PREAMBLE:

WHEREAS, the CITY is engaged in furnishing essential public services vital to the health, safety and welfare of the population of the City; and

WHEREAS, both the CITY and its employees have a high degree of responsibility to the public in so serving the public without interruption of essential services; and

WHEREAS, both parties recognize this mutual responsibility, and have entered into this Agreement as an instrument and means of maintaining the existing harmonious relationship between the CITY and its employees, and with the intention and desire to foster and promote the responsibility of a sound, stable and peaceful labor relations between the CITY and its employees; and

WHEREAS, the parties recognize that this Agreement is not intended to modify any of the discretionary authority vested in the CITY by the statutes of the State of Nevada; and

WHEREAS, the parties have reached an understanding concerning wages, hours and conditions of employment and have caused the understanding to be set out in this Agreement.

NOW, THEREFORE, the parties do agree as follows:

ARTICLE 1. RECOGNITION:

The CITY OF HENDERSON (hereinafter referred to as the "CITY") recognizes the HENDERSON POLICE OFFICERS' ASSOCIATION (hereinafter referred to as the HPOA) as the bargaining agent for the classifications listed in this Agreement for the purpose of collective bargaining as set forth in NRS 288.

ARTICLE 2. MANAGEMENT RIGHTS:

Section 1: The CITY and the HPOA agree that the CITY possesses the sole right to operate the Department and that all Management rights remain with those officials. These rights include, but are not limited to:

- (a) Hire, direct or transfer employees; except when such assignment or transfer is done as a part of the disciplinary process.
- (b) Reduce in force, or lay off any employee because of lack of work or lack of money.
- (c) Determine appropriate staffing levels and work performance standards, except for employee safety considerations.
- (d) Determine work schedules tours of duty, and daily assignments.
- (e) Determine quality and quantity of services to be offered to the public and the means and methods of offering those services.
- (f) Determine the content of the workday, including without limitation workload factors, except for employee safety considerations.

- (g) Take whatever action may be necessary to carry on its responsibilities in situations of emergency such as a riot, military action, natural disaster or civil disorder.
- (h) Manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers, and its employees.
- (i) Promote employees and determine promotional procedures, as provided in Title 6 of the Henderson Municipal Code (CITY's Civil Service Rules) and this labor agreement.
- (j) Educate and train employees and determine corresponding criteria and procedures.
- (k) The CITY shall have such other exclusive rights as may be determined by N.R.S. 288.150 and this labor agreement.

Section 2: The CITY's failure to exercise any prerogative or function hereby reserved to it, or the CITY's exercise of any such prerogative or function in a particular manner shall not be considered a waiver of the CITY's rights reserved herein or preclude it from exercising the same in some other manner not in conflict with the provisions of this Agreement.

Notice: Requirements set forth in this Agreement shall not be deemed as a limitation on the CITY's right to exercise the prerogatives provided by this Article or the Nevada Revised Statutes.

ARTICLE 3. CLASSIFICATION AND REPRESENTATION:

Section 1: The CITY and the HPOA agree that the following classifications are represented by the HPOA :

Police Officer
Corrections Officer

Section 2: Assignment Differential Pay (ADP):

- (a) For the period assigned, the employee shall receive assignment differential pay as follows:

	<u>7/1/09</u>	<u>7/1/10</u>
Field Training Officer (FTO)	7%	8%
Department Training Officer	7%	8%
Community Relations Unit	7%	8%
Police Investigator	7%	8%
K-9 Officer	7%	8%
Traffic Unit	7%	8%
Office of Professional Standards	7%	8%
SWAT Team (full-time)	7%	8%
PEAP Officer	7%	8%
Mounted Unit	7 %	8%
Internal Affairs Unit	7%	8%

Problem Solving Unit	7%	8%
Intelligence Officer (Corrections)	7%	8%
Officer-In-Charge (OIC)	7%	8%

New specialized assignments eligible for monetary compensation will be designated as such by the Chief of Police.

- (b) Assignment differential pay is a temporary monetary compensation paid to HPOA personnel who are assigned to the assignment categories indicated above. Employees shall receive ADP pay for the duration of their assignment and the elimination of ADP does not constitute a reduction in salary.
- (c) The number of required employees serving as an FTO will be based upon the number of projected new hires and the needs of the department. The officer(s) will be assigned as FTO for the seventeen (17) week training rotation. The FTO assignment can be extended by the department on a weekly basis as needed. Those individuals selected as an FTO will receive assignment differential pay as outlined above for the duration of the assignment. The number of FTO's in any given year may fluctuate based upon projected new hires and the needs of the department.
- (d) K-9 handlers will receive the equivalent of seven and one half (7.5) hours of compensation bi-weekly per dog, for the at-home care, grooming, transportation, and feeding of the dog.
- (e) Officers assigned a take-home motorcycle will receive the equivalent of two and one quarter (2.25) hours of compensation bi-weekly for the off-duty maintenance and care of the motorcycle assigned to them. This pay will cease if the City begins to perform the daily maintenance on the motorcycles.

Section 3: Shift Differential: Those employees who are assigned to shifts whose 51% of regular hours worked fall after 2:00 p.m. shall receive a 4% swing shift differential. Those employees whose 51% of regular hours worked fall after 8:00 p.m. shall receive a 6% graveyard shift differential.

- (a) Upon re-assignment, differential pay would cease if no longer applicable. An exception to this policy would be in the case where an employee is injured in the line of duty and whose normally assigned shift is other than days. In such cases, the employee will receive full salary, including shift differential.
- (b) Shift differential pay is a temporary monetary compensation paid to HPOA personnel who are assigned to the shifts indicated above. Shift differential shall continue to be paid during vacation leave, sick leave, and any other paid leaves.
- (c) Temporary assignments: HPOA Members that are assigned to a shift on a temporary basis will be paid the applicable shift differential for the actual shift they work. For example: a dayshift employee assigned to a graveyard shift will receive graveyard shift differential and a graveyard shift employee assigned to day shift will receive no shift differential. Shift

differential while on vacation or sick leave during this temporary assignment will be paid in accordance with Section 3(b) above.

Section 4: Bilingual Pay: HPOA Members who are eligible for bilingual pay must pass a City of Henderson approved conversational Spanish proficiency examination to receive a premium payment of \$80.00 per month. The City will absorb the cost of the exam and the premium pay will begin the first month after the Officer has successfully completed the assessment. The payment will be made in the Officers regular paycheck. Once an Officer has successfully completed the mandatory assessment, they will not be required to complete another exam unless they voluntarily withdraw and then wish to re-enter the program. Should the Officer demonstrate an unwillingness to utilize his Spanish language skills for the benefit of the department, the department may remove the individual from the list and bilingual pay will cease for that individual.

Section 5: Acting Pay: Officers who are directed, in writing, by the Division Commander, Deputy Chief of Police, Chief of Police or designee to temporarily accept the responsibilities of their first-line supervisor (Sergeant) will be awarded acting pay. Acting pay shall be paid a rate ten percent (10%) higher than the HPOA Member's current hourly rate and be in addition to any applicable shift differential and assignment differential if the elevated responsibilities are in a position eligible for an assignment differential.

Section 6: Officer in Charge (OIC): For full shift absences where an Officer is designated as the OIC, they will receive the current assignment differential for that shift. A FTO receiving an ADP is not eligible for an additional ADP when designated as the OIC.

ARTICLE 4. HPOA MEMBERSHIP:

Section 1: HPOA membership shall be at the sole discretion of the employee.

Section 2: HPOA membership shall carry no validity in reclassification of an employee.

Section 3: The HPOA shall evidence in writing to the CITY all current officers of the HPOA representing employees under this Agreement.

ARTICLE 5. WAGES:

Section 1: In lieu of a base wage increase, HPOA Members will receive a lump-sum payment of five hundred dollars (\$500.00) which will be included in their July 16, 2009 paycheck.

Section 2: As a final buyout of the Columbus Day holiday being converted to a floating holiday, each HPOA member will receive a lump-sum payment of Two Hundred Eighteen (\$218.00) dollars. This payment will be made in the paycheck that includes pay for October 12, 2009. Recruits that begin their employment with the City between July 1, 2009 and October 12, 2009 are not eligible for this payment.

Section 3: For the purpose of calculating steps within the pay ranges, five percent (5%) will be maintained between steps.

Section 4: Effective at the beginning of the 1st pay period after January 1, 2010, Step 10 will be added to the wage schedule. Each HPOA member who has completed one

year or more of service after reaching Step 9 will move to Step 10 at that time. The remaining HPOA Members will continue to be eligible for Step increases on their anniversary date.

ARTICLE 6. LONGEVITY:

In the event any other Labor Agreement with the City of Henderson incorporates and/or reinstates Longevity pay, the HPOA may request to reopen negotiations of the terms of Article 7 Longevity, and such negotiations will commence no later than 30 days after the HPOA's request.

ARTICLE 7. CLOTHING AND PERSONAL EFFECTS ALLOWANCE:

Section 1: Effective July 1, 2009 the CITY shall provide a uniform allowance in the amount of One Hundred Eighty (\$180.00) Dollars per month to each full-time HPOA member for the purchase and maintenance of uniforms. Such allowance shall be paid monthly and added to the employee's paycheck.

Effective January 1, 2010 the CITY shall provide a uniform allowance in the amount of One Hundred Ninety Five (\$195.00) Dollars per month to each full-time HPOA member for the purchase and maintenance of uniforms. Such allowance shall be paid monthly and added to the employee's paycheck.

Section 2: Uniform standards shall be at the discretion of the CITY and as further specified in the Departmental Rules and Regulations.

Section 3: It is agreed by and between the CITY and the UNION that any employee who leaves employment with the CITY shall reimburse the CITY the pro-rated amount due of those monies referred to under Section 1 and/or Section 5.

Section 4: Upon any changes in the existing police uniform, including but not limited to the addition of clothing, equipment or related items, the party requesting the change shall bear the initial expense. Any changes initiated by the HPOA must receive the approval of the CITY.

Section 5: Upon initial hire, new employees shall receive the same lump sum which is currently equal to the annual allowance in the fiscal year hired, and shall receive the same monthly allowance referred to in Section 1, on those dates set forth in Section 1, as applicable.

Section 6: The CITY shall provide a one time payment of Seven Hundred and Fifty (\$750) dollars for those Officers initially assigned to the Traffic unit who are required to ride a motorcycle and those Officers assigned to the Mounted unit who are required to ride a horse. This one time payment is provided to the Officer for the sole purpose of purchasing initial clothing and safety equipment. This one time payment will be made through the normal payroll process and included in the employee's paycheck. No separate check will be issued.

Section 7: The CITY shall provide a one time payment of Two Hundred (\$200) dollars for those Officers initially assigned to the SWAT, K-9, and Bicycle units. This one time payment is provided to the Officer for the sole purpose of purchasing initial clothing and safety equipment. This one time payment will be made through the normal

payroll process and included in the employee's paycheck. No separate check will be issued.

It is understood that any additional uniforms or replacements will be at the employee's expense.

ARTICLE 8. INSURANCE:

Section 1: The HPOA and its Members may choose to participate in the Self-Insured Benefit Plan provided by the CITY. If the HPOA chooses to participate in the plan, the HPOA shall have a minimum of two (2) voting members on the City of Henderson's Self-Funded Insurance Committee (SFIC). The SFIC has been restructured to have an equal number of voting members among those represented by the public safety unions and members of the Management, Professional and Technical pay plans within the City. The by-laws of the Committee are approved by the City Manager with the ultimate authority being the Henderson City Council.

The Self-insured Benefit Plan will provide health insurance, a dental and vision benefit, life insurance, and long-term disability insurance.

If the HPOA chooses to discontinue participation in the City of Henderson insurance plan, the HPOA shall provide a minimum of twelve (12) months written notice of its intent to withdraw from the plan. Such notice must be received by the Chairman of the SFIC no later than December 31st of the year prior to withdrawal, with the actual withdrawal occurring only on December 31st of the following year. Should the HPOA provide notice of its intent to withdraw, such notice will be deemed irrevocable if not retracted by the following March 31st.

Should the HPOA actually withdraw from the Self-funded Benefit Plan, the City will be liable for the maximum negotiated monthly contribution identified below for each HPOA member, regardless of the HPOA member's actual enrolled coverage. If the HPOA withdraws from the City of Henderson Self-Funded Benefit Plan, and joins an alternative benefit trust, the parties will hire a professional actuary to determine the percentage of reserves that can be attributed to the HPOA's participation in the Plan. The cost of this actuarial assessment will be split equally by the HPOA and the Self Funded Benefit Plan through a reduction in the actual asset transfer.

The HPOA agrees to participate in the City's Self-insured Benefit Plan for the term of this agreement.

Section 2: City of Henderson Monthly Contributions:

Effective January 1, 2010, the CITY's contribution to the insurance program for HPOA Members shall be the cost of the insurance to the HPOA Member and their spouse and/or dependents not to exceed \$847.03 per month.

Section 3: Should the CITY's contribution be insufficient to cover the total cost of Health and Welfare Insurance, the employee shall authorize the CITY to deduct from his earnings a sufficient amount to cover such deficiency.

Section 4: In the event of an HPOA Member's death, the CITY will help the beneficiaries fill out the necessary forms and insure that they are properly signed in order that the beneficiaries will receive any monies due them.

- (a) A deceased employee's final paycheck, including wages earned and all payable leave accruals per this Agreement, will be distributed to the beneficiary(s), designated on the employee's City-provided life insurance form. If no such beneficiary(s) are identified, the proceeds will be dispersed per the provisions of NRS 281.155.

Section 5 The City will continue to make a one percent (1%) of base pay contribution each pay period to a retirement health saving (RHS) account.

ARTICLE 9. SAFETY AND HEALTH:

Section 1: The CITY agrees to provide annually a reasonable physical examination as required by NAC 617 and NRS 617, to all personnel in the HPOA with a copy of the results inserted into the employee's confidential health file. The CITY will allow two (2) hours of on-duty time or pay at straight time to each employee to complete this physical.

Section 2: Smoking is not permitted in CITY facilities or CITY vehicles. An employee will not smoke in public view.

It is understood and agreed to by the parties that upon passage of permissive legislation the CITY will unilaterally implement a "no smoking on paid time" policy without further negotiation.

ARTICLE 10. NON-DISCRIMINATION:

The CITY, the Police Department, and the HPOA agree to fully comply with all Federal, State or local laws and executive orders pertaining to non-discrimination and equal employment opportunities.

All references to an HPOA Member also covers any employee classification represented by this Labor Agreement who is not a dues paying member of the HPOA. It is understood that only dues-paying HPOA members in good standing shall have voting rights for Agreement ratification, or any other rights per HPOA Constitution and By Laws.

ARTICLE 11. ANNUAL LEAVE:

Section 1: Following the first six (6) months of service, twenty (20) hours of annual leave will be credited. Thereafter, annual leave will accrue and be credited on a monthly basis at the established rate according to the employee's years of service as follows:

YEARS OF SERVICE	ANNUAL LEAVE ACCRUAL
Upon completion of first six (6) months of service	20 hours total
Seventh through twelfth month of service	3.33 hours per month (Balance of 20 hours for annual total of 40)

Second year through fifth year of service	10 hours per month (120 hours total)
Sixth through twelfth year of service	13.33 hours per month (160 hours total)
Following completion of twelfth year of service	16.67 hours per month (200 hours total)

- Section 2: HPOA employees may accumulate and carry over annual leave up to a maximum of 480 hours, plus accrued bonus days, if applicable. Any annual leave which exceeds the allowed maximum will be forfeited on the last day of the last full or partial pay period charged to the calendar year.
- Section 3: HPOA employees with more than one year's service who are terminated for any reason are entitled to payment for unused annual leave up to the allowable maximum accrued.
- Section 4: In the case of death of a HPOA employee during their tenure with the CITY, 100% of the employee's unused annual leave shall be paid to the employee's designated beneficiaries as designated on the employee's City-provided life insurance form.
- Section 5: Application for annual leave must be approved in advance of taking leave.
- Section 6: In exceptional circumstances, employees with one or more years of service may be advanced annual leave, subject to approval of the City Manager or designee.
- Section 7: An employee who has taken annual leave beyond that accrued at the time of termination shall make restitution for such leave, either by deduction from any amount owed him/her by the CITY or by cash refund.
- Section 8: No annual leave will be paid unless the employee has completed their 1st six (6) months of employment. Probationary employees who wish to use leave in excess of forty (40) consecutive hours, while still on probation, will have their probation extended that amount of time. Employees in Field Training who use leave may have their field training extended on a day-for-day basis.
- Section 9: There will be no "pay in lieu of time off" paid for annual leave days, except as authorized by the City Manager or designee.
- Section 10: No monthly annual leave benefits will accrue for an employee while on an unpaid leave of absence for 50% or more of the month. If employment ends after the 15th of the month, an additional monthly accrual will be credited to the employee. "Employment ends" is defined as the last day on the City's payroll.
- Section 11: It is the employee's responsibility to ensure their annual leave balance does not exceed the maximum allowable accumulated annual leave at the end of the designated calendar year. The CITY will not be responsible for making up any time forfeited at the end of the year that is caused by an individual taking insufficient vacation time.

ARTICLE 12. SICK LEAVE:

- Section 1: Sick leave shall accrue at the rate of ten (10) hours per month commencing on the first day of hire into a regular position. HPOA Members shall be paid their current hourly rate for each hour of sick leave used.
- Section 2: Sick leave will accrue on an unlimited basis.
- Section 3: Upon approval of the Police Chief or designee and Director of Human Resources or designee, sick leave may be used by employees who are:
- (a) Incapacitated from the performance of their duties by illness or injury, or
 - (b) Whose attendance is prevented by public health requirements, or
 - (c) Who are required to absent themselves from work for the purpose of keeping an appointment with the doctor, or
 - (d) Who are required to absent themselves from work to personally care for a member of their immediate family in those medical situations which require the employee's prompt attention.
- Section 4: With the exception of sick leave depletion, annual leave shall not be used in place of sick leave.
- Section 5: HPOA Members who do not become ill on the job shall call in as required by department policy before the beginning of their shift when using sick leave.
- Section 6: Any full-time HPOA Member who has exhausted all accumulated sick leave will be granted the use of accrued annual leave, then donated leave. Leave without pay may be granted when all other leaves (annual and sick) are exhausted.
- Section 7: HPOA Members covered by this Agreement shall be subject to the following requirements for payment of such leave.
- (a) Sick leave requests: Upon return to duty, employees are required to file and sign a sick leave request.
 - (b) Physician's Certificate of Recovery and Fitness: A certificate of recovery and fitness shall be submitted by all employees upon return to work from any illness that required the use of sick leave for periods longer than three working days.
 - (c) An HPOA Member who has more than eight (8) incidents of sick leave usage in a twelve (12) month period will be subject to disciplinary action up to and including termination.
 - (1) Incident of Use (Sick Leave): Any period of continuous absence for the same reason, or the use of sick leave for an individual condition's repeated treatment shall be considered one incident. Use of sick leave for funeral attendance or a scheduled medical/dental appointment shall not constitute an incident of sick leave. An incident will be defined as a period of continuous absence for an item defined in Section 3 of this article no matter

how long that incident lasts. After returning to work, treatment for the same incident that requires continued treatment will not be counted as a separate incident.

- (2) Use of sick leave for funeral attendance, a scheduled medical or dental appointment, or leave associated with FMLA will not constitute an incident of sick leave.

- (d) HPOA Members shall report to work if recovery of illness is made during the normal work hours. Any gainful employment, pursuit of personal business, recreation, travel for recreation or non-sick leave purposes, or other such activity when an employee is on such leave is considered evidence of abuse of sick leave unless approved in advance in writing by the Department Head or designee. This does not preclude the employee from the ability to vote, attend religious services or engage in other activities, which are constitutionally protected.

Section 8: Probationary employees who use sick leave in excess of forty (40) consecutive hours, while still on probation, will have their probation extended that amount of time. Employees in Field Training who use sick leave may have their field training extended on a day-for-day basis.

Section 9: HPOA Members with one or more years of full-time service, who use no more than the sick leave usage outlined below during the fiscal year shall receive bonus hours of vacation credited in July annually on the following schedule.

0 – 1 day of usage	-	4 days bonus
1.1 – 2 days of usage	-	3 days bonus
2.1 – 4 days of usage	-	2 days bonus

The Family Medical Leave Act no longer mandates that FMLA absences protect bonus days. Therefore FMLA absences will be included when calculating sick leave usage for bonus days.

Section 10: For HPOA Members hired prior to July 1, 1995 with one or more years of service, upon termination for any reason excluding disciplinary termination, sick leave hours accrued shall be computed, based on the employee's base hourly rate and longevity, if applicable, and shall be paid at the rate of seventy-five percent (75%) of the accrued sick leave hours not to exceed eight hundred (800) hours.

- (a) In the case of death of an employee hired prior to July 1, 1995 during his tenure with the CITY, 100% of the employee's unused sick leave shall be paid to the employee's designated beneficiaries as designated on the employee's City-provided life insurance form.
- (b) For employees hired prior to July 1, 1995, with twenty (20) years of service, upon termination for any reason excluding disciplinary termination, sick leave hours accrued shall be computed, based on the employee's base hourly rate and longevity, if applicable, and shall be paid at the rate of seventy-five percent (75%) of the accrued sick leave hours not to exceed 1600 hours.
- (c) An employee, hired prior to July 1, 1995, upon retirement under the provisions of the Nevada Public Employees Retirement System, or an

employee, upon termination from the CITY, who retires under the provisions of the Social Security Act, shall be paid for all accrued unused sick leave not to exceed 1600 hours.

Section 11: For HPOA members hired on or after July 1, 1995:

- (a) Effective July 1, 1995, for employees hired on July 1, 1995 or after, with 10 or more years of service, upon termination for any reason excluding disciplinary termination, sick leave hours accrued shall be computed based upon the employee's base hourly rate, and shall be paid at the rate of 50% of the accrued sick leave hours not to exceed 500 hours.
- (b) Effective July 1, 1995, for employees hired July 1, 1995 or after, with twenty (20) years or more of service, upon termination for any reason excluding disciplinary termination, sick leave hours accrued shall be computed based upon the employee's hourly rate, and shall be paid at the rate of seventy-five (75%) of the accrued sick leave hours not to exceed 900 hours.
- (c) Effective July 1, 1995, employees hired July 1, 1995 or after, with 15 or more years of service, upon retirement under the provisions of the Nevada Public Employees Retirement System, or employees, upon termination from the CITY, who retire under the provisions of the Social Security Act, shall be paid for all accrued unused sick leave not to exceed 900 hours.
- (d) Effective July 1, 1995, in the case of death of an employee hired after July 1, 1995, during his tenure with the CITY, 100% of the employee's unused sick leave shall be paid to the employee's designated beneficiaries as designated on the employee's City-provided life insurance form.

ARTICLE 13. OTHER LEAVES:

Section 1: Leave of Absence: Leave of Absence shall be granted as follows:

- (a) Upon approval of the City Manager or designee, an employee may be granted an unpaid leave of absence for good and valid reasons up to 90 days. During such leave, the employee will not be eligible for any benefits nor will any annual or sick leave accrue. An employee will not be eligible to earn service credit toward a step increase, completion of probation, qualifying period, seniority, or longevity pay if applicable to the employee.
- (b) An employee may be suspended without pay for an indefinite period of time as a result of a criminal complaint in a court of law, in which case the suspension may continue until the matter is adjudicated by a court of competent jurisdiction. If the charges are not sustained, the CITY may still administer discipline if the CITY can substantiate misconduct. Suspension without pay under Section 1 (b) requires an Administrative Hearing and must be approved by the Chief of Police.

Section 2: Jury Duty Leave:

- (a) Employees who are called for jury duty will be paid regular pay for time served during their scheduled working hours. All jury duty pay will be retained by the employee.
- (b) Those persons called but not selected to serve on the jury or who complete the day's jury duty prior to the end of their normal shift shall report back to work when excused.

Section 3: Administrative Leave: The Chief of Police or designee has the authority to grant administrative leave as deemed necessary.

Section 4: Military Leave: Military leave shall be granted as follows: When an employee enters any branch of the Armed Forces of the United States, whether by enlistment, recall to active duty, selective service, or call to duty from the National Guard or other military reserve unit the following rules shall apply:

- (a) The employee shall be given military leave without pay.
- (b) During the period of military service the employee shall retain all rights to which he is entitled under the provisions of the Charter of the CITY and under the provisions of the Civil Service Rules, provided that during a period of military leave in excess of thirty (30) days, annual or sick leave credit shall not accumulate.
- (c) After the completion of service the employee may be restored to his former position if it appears to the satisfaction of the department head, after such examinations as may appear necessary, that the employee is able to perform his former service to the CITY, provided that the employee makes written application for immediate reinstatement within ninety (90) days after receiving an honorable discharge or release from active duty. The provisions of this subsection shall not apply to any employee receiving other than an honorable discharge.
- (d) Persons employed to fill positions becoming vacant under these rules shall hold such positions subject to being transferred to another post, if available, or terminated upon the reinstatement of the returning employee to his former position in accordance with subsection (c).
- (e) An employee in the HPOA, having a reserve status in any of the regular branches of the Armed Services of the United States or National Guard, upon request to serve under orders for training duty, shall be relieved from their City duties, upon request, to serve under those training orders without loss of pay for a period not to exceed 210 hours in any one calendar year. The employee shall file with the CITY a copy of such orders indicating thereon the date that said duty is to commence and the date duty is to cease. The employee shall receive his regular compensation in addition to his military pay. It is understood that this provision is in accordance with NRS 281.145.

Section 5: Bereavement Leave: Upon the death of an immediate family member, an employee will be granted three (3) workdays of bereavement leave. There is no requirement that these days be used consecutively, as actual funeral services are often delayed due to travel and other logistical issues. In rare circumstances, this timeframe may be extended at the discretion of the

Department Head or their designee. Bereavement leave is independent of other types of leave.

- (a) In the event the funeral services are held 400 miles or more from the city limits of Henderson, Nevada, one (1) additional workday of bereavement leave will be granted if the employee is travelling to the funeral services.
- (b) Immediate family is defined as spouse, child, mother or step-mother, father or step-father, brother, sister, foster or stepchild, grandchild, grandparent, mother-in-law or father-in-law, or spouse's grandparent, and domestic partner.

Section 6: General Provisions of Family & Medical Leave (FMLA) Act: The CITY agrees to fully comply with the dictates of Public Law 103.3., effective August 5, 1993.

- (a) Use of Paid and Unpaid Leave: The CITY shall require the employee to use appropriate accrued paid leave before granting unpaid leave.

The employee is required to attempt to schedule foreseeable leave so as not to unduly disrupt the employer's operations.

The CITY is responsible for determining if paid leave used by an employee counts as FMLA leave, based on information provided by the employee and/or a health care provider.

- (b) HPOA members with questions about FMLA are encouraged to consult Risk Management within Human Resources and/or the HPOA.

ARTICLE 14. HOLIDAY PAY:

Section 1: The following days are declared to be holidays for all members of the HPOA:

 - (4) An employee who has been displaced as a result of this procedure will have the same rights under Section 2.e.3 as the employee whose position was eliminated.
 - (5) If the displaced employee does not meet the requirements of the previously held classification due to changes in the classification or employee qualifications, or if the classification no longer exists, the employee's qualifications will be reviewed by the Director of Human Resources or designee to determine if there are other placement options within the HPOA .

The party seeking such final determination must notify the other of its decision in writing within ten (10) working days from the date of the expiration of the fourteen (14) day period for settlement with the City Manager or designee or the grievance shall be deemed withdrawn with prejudice.

STEP 6: In the event the CITY and the GRIEVANCE COMMITTEE Chairman and the President or designee cannot agree within five (5) days after the receipt of the "notice" to arbitrate, the parties shall jointly request the Federal Mediation and Conciliation Service for the names of seven (7) arbitrators experienced in the field to be arbitrated.

The Arbitrator shall not hear or decide more than one grievance without the mutual consent of the CITY and the HPOA President or designee. The award, in writing, of the Arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority as specified in this Agreement shall be final and binding.

STEP 8: The Arbitrator's decision shall be final and binding, and the non-prevailing party shall pay the fee and related expenses of the arbitrator. The parties shall bear their own expenses for attorneys, court reporters and other related arbitration expenses.

Section 2: Grievances not filed, processed or responded to within the time limits set forth above and not extended by agreement in writing, shall be deemed waived or admitted, and the grievance shall be irrefutably presumed denied or sustained, as the case may be.
