

Solid Margarine

A wide selection of delicious PHO-free margarines for successful butter replacement in a variety of applications.

APPLICATIONS

Great for:

- Baking
- Cooking
- Sautéing
- Grilling
- Condiment

Margarines contain a lower saturated fat and cholesterol content, providing a healthier, cost-effective alternative to butter, especially in applications where a large amount of butter is used, such as pastries and other bakery items.

FEATURES & BENEFITS

- Smooth, creamy texture
- Ideal for spreading, cooking and baking
- Positive impact on nutritional statements, with margarine's healthier composition
- Larger workable temperature range over butter
- Variety of options to meet various baking and cooking needs
- Significant price savings over butter
- Kosher pareve

Deliver great taste and healthier fat content to today's wellness-minded customers.

Solid Margarines

All our margarines are table-grade:

- BAKERS MARGARINE**
The baker's choice for a wide array of bakeshop uses, also for general cooking
- MILK-BASED MARGARINE**
A blend of vegetable oil and added dairy for an enhanced flavor profile for general baking and cooking
- NO PRESERVATIVE MARGARINE**
Designed for baking use anywhere natural flavor, natural color and no preservatives are desired
- REGULAR MARGARINE**
For general baking and cooking, flavor enhancer in sauces, soups and gravies
- SALTED MARGARINE**
Added salt enhances taste and helps prolong shelf life, for general baking and cooking
- UNSALTED MARGARINE**
Perfect for applications where it is difficult to determine correct amount of salt during preparation
- WHIPPED MARGARINE**
Whipped texture for general baking and cooking, flavor enhancer in sauces, soups and gravies

Packaging
