified 5/9 plan; or eight (8) hours pay at the base hourly rate of pay if on administrative leave or if assigned to an eight (8) hour work day, for the holidays listed below when not worked. All holidays shall be deemed to occur on the dates observed by the State of Nevada as

referred to in Nevada PERS Official Policies.

New Year's Day (January 1)

Martin Luther King's Birthday (Third Monday in January)

Presidents' Day (Third Monday in February)

Floating Holiday to be taken during a fiscal year

(b) Each employee will be eligible for eight (8) hours of paid time off at the base hourly rate to be given in observation of the anniversary of the employee's birthday. The time during the year which the employee may take his birthday time off shall be determined by the Chief of Police after giving consideration to the operating requirements of the department.

(c) For employees regularly scheduled a Monday - Friday workweek, whenever one of these holidays falls on a Saturday, the preceding Friday will be observed as a holiday; and should it fall on a Sunday, the following Monday would be a holiday. For employees regularly scheduled on an other than Monday - Friday workweek, whenever

one of those holidays falls on a non-work day, the previous or subsequent workday shall be observed as that holiday as determined by the Police Chief.

(d) In order to be eligible for holiday pay, an employee must be on the active payroll of the City and must have worked his full regularly scheduled workday before and after the holiday, unless such conditions are specifically exempted, in writing, by the City.

(e) Holidays occurring during an employee's vacation period shall not be counted as vacation.

(f) When an employee is required by order of the Police Chief to work during his/her regularly scheduled work hours on a holiday, if eligible for holiday pay in addition to his/her holiday pay, he/she shall receive one and one-half (1-1/2) times his/her base hourly rate of pay for each hour or major fraction worked.

(g) The Floating Holiday/Birthday listed in sections (a) and (b) shall be a total of thirty (30) hours per year and must be taken during the fiscal year. The time during the year which the employee may take this time off shall be determined by the Chief of Police or his/her designee after giving consideration to the operating requirements of the department. However, the time off request shall not be unreasonably denied.

(h) For calculation of payment under this Article, base hourly rate shall be increased by Investigator assignment pay, PTO assignment pay, or Senior Officer premium pay for any employee so assigned by payroll action form.

ARTICLE NO. 9. VACATION

(a) A regular full-time employee will be granted vacation benefits as follows:

<u>Years of Continuous Service</u>	<u>Vacation Earnings Rate Biweekly Pay Period</u>

Less than 5 years	5 hours
5 years but less than 10 years	6 hours
10 years but less than 15 years	7 hours
15 years but less than 20 years	8 hours
20 years or more	9 hours

Vacation credits shall accrue for each pay period the employee is in full pay status for a major portion of his/her regularly scheduled biweekly hours.

(b) An employee shall be paid at his/her base hourly rate for each hour of vacation time taken. Vacation shall be charged on the basis of one (1) hour for each full hour or major portion of an hour of vacation taken.

(c) Choice of vacation dates shall be granted whenever practical based upon the operating requirements of the City, as determined by the Police Chief. Where more employees than can be spared request a particular period, preference will be in order of seniority in grade, provided the remaining employees are qualified to do the work.

(d) Vacation taken during a biweekly period shall be charged before vacation earned during the pay period is credited.

(e) An employee's accrued vacation shall not exceed four hundred fifty-six (456) hours. Effective July 1, 2016, an employee's accrued vacation shall not exceed five hundred forty hours (540).

(f) The City shall make available reasonable periods of time for employees to take earned vacation. The City shall not make payment for unused vacation in excess of that allowed to accrue as provided in paragraph (e) of this Article with the following exception. In the event that any employee's scheduled vacation is denied by

management due to an operating emergency, the employee will not lose that accrued vacation in excess of what is permitted in paragraph (e) unless said employee is provided the opportunity to use such denied vacation within the following thirty (30) calendar days and refuses such use.

(g) Vacation Cash Out Provision. Effective July 1, 2016 upon request, bargaining unit employees may, cash out accumulated, but unused regular vacation leave in increments of at least twenty (20) hours.

(1) Employees cashing out their vacation leave under this Article must leave at least one hundred twenty (120) hours of vacation leave in their bank after having cashed out.

a. An employee may apply to the Chief of Police if he/she seeks to cash out their vacation leave under one hundred twenty (120) hours.

(2) Calculation of the payment due shall be based on the employee's base hourly rate in effect on the last day of the window period of the year in which his/her request was made. Base hourly rate shall be increased by Investigator assignment pay, or PTO assignment pay, or Senior Officer premium pay for any employee so assigned by payroll action form.

ARTICLE NO. 10. SICK LEAVE

(a) A full-time regular employee shall be entitled to earn sick leave benefits at the rate of four (4) hours per biweekly pay period and accumulate without limitation for use as set forth in paragraph (b) and (d). An employee must be in full pay status a major portion of his/her regularly scheduled biweekly hours to be credited with sick leave for that period.

(b) Sick leave shall be charged for absence from work by reason of illness, injury or death under the following circumstances:

(1) Sick leave may be granted only as the result of illness, or injury of the employee; illness, injury or death of the employee's husband, wife, domestic partner, child, adopted child, stepchild, or children of domestic partner residing with employee, mother or father, or for attendance at the funeral of a brother or sister. An employee requiring extended time off (five days or more) for medical care of a family member not listed above may make a request to an advisory review committee which will make a recommendation to the Chief of Police, or his/her designee. The Chief shall make the final determination as to whether sick leave shall be granted and the amount of time allowed. His/her determination shall be non-appealable and not subject to the grievance process of this Agreement. The advisory review committee shall consist of three (3) Association Board of Directors selected by the Association President, and three (3) police supervisors selected by the Chief of Police. Employees shall be at their place of residence, a medical facility, or their doctor's office, or shall notify their supervisor of their whereabouts when using sick leave. Any gainful employment, recreation, travel for recreation or other activity for non-sick leave purpose, when an employee is on sick leave is considered evidence of abuse of sick leave unless approved in advance in writing by the Police Chief, or his designee. Utilization of sick leave for purposes other than those defined in the Agreement shall be considered evidence of abuse. An employee may be disciplined when evidence of abuse exists. The parties specifically agree any use of more than eleven (11) sick leave days in any twelve (12) month period is considered excessive. Excessive sick leave usage shall be reviewed to determine if the excessive use is justified or if the excessive sick leave usage required corrective action.

(2) The employee requiring sick leave must provide the Police Chief with

evidence of such need. Thereupon, the Police Chief shall guarantee his/her personal knowledge of the necessity by certifying the granting of sick leave. To ensure such knowledge, he/she may require the employee to provide a written doctor's statement before granting sick leave. Additional documentation may be required of the employee depending on the seriousness of the disability. Such documentation will include a statement of the problem, a prognosis for recovery and any work limitations.

(3) If any employee does not have adequate sick leave time, the Police Chief may grant the use of accrued vacation time in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time. The Police Chief may recommend to the City Council special consideration for any employee, covered by this contract, who has exhausted the use of sick leave and vacation time and who is unable to return to duty.

(c) Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during sick leave periods shall not be counted as sick leave time if the employee furnishes documentation of such illness. Sick leave taken during a biweekly pay period shall be charged before sick leave earned that pay period is credited.

(d) Upon retirement or involuntary lay-off an employee shall be compensated for accrued but unused sick leave as follows:

(1) Any Officer hired prior to July 1, 2011 having four hundred fifty (450) or more hours in their sick leave bank shall be cashed out at the rate of ninety percent (90%) of the total accumulated hours up to and including a maximum of sixteen hundred (1600) hours at their base hourly rate of pay.

(a) Effective upon ratification of the 2019 successor agreement, prior to separation, employees having more than 450 hours of accumulated sick leave may cash out any leave in excess of 450 hours twice during their employment with the Reno Police Department. A maximum of 575 hours may be cashed out for each cash out. Any such hours cashed out shall be applied against the maximums outlined in subsection (D)(1) for the purpose of calculation of the final cash out available upon separation. Cash outs prior to separation are entitled to utilize any available City programs that are allowed under Federal Law to be tax deferred or tax sheltered. In no case will the City pay any tax consequences for the employee.

(2) At the time of separation, once the threshold amount of hours are reached, the employee shall be paid for all hours up to and including sixteen hundred (1600) hours in the bank at the rate indicated.

(a) Any Officer hired on or after July 1, 2011, having four hundred fifty (450) or more hours in their sick leave bank, when separating from employment, shall be cashed out at the rate of ninety percent (90%) of the total accumulated hours up to a maximum cash pay-off of twenty thousand dollars (\$20,000.00) at their base hourly rate of pay.

(b) Effective upon ratification of the 2019 successor agreement, prior to separation, employees having more than 450 hours of accumulated sick leave may cash out any leave in excess of 450 hours twice during their employment with the Reno Police Department. A maximum of \$10,000.00 may be cashed out for each cash out. Any such hours cashed out shall be applied against the maximums outlined in

subsection (2)(a) for the purpose of calculation of the final cash out available upon separation. Cash outs prior to separation are entitled to utilize any available City programs that are allowed under Federal Law to be tax deferred or tax sheltered. In no case will the City pay any tax consequences for the employee.

(3) For purposes of and subject to the provision in (d) and (e), an employee receiving Investigator pay and Police Training Officer pay and Senior Officer pay shall have that amount included with the base hourly rate of pay.

(4) Any employee with a sick leave balance between one hundred (100) hours to less than four hundred fifty (450) hours shall receive an incentive payment of twenty-five dollars (\$25.00) for each biweekly pay period wherein such employee uses no sick leave. Employees with a sick leave balance of four hundred fifty (450) hours or more shall not be eligible for this incentive. Payment shall be made quarterly.

(e) The City agrees to pay for all medical costs for preventive medicine incurred by a department employee as a result of an on-the-job exposure not covered by NRS 616 or 617 Workers' Compensation System or until NRS 616 or 617 Workers' Compensation System coverage.

(f) In the event of the death of an employee, the employee's estate shall receive payment for sick leave accrued but unused in accordance with section (d) and (e) above.

(g) No provision of this contract is intended to be contrary to either the Americans with Disabilities Act (ADA) or the Family Medical Leave Act (FMLA).

(h) For calculation of payment under this Article, base hourly rate shall be increased by Investigator assignment pay, PTO assignment pay, or Senior Officer

premium pay for any employee so assigned by payroll action form.

(i) If the City negotiates a higher percentage (higher than 90% of 1600 hours) sick leave buyout with any other bargaining unit after ratification of the 2005/2010 Agreement by both parties, the City will provide the same for RPPA.

ARTICLE NO. 11. ON-THE-JOB INJURY

(a) Whenever an employee is injured while on duty with the City of Reno, and such injury prevents said employee from performing his/her normal full time duties, the employee shall receive full salary for a period up to, but not exceeding, cumulative one hundred (100) working days, not to exceed a period of one (1) year from date of injury or knowledge of illness as indicated in the following provisions of this Article. During this period, the employee shall not forfeit any accrued sick leave. The one (1) year limitation shall be waived in the event of later surgery resulting from the original illness or injury. However, the one hundred (100) working day limitation shall continue to apply.

(b) In the event that an employee's NRS 616 or 617 Workers' Compensation System claim is denied and the denial is appealed, the City agrees to pay full salary while the NRS 616 or 617 Workers' Compensation System appeal is pending at the request of the employee for an appeal period not to exceed one (1) calendar year. If the final determination is adverse to the employee or if the appeal period exceeds one (1) calendar year, the employee must deduct from sick leave and, if sick leave is exhausted, vacation leave to compensate the City for hours paid during the appeal period.

If the employee has neither sufficient sick leave nor vacation leave to compensate for hours paid by the City during pending of claim which shall not exceed one (1) calendar year, the City may advance the employee sick leave to cover the balance of

hours. If the employee terminates prior to accruing all sick leave advanced, the employee is responsible for paying the balance of advanced sick leave hours in cash at the time of termination.

It is understood that the term "full salary" shall only include an employee's base salary plus applicable longevity pay.

(c) Any employee while on NRS 616 or 617 Workers' Compensation System leave will not accrue sick leave or vacation time but shall continue to earn service time credit for retirement.

(d) Upon the expiration of the accumulative one hundred (100) working days referenced in (a) above, if the employee is still unable to work, he/she may utilize his/her accumulated sick leave at the rate of one-half (1/2) the amount charged per shift or day, during which period the employee shall retain the NRS 616 or 617 Workers' Compensation System payment, and the City shall then pay him/her the difference between his/her normal pay and NRS 616 or 617 Workers' Compensation System payment.

(e) When accrued sick leave has expired, if the employee is still unable to work, except for total accumulated vacation, he/she may utilize his accumulated vacation time pay at the rate of one-half (1/2) the amount charged per shift or day, during which period the employee shall retain the NRS 616 or 617 Workers' Compensation System payment, and the City shall then pay him/her the difference between his/her normal pay and NRS 616 or 617 Workers' Compensation System payment.

(f) INTENT: The intent of paragraphs (d) and (e) above is that the employee will continue to receive his/her full accumulated salary dollars so long as he/she is disabled and receiving NRS 616 or 617 Workers' Compensation System benefits and until his/her sick leave and vacation hours are exhausted.

(g) When, as the result of an on-the-job injury, an employee is continually confined to a duly licensed hospital as a result of such injury, the employee shall retain the NRS 616 or 617 Workers' Compensation System payment and the City of Reno shall then pay the individual the difference between normal pay and NRS 616 or 617 Workers' Compensation System payment. Said payment will be continued so long as the employee is confined to said hospital and so long as the NRS 616 or 617 Workers' Compensation System continues to make insurance payments in connection with said injury. For compensation purposes, the requirements of continual confinement to a duly licensed hospital or confinement to the home (if so certified by a medical doctor, assigned by the City) may be waived by action of the City Council if the City Council determines that special circumstances warrant such action. During this period, the employee will not forfeit vacation benefits or sick leave benefits other than as provided above. For the purpose of this paragraph (g), the one hundred (100) days referenced in paragraph (a) does not begin until the employee is released from the hospital; however, any period where an employee is not confined in a hospital counts towards the one hundred (100) days.

(h) Any time within a maximum period of twelve (12) biweekly pay periods subsequent to the pay period within which the on-the-job injury occurred, an employee may elect to continue on NRS 616 or 617 Workers' Compensation System leave, without additional compensation from the City, and without refunding NRS 616 or 617 Workers' Compensation System salary continuance payments to the City, provided the employee is receiving NRS 616 or 617 Workers' Compensation System salary continuance payments.

(i) The City may elect to send an employee to a doctor of its choice at its expense to examine the employee to determine whether the employee is able to work a

light duty job. It is understood by the parties that the City's choice of physician will be a specialist in his field to eliminate the problem with conflicting opinions. The intent of this second opinion is to determine staffing and encourage rehabilitation of the employee.

(j) When a holiday falls during the period of an employee's NRS 616 or 617 Workers' Compensation System leave, the employee shall receive straight time compensation for the holiday and the holiday shall not be considered a working day for purposes of the cumulative one hundred (100) working days referenced in this Article.

ARTICLE NO. 12. LEAVE OF ABSENCE

(a) Leave of absence may be granted pursuant to the Rules and Regulations of the Civil Service Commission. A leave of absence authorization shall specify any restrictions attached thereto.

(b) If a leave of absence without pay is granted to an employee, the time actually worked before and after the leave of absence shall be added together and must total the time specified in the Rules and Regulations of the Civil Service Commission of the City of Reno for the probationary period before confirmation and elevation to Level 2 in the salary grade will occur.

ARTICLE NO. 13. MILITARY LEAVE

In compliance with the provisions of NRS 281.145 (1), any public officer or employee of the State or any agency thereof, or of a political subdivision or an agency of a political subdivision, who is an active member of the United States Army Reserve, the United States Naval Reserve, the United States Marine Corps Reserve, the United States Coast Guard Reserve, the United States Air Force Reserve, or the National Guard, must be relieved from the public officer's or employee's duties, upon the public officer's or employee's request, to serve under orders, including, without limitation,

orders for training or deployment, without loss of the public officer's or employee's regular compensation for a period of not more than the number of hours equivalent to fifteen (15) working days in any twelve (12) month period. The political subdivision shall establish the twelve (12) month period during which a public officer or employee of an agency of the political subdivision, or an agency thereof, is eligible to take the number of working days of leave as set forth herein. For the City of Reno, that twelve (12) month period shall be the calendar year.

ARTICLE NO. 14. JURY DUTY

Any employee of the City who is required to serve on any jury shall receive his/her regular salary during the period of jury service, provided that he/she remit his/her compensation for such jury duty to the City Clerk for deposit in the General Fund of the City of Reno.

ARTICLE NO. 15. RETIREMENT

Employees shall be retired from employment with the City in accordance with the provisions of NRS 286.

The City may adopt any and all rules and regulations not in conflict with Nevada Revised Statutes, the Reno City Charter, Reno City Ordinances, the Rules and Regulations of the Reno Civil Service Commission and this Agreement. The Police Chief shall have full authority in matters of training, safety, health and sanitation affecting employees on the job and he/she shall consider such suggestions and recommendations pertaining to these matters as may be from time-to-time presented by the employees or the Association.

ARTICLE NO. 28. GRIEVANCE ARBITRATION PROCEDURE

(a) The purpose of the following grievance-arbitration procedure shall be to settle, as quickly as possible, disputes concerning the interpretation, application, and enforcement of this Agreement raised by an employee or the Association. An attempt will be made to resolve such disputes through informal discussion by meeting with the appropriate supervisors and administrators, utilizing the Labor-Management Committee, or through other appropriate Departmental forum.

(b) LEVEL I: If a grievance is not settled during informal discussion, the aggrieved party may within ten (10) working days of the event giving rise to the grievance or the time the aggrieved party could reasonably have acquired knowledge of the event, or the end of the informal discussions by the parties, present the grievance in writing to the grievant's immediate supervisor and to the Association President. If the grievance is a result of an order made or an action taken by a higher ranking supervisor, then the grievance will be filed at that level. The immediate supervisor or supervisor receiving the grievance shall respond to the employee in writing within five (5) working days thereafter.

(c) LEVEL II: Within five (5) working days after receipt of the written response from the immediate supervisor, or the supervisor with whom the grievance was filed, and if the matter is unresolved, the aggrieved party may present the grievance in writing on the City/Association approved grievance form to the Chief of Police and to the Association President, accompanied by all correspondence on the matter. Within five (5) working days, the Chief of Police shall examine the relevant evidence and shall meet in consultation with the aggrieved party and representative, if any, for the purpose of resolving the grievance. The Chief of Police shall, within five (5) working days of the meeting, render a decision and reasons therefore in writing to the aggrieved party and

the Association.

(d) LEVEL III:

(1) If the aggrieved party is not satisfied with the disposition of the grievance at Level II, the Association may, within five (5) working days of the Chief of Police's decision, or within thirty-five (35) days after the grievance was filed, if no decision is rendered by the Chief of Police, submit the grievance in writing on the City/Association approved form to the Reno City Manager and to the Association President.

(2) Within five (5) working days after written notice of submission to Level III, the Reno City Manager or his/her designee shall schedule a meeting with the Association to discuss the merits of the grievance. After the meeting the City Manager will prepare a response to the Association within ten (10) working days relative to its position on this grievance.

(e) LEVEL IV. If the Association does not agree with the City Manager's response, or if no response is given, the Association shall, within ten (10) working days of the date the City Manager's response is due, notify the City Manager in writing if the Association wishes to take the grievance to arbitration. The Reno City Manager or his/her designee and the Association shall agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested, and of recognized competence. If the parties are unable to agree upon an arbitrator, a request for a list of seven (7) arbitrators shall be made to the Federal Mediation and Conciliation Service by either party. Costs and expenses for arbitration shall be borne equally by the parties.

(1) The arbitrator so selected shall confer promptly with representatives of the Reno City Manager and the Association, shall hold further hearing(s) with the aggrieved and such other parties in interest he/she shall deem requisite, and, unless

extended by mutual agreement, shall issue his/her report not later than thirty (30) days from the date of conferences or hearings between the parties.

(2) All hearings held by the arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings.

(3) The arbitrator's decision shall be submitted in writing to the aggrieved party, the Labor Relations Manager and the Association, and shall set forth his/her findings of fact, reasoning, and decision on the issues submitted. The arbitrator's decision shall be final and binding except as herein otherwise provided and shall be consistent with the law and with the terms of this Agreement.

(4) The Reno City Council agrees to the final and binding arbitration for resolution of grievance as specified in the preceding section. However, in the event that the arbitrator's award would cost the City of Reno an amount in excess of one quarter cent (1/4¢) on the tax rate for any one specific grievance, or one-half cent (1/2¢) on the tax rate in the aggregate (more than one grievance) during the term of this Agreement, the Reno City Council shall have final authority in the resolution of the grievance and the arbitrator's decision shall be advisory only. At the next meeting of the Reno City Council, the decision of the arbitrator and any other information shall be presented to the Reno City Council for consideration and both parties shall have the opportunity to present their positions before the Reno City Council takes final action on the grievance.

(5) A record of decisions shall be maintained by the City and Association, and each decision shall be precedent for future interpretation or application of this Agreement.

(f) The time limits specified in the preceding sections may be extended by mutual agreement of both parties.

(g) Any employee grievant or participant in the grievance procedure who is

called upon to testify by subpoena during a regular working business day shall be paid by the City for time so spent, but only for straight time hours he/she would have otherwise worked. The City shall allow officers who are grievants to attend any hearing or appeal hearings in which they are named grievants. Those officers shall be excused from their normal work assignment to attend the hearings. In the case of a grievance with multiple grievants, no more than five (5) grievants may attend at any one time. In the event the hearings fall on an officer's days off, then an officer who is called to testify may flex his/her normal scheduled work days to allow for his/her attendance at the hearings.

(h) Subject only to the Association's exclusive right to initiate arbitration, the aggrieved party shall have the right to be represented by up to two (2) representatives of his/her choice at each step of the grievance procedure, provided that one (1) representative shall be designated as the grievant's spokesperson. The City shall also designate a single spokesperson to present the City's side of the grievance at each step of the procedure.

ARTICLE NO. 29. DISCIPLINE/DISCHARGE

(a) That all discipline including discharge shall be for just cause, and shall be imposed without unreasonable delay, subject only to the need for thorough investigation.

(b) That "just cause" for any discipline as defined hereinafter, including discharge, is subject to appeal and review under the procedures set out below, expressly including final and binding arbitration.

(c) (1) The term "discipline" as used herein shall include discharge, demotion, suspension and written reprimands; provided, however, that a formal written letter of reprimand shall only be subject to review by the Chief of Police and not subject to

arbitration. The Chief, upon completion of his/her review may withdraw, modify or affirm the letter of reprimand. At any time, the affected officer may submit a written statement responding to the letter of reprimand and such statement shall be included in the official department and/or divisional personnel file(s). As used herein, "formal letter of reprimand" or "letter of reprimand" is understood and defined as being those letters customarily issued by supervisors advising and reprimanding an officer, of and for certain designated and established specific failure(s) in performance, regarding departmental policies, rules and regulations, and which letters of reprimand are placed in the officer's official department and/or divisional personnel file(s).

(2) Letters of reprimand will be effective for a period of twelve (12) months following date of incident and, provided there are no intervening reprimands or more severe disciplinary action having a same or similar relationship to the original incident, thereafter shall be of no further effect and shall be removed from files upon request of the affected employee.

(3) The Chief and the Association shall meet and establish a form or format to be used for the purpose of letters of reprimand.

(d) Each regular employee who has been disciplined shall have the option of pursuing the appeal procedures set out below, subject to the Association's right to be a participant in all arbitration proceedings, or Civil Service remedies for reviewing the discipline imposed. Any employee choosing to pursue remedy under Civil Service, waives his/her right to pursue the arbitration appeal procedures available at the City Manager's level and above as delineated below, and such remedy shall no longer be available to that employee. The City will require that an employee pursuing the appeal procedures in this Article sign a waiver of the right to pursue Civil Service remedies.

(1) If the employee elects to appeal to the Civil Service Commission, then

a hearing will be conducted in accordance with the rules of the Commission.

(2) In cases where the employee has chosen to go to arbitration without the concurrence of the Association, the employee shall be liable for the normal shared costs of arbitration.

(e) When a recommendation for discipline has been made as the result of an internal investigation, the employee has the option of accepting the recommended discipline or requesting an appeal. Generally the employee's immediate supervisor will notify the employee of the recommendation for discipline.

(1) If the employee elects to appeal, he/she shall notify the Chief of Police, in writing or by email, within ten (10) working days after receiving the notification of discipline. The employee and/or his/her two (2) designated representatives may review investigative files, recommendations, documents and other evidence pertaining to the case, as well as the employee's personnel files, prior to each of the appeal hearings. Any employee or his/her representative, if electing to appeal, may obtain a copy of the entire Internal Affairs investigative file of the subject investigation.

(A) Within ten (10) working days after receipt of the appeal request, the Chief of Police shall examine the relevant evidence and shall schedule a meeting with the aggrieved party and representative, if any, for the employee to present evidence on his/her behalf.

(B) The Chief of Police shall, within five (5) working days of the meeting, render a decision and reasons therefore in writing to the aggrieved party and the Association President.

(2) City Manager Level. If the aggrieved party is not satisfied with the disposition of the appeal at the Chief of Police level, the aggrieved party shall, within ten (10) working days, submit an appeal, in writing, to the Reno City Manager. Any regular

employee of the bargaining unit being disciplined and electing the appeal procedure as delineated in section (e) of this Article, except those being discharged, shall remain in pay status and shall not have discipline imposed pending the outcome of the appeal at the City Manager level.

(A) Upon receipt of the appeal request, the Reno City Manager or his/her designee shall, within ten (10) working days, schedule a hearing with the aggrieved employee and the Association for the employee to present evidence on his/her behalf. Evidence, testimony and information relevant to the case, including mitigating circumstances, may be presented by the affected employee and his/her representatives.

(B) Within ten (10) working days after the hearing, the City Manager or his/her designee shall render a decision and reasons therefore, in writing, to the aggrieved party and to the Association President.

(3) Arbitration. If the aggrieved party and the Association do not agree with the City Manager's decision, the Association shall, within ten (10) working days of the date of the City Manager's response, notify the City Manager in writing if the Association wishes to take the appeal to arbitration. The City Manager or his/her designee and the Association shall agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested, and of recognized competence. If the parties are unable to agree upon an arbitrator, a request for a list of seven (7) arbitrators shall be made by the Association to the Federal Mediation and Conciliation Service. Costs and expenses for arbitration shall be borne equally by the parties.

(A) The arbitrator so selected shall schedule a hearing as soon as possible and, unless extended by mutual agreement, shall issue his/her report not later than thirty (30) days from the date of hearing or the date of receipt of briefs from the

parties.

(B) Any hearing held by the arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearing.

(C) The arbitrator's decision shall be submitted in writing to the aggrieved party, Director of Human Resources, and the Association, and shall set forth his finding of fact, reasoning, and decision on the issues submitted. The arbitrator's decision shall be final and binding except as herein otherwise provided and shall be consistent with the law and with the terms of this Agreement. The parties shall make reasonable efforts to schedule arbitration as quickly as possible.

(f) Discharge. Any regular employee of the bargaining unit being discharged shall remain in pay status pending the outcome of a pre-termination hearing before the Chief of Police. A pre-termination hearing is an informal hearing before the Chief of Police, where the employee will be given the right of Association representation to give his/her answer to the charge and give his/her "side of the story." In the event that the Chief elects to terminate the employee and the employee elects to appeal, he/she may appeal to either the City Manager or Civil Service. Notice of such appeal must be in writing or e-mail. A hearing will be scheduled as quickly as possible with the City Manager or his designee.

(g) (1) Disciplinary actions other than letters of reprimand shall be sealed upon written request by the employee to the Chief of Police with a copy to the Human

Resources Department according to the following schedule:

(A) Suspension of less than three (3) days, without recurrence, three (3) years from the date of the incident giving rise to the suspension;

(B) Suspensions of three (3) days or more, with no recurrence, five (5) years from the date of the incident giving rise to the suspension.

(2) It is the intent of the parties that "recurrence" shall mean repetition of the same or similar act, error, or omission on the part of the employee as provided for in the Department Operations Manual or in the Civil Service Rules. The City agrees that arbitrary or capricious application of this definition of "recurrence" shall be subject to the grievance procedure.

(3) Sealing shall include sealing of all memos, letters, correspondence, complaint forms and any other written material pertaining to the disciplinary action.

(4) Sealing shall not include the sealing of any material related to criminal offenses for which the employee was charged except in concurrence with the sealing or expungement of criminal charges by a court of competent jurisdiction, or except in the event of complete exoneration of the employee by the court.

(5) The City Human Resources Department shall be notified in all cases where sealing of disciplinary action is taken, and Human Resources Department file copies will be sealed accordingly.

(6) The sealed action shall not be held to discriminate against the employee in any subsequent disciplinary action, or in the event of impending promotion, merit step raise, transfer, request for educational leave, modification of duties, vacation selection, application for other employment, or against any other action the employee may take for his personal improvement or betterment.

(7) Once sealed, the file shall not be opened unless the employee requests such unsealing -- and then only for examination by the person or persons which the employee specified, or at the direction of the Chief of Police who may deem it necessary. In any case, the employee is to be notified of the opening of the sealed file and the reasons therefore.

(h) Subject only to the Association's exclusive right to initiate arbitration (except

as provided in (d)(2)), an employee shall have the right to be represented by up to two (2) representatives of his/her choice at each step of the appeal process described in this Article, provided that one representative shall be designated as the employee's spokesperson.

The City shall also designate a single spokesperson to present the City's side of the case to the arbitrator. Representatives of the employee may be other members of the bargaining group, attorneys, persons who are not employed by the City, non-sworn City employees, or any other persons selected by the affected employees or the Association. The purpose of the employee's representative shall be to provide representation and assistance to the employee. Where there is a fiscal impact on the Association, the Association has the exclusive right to final approval over a paid representative.

(i) The subject employee and the Association shall be notified prior to the initiation of a formal investigation determined necessary by the Police Department of any bargaining unit employee when such advanced notice to the employee and the Association will not jeopardize any necessary, ongoing ADI (Administratively Directed Investigations) or IA (Internal Affairs) investigations of alleged employee misconduct.

(j) Unit peace officers shall be afforded all rights guaranteed under NRS Chapter 289.

ARTICLE NO. 30. AMENDING PROCEDURES.

If either party desires to modify or change this Agreement it shall, no later than February 1, of any year, give written notice to the other party of amendment, in which event the notice of amendment shall set forth the nature of the amendment or amendments desired. Any amendment, whether a proposed amendment or an alternative to a proposed amendment, that may be mutually agreed upon shall become

Disputes arising under this Article shall not be grievable under Article 28 of this Agreement, but shall be submitted to the Nevada Local Government Employee-Management Relations Board (EMRB) of resolution.

(c) Should any provisions of this Agreement be found to be in contravention of any Federal or State Law, the Reno City Charter, or Rules and Regulations of the Reno Civil Service Commission, by a court of competent jurisdiction, such particular provision shall be null and void, but all other provisions of this Agreement shall remain in full force and effect until otherwise canceled or amended. The parties agree to meet within a reasonable period of time after such a finding of contravention to renegotiate the invalidated provision(s).

ARTICLE NO. 36. LABOR-MANAGEMENT COMMITTEE

The parties agree to the establishment of a permanent Labor-Management Committee. The Committee shall include three (3) sworn employees designated by and representing the Police Department Administration and three (3) current sworn employees designated by and representing the Association. The parties agree that one member designated by and representing the Police Department shall be the Chief of Police of the Reno Police Department or his/her designee who must at least be a Reno Police Deputy Chief of Police. One member designated by and representing the Association shall be the Association President or his/her designee and shall be a current sworn non-supervisory police officer. All officers shall serve without loss of compensation. Representatives of both Police Administration and the Association may, from time to time, bring an expert(s) who may assist the committee in clarifying concerns and issues. The experts may or may not be employees of the City or the Association. Committee meetings shall ordinarily be held at least monthly. Association members of the Committee shall be allowed department time on those mornings preceding Committee meetings to study agenda items and issues.

Changes in Department work rules will also be discussed in this forum and recommendations by the Committee shall be considered by the Chief.

ARTICLE NO. 37. EDUCATIONAL INCENTIVE

For eligible employees, an educational incentive shall be paid in accordance with the following:

(a) Any full-time employee who has obtained an Associate's Degree from an accredited college or university shall receive five percent (5.0%) of his/her biweekly base hourly rate per pay period.

(b) Any full-time employee who has obtained a Bachelor's Degree from an accredited college or university shall receive eight percent (8.0%) of his/her biweekly base hourly rate per pay period.

(c) Any full-time employee who has obtained a Nevada Intermediate POST certificate shall receive three percent (3.0%) of his/her biweekly base hourly rate per pay period.

(d) Any full-time employee who has obtained a Nevada Advanced POST certificate shall receive four percent (4.0%) of his/her biweekly base hourly rate per pay period.

(e) No individual shall receive compensation under more than one of the above subsections during any fiscal year.

(f) An employee requesting educational incentive pay shall be required to provide proof of the required degree. An employee who becomes eligible according to the sections above, but after January 1, 1998, shall receive incentive pay beginning the first full pay period following the date the certification or degree is awarded.

(g) For calculation of payment due under this Article, base hourly rate shall be increased by Investigator assignment and FTO pay for any employee so assigned by payroll action form.

ARTICLE NO. 38. FLIGHT PROGRAM

The City shall meet and confer over any future expansion of the flight program or addition of a helicopter program.

ARTICLE NO. 39. SPECIAL EVENTS

(a) The Chief of Police, or his/her designee, may require officers to work on special events in addition to the Pre-Designated Crawl/Events, as described below, on their scheduled days off. However, the Chief of Police, or his/her designee, shall advise the Association President, or his/her designee, a minimum of thirty (30) days preceding that special event, of anticipated staffing requirements. Those officers with equal qualifications in excess of the staffing requirements will be granted consecutive days off by seniority.

(b) Officers desiring time off during the Pre-Designated Crawl/Events will normally be granted leave by seniority on a first come, first served basis. When two (2) officers put in for any leave request, the officer with the most departmental seniority will be granted the leave. When five percent (5%) of the officers have been granted leave, additional leave may be granted, subject to supervisor approval.

(c) When staffing requirements for any special event require the involuntary scheduling or forced hiring of more than forty percent (40%) of officers, who are regularly assigned to patrol teams and detectives, on their regularly scheduled days off, the Association and the City shall immediately open negotiations for the limited purpose of negotiating overtime pay and benefits for that special event.

(d) Officers scheduled to work special events shall receive shift differential pay in the amount identified in Article 24(a) for the hours identified in Article 24 and worked.

PRE-DESIGNATED CRAWL/EVENTS:

(e) Effective July 1, 2016, employees scheduled to work a Pre-Designated

Crawl/Events (i.e., Zombie Crawl or Santa Crawl) shall be paid two (2) times their base hourly rate of pay for their overtime rate. The Pre-Designated Crawl/Events will consist of three (3) Crawl/Events per fiscal year, as identified by the Association in writing to the Chief of Police, prior to July 1st of each fiscal year for which this overtime rate will apply. In the event the Association fails to notify the Chief of Police which three (3) Crawl/Events have been chosen for the two (2) times base hourly pay, the three (3) Crawl/Events designated in the previous year will be considered to be the Pre-Designated Crawl/Events for the current year. In order to qualify for Pre-Designated Crawl/Events overtime pay, any extension of shift must be related to the Pre-Designated Crawl/Events.

(f) All officers required to work the Pre-Designated Crawl/Events, and qualifying for the two (2) times their base hourly rate of pay, including those officers whose work shifts that are extended either prior to or after their regular shifts, shall receive the shift differential pay in the amount identified in Article 24, section (a), of the collective bargaining agreement, for the hours identified in Article 24 and worked during that period of time.

(g) The Chief of Police, or his/her designee, shall make every effort to not work any officer more than a sixteen (16) hour shift. He/she shall also make every effort to allow officers to have at least eight (8) hours off between shifts.

(h) For calculation of payment due under this Article, base hourly rate shall be increased by Investigator assignment pay, or PTO assignment, or Senior Officer premium pay, for any employee so assigned by payroll action form.

(i) The designated Crawl/Special Events as described herein, may require the Chief of Police or his/her designee to schedule officers to work on their days off. The Chief of Police or his/her designee shall advise the Association President, or his/her

designee, of the staffing requirements for these designated Crawl/Special Events at minimum thirty (30) days prior to the designated Crawl/Special Event. Those officers with equal qualification in excess of the staffing requirements will be granted consecutive days off by seniority. Officers desiring time off during designated Crawl/Special Events will normally be granted leave by seniority on a first come, first served basis. When two (2) officers put in for any leave request, the officer with the most departmental seniority will be granted the leave. When five percent (5%) of the officers have been granted leave, additional leave may be granted subject to supervisor approval.

ARTICLE NO. 40. SHIFT BID

(1) Patrol shift bidding shall be the procedure used for allowing rotation of employees assigned to patrol shifts. The Chief of Police or his/her designee shall have the right to administratively assign probationary personnel in accordance with the needs of the department. He/she shall also have the right to administratively assign patrol personnel for performance related issues and for personal hardship reasons.

(2) Patrol shift bidding shall be conducted on a semi-annual basis. Bidding and shift preference shall be based on seniority (time in grade). Procedures for the shift bid shall be established and handled by the Patrol Division Deputy Chief or his/her designee after meeting and conferring with the RPPA designated representatives.

(3) Notice governing the shift bidding process shall be distributed to the patrol officers prior to a shift change. This notice shall include:

- (a) The date the shift change will occur;
- (b) The parameters of the bidding process; and
- (c) The employee's bidding time.

(4) Employees shall be assigned to the same area for the bid period with the exception that the Chief of Police or his/her designee shall have the right to administratively assign to other areas for performance related issues and for personal hardship reasons. This shall enable the officer(s) to become better acquainted with the persons, businesses, organizations and hazards of the specific beat area.

(5) Patrol shift bid teams shall consist of not fewer than five (5), nor more than twelve (12), police officers.

Re: Memorandum of Understanding re: RPPA CBA Article 22

Gentlemen:

Pursuant to the meeting between the City of Reno and the RPPA held on Monday, March 20, 2017, the parties agree to the following as a Memorandum of Understanding (MOU) concerning ongoing negotiations for RPPA Article 22 - Health and Accident Insurance:

- The City of Reno agrees that for the following RPPA retirees, enforcement of the provision of the Summary Plan Documents (SPD's) for the Reno 80/20 Plan and the Hometown Health Plan concerning coordination of benefits with Medicare shall be postponed until July 1, 2018.
- The parties agree that the listing below is comprised of RPPA retirees that fit the following criteria: 1) they were hired as an employee of the City of Reno prior to January 1, 2015 (in most cases, they were hired prior to March 31, 1986, a date considered important by the RPPA due to the fact that prior to this date the City of Reno did not pay into Medicare for these employees); 2) they retired from the City of Reno after July 1, 1999; 3) they are eligible for a retirement subsidy for the City of Reno's group health insurance program based upon years of service with the Reno Police Department and based on the collective bargaining agreements reached by the parties; 4) according to City of Reno records, they have not enrolled in Medicare Part A and/or Medicare Part B.¹

¹ This list is based on information known to the parties as of April 25, 2017 and may not contain all of the names of those RPPA retirees based on incomplete record keeping. If other RPPA retirees are located who fit the criteria described they too shall be added to this list.

- The parties agree that the above-named RPPA retirees shall be required to enroll in and purchase Medicare Part A and/or Medicare Part B, either when they are or were first eligible to do so by turning 65 years old, or during the next Medicare General Enrollment Period - January 1, 2018 through March 31, 2018. It is understood that RPPA retirees that enroll in Medicare Part A and Medicare Part B during the General Enrollment Period will have their Medicare coverage become effective July 1, 2018, pursuant to the Medicare enrollment rules and that the City will pay 100% of the Medicare "employee only" coverages including any penalties in accordance with the provisions of Article 22.

- NOTE: This period of time is contingent upon the City and the RPPA having a minimum of three (3) meetings with Association members, both active and retired, prior to January 1, 2018, to ensure that the terms of this language and agreement have been thoroughly explained to those effected and that they have been given a chance to vote on these changes as required by the RPPA by-laws.
- The parties agree that negotiations on the substance of RPPA Article 22 - Health and Accident Insurance, Sections (j), (k), and (l), shall continue in good faith. It is the goal of both parties to put whatever language and program is agreed upon into effect on January 1, 2018. Should negotiations fail on or before to March 31, 2018, it is agreed that the parties shall revert to the language of Article 22 - Health and Accident Insurance of the Agreement, as administered on this 25th day of April, 2017, and as incorporated in the negotiated collective bargaining agreements prior to and subsequent to July 1, 1999, and that either party may pursue next actions as they see fit under the Agreement.

APPENDIX C-DEFINITIONS

APPENDIX

DEFINITIONS:

Retiree Health Account (RHA) – A Retiree Health Account, or RHA, is an IRS approved, employer-funded health benefits plan that reimburses participants for qualified medical expenses and allowable health insurance premiums. The Administrator for the RHA under the City of Reno is ICMA-RC. The RHA will allow reimbursement of Medicare Part A, Part B, Part C, and Part D premiums. RHA funding, including any increased Medicare amounts, shall be pre-funded twice each year by the City on January 1 and July 1 of each Calendar Year. Eligible retirees shall be notified of the appropriate and inappropriate uses of the RHA funds.

Qualified Medical Expenses – Under IRS §213(d) qualified medical expenses are defined as amounts paid for the diagnosis, cure, mitigation, or treatment of a disease.

Creditable Coverage - Health insurance coverage under any of the following: a group health plan; individual health insurance; student health insurance; Medicare; Medicaid; CHAMPUS and TRICARE; the Federal Employees Health Benefits Program; Indian Health Service; the Peace Corps; Public Health Plan (any plan established or maintained by a State, the U.S. government, a foreign country); Children's Health Insurance Program (CHIP); or, a state health insurance high risk pool. (www.healthcare.gov, Glossary)

Eligible - For the purposes of this Article, an eligible member is one who is retired under PERS, pursuant to Article 22, Sections (j), (k), and (l). *Effective (TO BE DECIDED) 1, 2017*, pursuant to the City of Reno's Summary Plan Documents (SPD's), retired members at Medicare eligible age and older are required to enroll in Medicare Part A, Part B and Part D to participate in the City of Reno's group health insurance plans.

Continuation of Care - The uninterrupted period that the covered employee was continuously covered by the City's policy immediately before the transfer to the City's Medicare health plan. Any expenses incurred which are payable under the provision will not be payable under the new policy.

Ineligible – For the purposes of this Article, an ineligible member is one who is not retired under PERS, pursuant to Article 22, Sections (j), (k), and (l). Deceased members are ineligible for benefits. While surviving spouses are eligible to remain covered under the City's group health insurance plans, members do not have the ability to proscribe retirement health insurance subsidy benefits to surviving spouses.

Medicare – A federal health insurance program for people 65 and older and certain younger people with disabilities. All individuals that are at Medicare qualifying age are eligible for coverage under the program. Some individuals are eligible for part of their Medicare

coverage at no monthly premium cost. Some individuals are eligible for their Medicare coverage at a monthly premium cost. (www.healthcare.gov)

Original Medicare – Original Medicare is a fee-for-service health plan that has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance). After you pay a deductible, Medicare pays its share of the Medicare-approved amount, and you pay your share (co-insurance and deductibles). (www.medicare.gov)

Medicare-Approved Amount – In Original Medicare, this is the amount a doctor or supplier that accepts assignment can be paid. It may be less than the actual amount a doctor or supplier charges. Medicare pays part of this amount and you are responsible for the difference. (www.medicare.gov, Glossary)

Medicare Part A – Medicare Part A generally covers hospital care, skilled nursing facility care, nursing home care, home health services, and hospice services. If you have paid in to into [one word] Medicare through an employer, you will likely get Part A free (no monthly premium). If not, you are still eligible to enroll in Part A, however, it can cost up to \$411.00 for the monthly premium. If you do not enroll in Medicare Part A when you are eligible to do so, you may be assessed a penalty of up to ten percent (10%) for each twelve (12) month period you delayed enrolling. This penalty will continue for twice as many months as you were not enrolled in Part A. City of Reno RPPA PPA retirees will not be penalized as long as they remain in the city plans as outlined in this document. (www.medicare.gov)

Medicare Part B – Medicare Part B covers services (like lab tests, surgeries, and doctor visits) and supplies (like wheelchairs and walkers) considered medically necessary to treat a disease or condition. Medicare Part B covers medically necessary services (services or supplies that are needed to diagnose or treat your medical condition and that meet accepted standards of medical practice). Part B also covers preventive services that are designed to prevent illness or to detect it at an early stage, when treatment is most likely to work best. Medicare Part B generally covers clinical research, ambulance services, durable medical equipment (DME), and mental health. Medicare Part B has a monthly premium associated with the coverage. If you enroll in Part B when you are initially eligible to do so, you will be charged a premium of \$104.90 to \$389.80 per month, depending upon your annual income filed with the IRS. If you do not enroll in Medicare Part B when you are eligible to do so, you may be assessed a penalty of up to ten percent (10%) for each full twelve (12) month period that you could have been enrolled in Part B. This penalty is assessed for the life of your Medicare part B coverage. City of Reno RPPA retirees will not be penalized as long as they remain in the city plans as outlined in this document. (www.medicare.gov)

Medicare Advantage Plan (Medicare Part C) – A type of Medicare health plan offered by a private company that contracts with Medicare to provide you with all your Part A and Part B benefits. Medicare Advantage Plans include Health Maintenance Organizations, Preferred Provider Organizations, Private Fee-for-Service Plans, Special Needs Plans, and Medicare

Medical Savings Account Plans. If you are enrolled in a Medicare Advantage Plan, most Medicare services are covered through the plan and are not paid for under Original Medicare. Most Medicare Advantage Plans offer prescription drug coverage.

(www.healthcare.gov, Glossary)

Medicare Part D – A program that helps pay for prescription drugs for people with Medicare who join a plan that includes Medicare prescription drug coverage. There are two ways to get Medicare prescription drug coverage: through a Medicare Prescription Drug Plan or a Medicare Advantage Plan that includes drug coverage. These plans are offered by insurance companies and other private companies approved by Medicare.

(www.healthcare.gov, Glossary)

Medicare Supplement Insurance (Medigap) – A Medicare Supplement Insurance (Medigap) policy, sold by private companies, can help pay some of the health care costs that Original Medicare does not cover, like co-payments, co-insurance, and deductibles. Some Medigap policies also offer coverage for services that Original Medicare does not cover, like medical care when you travel outside of the United States. If you have Original Medicare and you buy a Medigap policy, Medicare will pay its share of the Medicare-approved amount for covered health care costs. Then, your Medigap policy pays its share. To enroll in a Medigap policy, you must have Medicare Part A and Part B. (www.medicare.gov)

Minimum Essential Coverage (MEC) – Any insurance plan that meets the Affordable Care Act requirement for having health coverage. To avoid the penalty for not having insurance you must be enrolled in a plan that qualifies as minimum essential coverage (sometimes called “qualifying health coverage”). (www.healthcare.gov, Glossary)

Qualified Medical Expenses – Under IRS §213(d) qualified medical expenses are defined as amounts paid for the diagnosis, cure, mitigation, or treatment of a disease.
