**MEMORANDUM OF UNDERSTANDING
BETWEEN
DEPUTY SHERIFFS' ASSOCIATION OF ALAMEDA COUNTY
AND
THE COUNTY OF ALAMEDA**

THIS MEMORANDUM OF UNDERSTANDING is entered into by the Director of Human Resource Services of the County of Alameda, said political subdivision hereafter designated as "COUNTY," and the Deputy Sheriffs' Association of Alameda County, hereafter designated as the Association," as a recommendation to the Board of Supervisors of the County of Alameda of those conditions of employment which are to be in effect during the period June 24, 2012 through June 13, 2020, for those employees working in representation units referred to in Section 1. hereof.

SECTION 1. RECOGNITION

The County recognizes the Association as the exclusive bargaining representative for all permanent and probationary employees in Bargaining Unit XIII, (Sheriff Recruit and Deputy Sheriff) and Supervisory Unit XIII (Sergeant) hereinafter designated as employee(s).

SECTION 2. NO DISCRIMINATION

- A. DISCRIMINATION PROHIBITED.** No person shall be appointed, reduced or removed, or in any way favored or discriminated against because of his/her political or religious opinions or affiliations, or because of age, race, sex, national origin, sexual orientation, or religion and, to the extent prohibited by law, physical/mental disabilities or medical conditions. Complaints arising pursuant to the provisions of this subsection shall only be processed according to the Uniform Complaint Procedure contained in Appendix D, which is incorporated by reference to this Memorandum of Understanding, and shall be excluded from the Grievance Procedure. The County shall have the right to modify the Uniform Complaint Procedure during the term of this Memorandum of Understanding subject to the duty to meet and confer.
- B. NO DISCRIMINATION ON ACCOUNT OF ASSOCIATION ACTIVITY.** Neither County nor employee organizations shall interfere with, intimidate, restrain, coerce, or discriminate against employees because of the exercise of rights to engage in Association activity.

SECTION 3. ASSOCIATION SECURITY

- A. NOTICE OF RECOGNIZED ASSOCIATION.** The Sheriff's Office shall post within the employee work or rest area a written notice which sets forth the classifications included within each representation unit referred to in Section 1. hereof and which includes any classification existing in the Sheriff's Office, and the name and address of the recognized employee organization for each such unit. The Sheriff's Office shall also give a written notice to persons newly employed in representation unit classifications, which notice shall contain the name and address of the employee organization recognized for such unit; the fact that the Association is the exclusive bargaining representative for the employee's unit and classification; and a copy of the current Memorandum of Understanding to be supplied by the Association. The Association agrees that it has a duty to provide fair and non-discriminatory representation to all employees in all classes of the units for which this Section is applicable, provided the employee pays Association dues, a service fee or a charitable contribution.

- B. AGENCY SHOP.** Except as provided otherwise in this subsection 3.B., employees in representation units referred to in Section 1. hereof, shall, as a condition of continuing employment, become and remain members of the Association or shall pay to the Association a service fee in lieu thereof. Such service fee shall be 98% of Association dues (hereinafter collectively termed "service fee") of the Association representing the employee's classification and representation unit.

1. **Implementation:** Any employee hired by the Sheriff's Office subject to this Memorandum of Understanding shall be provided through the Sheriff's Office with a notice advising that the County has entered into an Agency Shop agreement with the Association and that all employees subject to the Memorandum of Understanding must either join the Association, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a form for the employee's signature authorizing payroll deduction of Association dues or a service fee, or a charitable contribution equal to the service fee. Said employee shall have five working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Employee Benefits Center.

If the form is not completed properly and returned within five working days, the Employee Benefits Center shall commence and continue a payroll deduction of service fees from the regular biweekly pay warrants of such employee. The effective date of Association dues, service fee deductions or charitable contribution for such employees shall be the beginning of the first pay period of employment.

The employee's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fees checkoff authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over Association dues and service fees.

2. **Religious Exemption:** Any employee of the County subject to this Memorandum of Understanding who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting a public employee organization, shall upon presentation of verification of active membership in such religion, body or sect, be permitted to make a charitable contribution equal to the service fee in lieu of Association membership or service fee payment.

To qualify for the religious exemption, the employee will be required to submit to the Association and County a notarized letter signed by an official of the bona fide religion, body or sect certifying that person's membership. The deduction shall not be forwarded to the charity until the Association has approved the exemption. Charitable contributions shall be by regular payroll deduction only. For purposes of this Section, charitable deduction means a contribution to the Women's Refuge, the Emergency Shelter Program or the Emergency Food Bank Network of Alameda County.

3. **Exclusion of Employees:** The Agency Shop provisions set forth in subsections 3.B., 3.B.1., and 3.B.2. herein, shall not apply to persons occupying positions designated as management, supervisory (including Supervisory Unit 13) or confidential nor to persons not in the classified Civil Service. The County may designate positions as confidential in accordance with Administrative Code Section 3.04.020. If any position designated confidential is disputed by the Association, the matter shall be decided by an arbitrator.

4. **Financial Reports:** The Deputy Sheriffs' Association shall submit copies of the financial report required pursuant to Section 3502.5 (f) of the California Government Code to the Director of Human Resource Services once annually.

Copies of such reports shall be available to employees subject to the Agency Shop requirements of this Section at the offices of the Association.

Failure to file such a report within 100 days of the close of the Association fiscal year shall result in the termination of agency fee deductions, without jeopardy to any employee, until said report is filed.

5. **Payroll Deductions and Payover:** The County shall deduct Association dues or service fees and premiums for approved insurance programs from employee's pay in conformity with State and County regulations. The County shall promptly pay over to the designated payee all sums so deducted. The County shall also periodically provide a list of all persons making charitable deductions pursuant to the religious exemption granted herein.
6. **Hold Harmless:** The Association shall indemnify and hold the County and its officers and employees harmless from any and all claims, demands, suits, or any other action arising from the Agency Shop provisions herein. In no event shall the County be required to pay from its own funds Association dues, service fees or charitable contributions, which the employee was obligated to pay, but failed to pay, regardless of the reasons.
7. **Waiver of Election for Newly-Represented Employees and New Representation Units:** The accretion of classifications and/or employees to the representation units set forth in Section 1. of this Memorandum of Understanding shall not require an election herein for the application of this Agency Shop provision to such classifications and/or employees. The recognition of newly-established bargaining units and the inclusion of same within Section 1. of this Memorandum of Understanding shall also not require an election herein for the application of this Agency Shop provision to such units.

SECTION 4. ASSOCIATION BULLETIN BOARD, MEETINGS, AND ACCESS TO EMPLOYEES

- A. **BULLETIN BOARDS.** Reasonable space shall be allowed at each work site for a locked bulletin board (purchased and maintained by the Association) as specified by the Sheriff for use by the Association to communicate with departmental employees. Material shall be posted within the locked bulletin board space as designated, and not upon the walls, doors, file cabinets or any other place. Posted material shall not be obscene, defamatory or of a partisan political nature, nor shall it pertain to public issues which do not involve the County or its relations with County employees. All posted material shall bear the identity of the sponsor, shall be neatly displayed, and shall be removed when no longer timely.
- B. **JOB CONTACTS.** Any authorized representative of the Association shall have the right to contact individual employees working within the representation unit by their organization in County facilities during business hours on matters within the scope of representation providing prior arrangements have been made for each such contact with the Sheriff who shall grant permission for such contact if, in his judgment, it will not disrupt the business of the work unit involved. When contact at the work location is precluded by confidentiality of records, or work situation, health and safety of employees or the public, or by disturbance to others, the Sheriff shall have the right to make other arrangements for a contact location removed from the work area. Spontaneous arrivals during business hours at County facilities of Association representatives for the purpose of contacting individual employees

without prior approval of the Sheriff will not be allowed. If they do occur, meetings will not take place.

For purposes of this Memorandum of Understanding, "authorized representative of the Association" is defined as a paid employee of the Association and not a County employee.

- C. MEETINGS.** Meetings of a representative of the Association and a group of employees shall not be permitted during duty hours other than a lunch period, except as provided in Section 25. hereof. The Sheriff may, upon timely application (48 hours prior) allow meetings of a representative of the Association and a group of employees in County facilities and at convenient times and dates. No contacts shall be permitted during working hours with employees regarding membership, collection of monies, election of officers, or other similar internal Association business. The Sheriff shall reasonably make available conference rooms and other meeting areas for the purpose of holding Association meetings during off-duty time periods. The Association shall provide timely advance notice of such meetings and agrees to pay any additional costs of security, supervision, damage, and cleanup, and shall comply with County regulations for assignment and use of such facilities.
- D. DEPARTMENTAL MEETINGS.** Unless otherwise agreed, representatives or employees of the Association shall not be permitted to attend meetings or conferences called by departmental personnel to attend to matters arising out of the normal course of departmental activities, except that this Section shall not be deemed to supersede any other Section of the Memorandum or Government Code Section 3500, et seq.

SECTION 5. RELEASE TIME

- A. BARGAINING.** Employee members of the Association bargaining committee shall be allowed time to absent themselves from duties for a reasonable period without loss of pay, for the purpose of participating in contract negotiations. Employee members of the Association bargaining committee shall be extended the same privilege to participate in any meetings mutually called by the parties during the term of this Agreement for review of grievances and contract compliance questions. In no event, however, shall the number of employee members provided time off pursuant to this Section exceed four (4) employees for any one meeting. Employee members of the Association engaged in investigation of a grievance shall report such time as payroll code UNI for timekeeping purposes. Employee members of the Association who participate in the meet and confer process and/or participate on a labor-management committee, must report such time as payroll code MCL for meet and confer and payroll code LMC for participation on a labor management committee.
- B. ASSOCIATION BUSINESS LEAVE BANK.** Effective with the first full pay period in January of each year through the duration of this Memorandum of Understanding, employees represented by the Association shall have two hours deducted from their accrued floating holiday leave balance and deposited in the Association Business Leave Bank. Once deposited, such hours are non-refundable and shall be converted to the recipient employee's hourly value on a dollar-for-dollar basis when utilized. Any hours remaining at the time of the next annual deduction shall not be carried over but deposited into the Sheriff's Office Catastrophic Leave pool.

No more than 2080 hours shall be available for the aforementioned purposes in any calendar year. The Sheriff agrees to supplement hours available in the leave bank, through the internal provision of release time, so that the total number of recipient employee hours available equals 2080 for each calendar year.

Such deposited time is intended for the sole and exclusive use of the Association President and Vice-President for Association administrative activities and, unless release time is otherwise

granted by the Sheriff's Office independent of the 2080 maximum, for the sole purpose of attendance at meetings, seminars, conferences or conventions on behalf of the Association.

SECTION 6. HOURS OF WORK, SHIFT, SCHEDULES, AND REST PERIODS

- A. WORK SCHEDULE AND CHANGE OF SHIFT.** The Sheriff shall prepare a schedule showing the hours each employee who is covered by this Memorandum is to work. Except under unforeseeable circumstances, the Sheriff shall make every reasonable effort to assure that no employee shall have more than one change of work schedule in any workweek. Fourteen days advance notice of departmental work schedule changes and seventy-two (72) hours advance notice of intra-unit work schedule changes shall be mandatory. An employee may voluntarily request to change assignments prior to the conclusion of the notice period. Otherwise, no departmental or intra-unit schedule change will become effective except for unforeseeable circumstances, until the respective mandatory notice period has transpired.

- D. REST PERIODS.** Each employee shall be granted a rest period of 15 minutes during each work period of more than three hours duration; provided, however, that such rest periods are not scheduled during the first or last hour of such period of work. In the event that the conduct of assigned job duties at a given location or on a given day may preclude the taking of a rest period by an employee, the employee waives his right to said rest period and any right or compensation therefor. No wage deduction shall be made nor time off charged against employees taking authorized rest periods, nor shall any rights or overtime be accrued for rest periods not taken. There is no obligation upon the County to provide facilities for refreshments during the rest periods, or for procurement thereof.
- E. REQUIRED EQUIPMENT.** Employees are expected to be at their individual work stations with required equipment in operable condition at the scheduled shift starting time.

SECTION 7. OVERTIME

Notwithstanding the above, upon entry into this bargaining unit, for those that have a vacation balance in excess of the two times accrual rate, he/she shall have his/her vacation balance reduced and subject to the maximum balance as provided in Subsection 23.A.1 by the pay period containing January 1 of the year following his/her appointment into the bargaining unit. The vacation leave balance of any employee which exceeds the maximum balance allowable will be adjusted downward to the maximum balance provided in Subsection 23.A.1 (by placing the excess vacation in a departmental catastrophic sick leave pool) and the county will thereafter have no obligation with respect to the vacation leave affected by the adjustment. The Sheriff shall make a reasonable effort to accommodate written vacation leave requests submitted by such employees which state that the purpose of such request is to reduce accrued vacation leave balances to the level which can be paid for in cash upon termination or to avoid a downward adjustment.

B. CASH PAYMENT IN LIEU OF VACATION LEAVE.

- 1. An employee who accrues vacation leave under section 23.A.1 who leaves the County service for any reason shall be paid at the biweekly or hourly rate for each classification as set forth in Appendix "A" for unused vacation accrued to the date of his/her separation.

Employees who accrue vacation leave under section 23.A.1 shall have the primary responsibility to schedule and take sufficient vacation leave to reduce their accrued vacation leave balances to levels which will permit further vacation accrual. The Sheriff shall make a reasonable effort to accommodate written vacation leave requests submitted by employees which state that the purpose of such request is to reduce accrued vacation leave balances to a level which will permit further vacation accrual.

2. An employee who accrues vacation leave under section 23.A.2 who leaves the County service for any reason shall be paid at the biweekly or hourly rate for each classification as set forth in Appendix "A" for unused vacation accrued to the date of his/her separation, provided that such entitlement shall not exceed vacation earned during the two years of employment preceding such separation.

Employees who accrue vacation leave under section 23.A.2 shall have the primary responsibility to schedule and take sufficient vacation leave to reduce their accrued vacation leave balances to levels which do not exceed the amount for which they can receive cash payment hereunder upon termination. The Sheriff shall make a reasonable effort to accommodate written vacation leave requests submitted by employees which state that the purpose of such request is to reduce accrued vacation leave balances to the level which can be paid for in cash upon termination.

3. An employee who accrues vacation leave under section 23.A.2 who has received pay pursuant to Labor Code section 4850 for a period of at least 6 months during the 18 months which precede the date of his/her retirement or other termination shall be entitled to cash payment of untaken vacation leave accrued as of the commencement of such section 4850 pay, within the limitations provided above, plus the amount of vacation accrued from and after the date such section 4850 commences.

- C. **VACATION SELLBACK.** A Deputy Sheriff or Sergeant may receive the equivalent cash payment of up to 80 hours per fiscal year. Vacation sellback may be received in a minimum of eight (8) hour increments per pay period up to the maximum of 80 hours. This benefit shall be prorated for part-time employees in the normal work week for which the employee is normally scheduled to work. In lieu of, or in addition to the foregoing, an employee may have accrued vacation leave credited against his/her transition pay obligation to the County. An employee, with the permission of the Sheriff may take vacation in excess of one and one-half times his/her annual vacation accrual during any calendar year, if he/she has accumulated sufficient unused vacation leave.
- F. **DEFINITIONS.** For the purpose of this Section, "working day" shall mean any day upon which an employee would normally be required to work. For employees assigned to the alternate biweekly work schedule defined in subsection 7.K., "working day" shall mean any day upon which an employee would normally be required to work except that for purposes of defining paid leave, the hours shall be as provided in subsections 7.K.3. and 7.K.4.
- G. **EFFECT OF ABSENCE ON CONTINUOUS SERVICE.** Absence on authorized leave with or without pay, and time during which a person is laid off because his/her services are not needed, and time during which a person is temporarily not employed by the County, if followed by

reemployment within three years, shall not be considered as an interruption of continuous service for the purpose of this Section, but the period of time such employee is absent on authorized leave without pay or so laid off or so temporarily not employed shall not be counted in computing such year of continuous employment for the purpose of this Section, provided, further, that, for purposes of qualifying for twenty working days' vacation leave, where a person has been employed by the County without interruption for the past ten years, all service of such employee shall be deemed to have been continuous.

- H. WHEN VACATION MAY BE TAKEN.** Paid leave may be granted up to a maximum of 80 hours in a pay period only for those days or fractions thereof on which an employee would have been regularly scheduled to work and would have worked but for the vacation leave.

Vacations will be scheduled by mutual agreement between the Sheriff and the employee. An employee shall be allowed to divide his/her vacation leave in any calendar year in up to six (6) vacation leave segments.

The Sheriff, at his discretion, may grant an employee additional segments of vacation.

- I. PERSONAL LEAVE.** An employee shall be allowed two days in any calendar year from his/her regular vacation allowance for personal leave. For an employee assigned to the alternate biweekly work schedule defined in subsection 7.K. a personal leave day shall be the number of personal leave hours charged against the employees vacation balance as provided in subsections 7.K.3. and 7.K.4.

The Sheriff shall not deny a request for this leave except for reasons critical to the operation of the department. Such personal leave shall be in segments of one-half day or more.

- J. RATE OF VACATION PAY.** Compensation during vacation shall be at the rate of compensation as set forth for each classification in Appendix "A" which such person would have been entitled to receive, including premium pay, while in active service during such vacation period.

- K. RESTORATION OF CUMULATIVE VACATION BALANCES.** An employee who was employed less than six months in County service and who is laid off due to a reduction in force, within three years of the date of layoff and who is returned to County service from layoff status shall have the balance of unused cumulative vacation leave accrued pursuant to Section 23 A. (Vacation Accrual) restored to him/her for use as provided in this Section.

- L. VACATION TRANSFER.** Married couples or domestic partners, employed by the County, may elect to transfer up to five days of their accrued vacation leave balances to their spouse or domestic partner (Ref. Appendix C.) per each event of maternity, paternity and adoption.

- M. VACATION PURCHASE PLAN.** Full-time employees in Alameda County Deputy Sheriffs' Association accruing vacation at the two-week per year rate may elect to purchase one additional week of vacation subject to approval by the Sheriff over and above their regular entitlement as set forth in paragraph A hereof. Employees accruing vacation at the three week per year rate or more, part-time, and intermittent employees may not purchase vacation. The additional week if approved by the Sheriff may be purchased in the following manner:

On or before the biweekly pay period nearest October 1 of any year, an eligible employee shall submit a written request to the Sheriff stating his/her desire to purchase one extra week of vacation. Such vacation must be purchased in a one week increment. Employees will then pay for the vacation time purchased in equal installments during the calendar year. The additional week of vacation, once purchased, may be taken with the employee's regular vacation entitlement.

Employees eligible for vacation purchase may elect to purchase one week of vacation under the Vacation Purchase Plan during Open Enrollment. To be eligible to purchase vacation for the upcoming Plan Year, an employee must have completed payment for any previous vacation purchased by the end of the current Plan Year. As a further condition, to be eligible to purchase one week of vacation, an employee must have no more than one week of unused purchased vacation three (3) pay periods prior to the start of Open Enrollment.

On the first pay period of the calendar year, the employee's vacation balance will be updated with the additional amount of vacation purchased. Employees may then use the vacation time purchased as defined in Section 23.H. The County shall make deductions from the pay of such employee in the amount of the value of one or two weeks of salary in 24 equal installments. In the event an employee uses their purchased vacation time, and leaves the employment of the County prior to paying for the additional vacation, the employee agrees as a condition of participation that the County will recover the unpaid cost from the employee, including deducting any sum owed to the County from the employee's final pay warrant.

1. Except for Personal Leave granted under Section 23.I., purchased vacation must be utilized before vacation balances accrued pursuant to Section 23.A. are utilized. In the event that an employee has exhausted vacation balances accrued pursuant to Section 23.A., then purchased vacation may be utilized for Personal Leave granted under Section 23.I.
2. For purposes of cash payment of vacation leave, vacation purchased pursuant to this section shall be combined with vacation accrued pursuant to Section 23.A. Said combined vacation balance shall be subject to the cash payment limitations of Section 23.B. hereof.
3. In the event that an employee uses purchased vacation and leaves County service prior to paying for it, the County reserves the right to recover the cost from the employee, including deducting any sum owed from the employee's final pay warrant.
4. In the event that an employee is unable to cover the cost of purchased vacation in any pay period(s) due to insufficient pay, the County reserves the right to adjust the amount of the deductions from future pay warrants in order to recover the cost of the purchased vacation.
5. In the event that a participating employee moves between a 40-hour per week position and a 37.5-hour per week position, s/he shall carry over his/her purchased vacation balance in the same number of days and fractions of days.
6. In the event that an employee becomes ineligible for this program, the County reserves the right to adjust the purchased vacation balance and/or deductions.
7. In the event that an employee experiences a pay rate change during the plan year, the total annual cost of the vacation purchase will remain the same as at the time of enrollment.

Effective Plan Year 2011, and for any purchased vacation balance used on or after December 12, 2010, an employee purchasing vacation is responsible for all County costs associated with vacation purchase. For the pay periods in which purchased vacation is utilized as time off, the employee's total compensation shall not include the contributions made by Alameda County towards premium based and accrued benefits including retirement, county medical and dental plans, sick leave, and vacation time for all bi-weekly hours, or portions thereof, coded as purchased vacation. As a result, the employee shall be responsible for payment, on a prorated basis, of the County's full premium contribution for bi-weekly time coded as purchased vacation. These prorated premium costs shall be deducted from the employees' pay check for the biweekly pay period in which the

purchased vacation is utilized and, further, the employee will not accrue vacation and sick leave for such hours. Also, purchased vacation time utilized as time off will not count towards county seniority, hours in step, or towards the completion of the probationary period or retirement service credit.

The County and the Association agree that this Section M of the Memorandum of Understanding may be unilaterally subject to being reopened at the County's request to meet and confer regarding possible changes related to Vacation Purchase.

SECTION 26. GRIEVANCES

- A. DEFINITION.** A grievance under this Memorandum of Understanding is limited to only those instances where an employee or group of employees or the Association alleges in writing that the County has failed to provide a condition of employment specifically set forth in this Memorandum of Understanding, as adopted by ordinance, or in the annual Salary Ordinance provision that is directly relevant to the grievance or the grievant, provided that the enjoyment of such right is not made subject to the discretion of the Sheriff or the County; and, provided further, that the condition of employment which is the subject matter of the grievance, is a matter within the scope of representation as defined in California Government Code Section 3504.
- B. EXCLUSION OF CIVIL SERVICE MATTERS.** The grievance procedure herein established shall have no application to matters over which the Civil Service Commission has jurisdiction pursuant to the County Charter or rules adopted thereunder.
- C. DEPARTMENTAL REVIEW AND ADJUSTMENT OF GRIEVANCES.** The following is the procedure to be followed in the resolution of grievances.
1. **Step One:** An employee having a grievance shall first informally discuss it with his/her immediate supervisor and endeavor to work out a satisfactory solution in an informal manner with such supervisor.
 2. **Step Two:** If a satisfactory solution is not accomplished by informal discussion, the employee shall have the right to consult with and be assisted by a representative of his/her own choice in this and all succeeding steps of subsection 26.C. and may thereafter file a grievance in writing with his immediate supervisor within seven working days of the date of such informal discussion. Within seven working days after receipt of any written grievance, the immediate supervisor shall return a copy of the written grievance to the employee with his/her answer thereto in writing. If the grievance is not resolved at this level, the employee shall have seven working days after receipt of the answer within which to file an appeal with the commanding officer.
 3. **Step Three:** The section commanding officer shall have seven working days in which to review and answer the grievance in writing. If the grievance is not resolved at this level, the employee or his/her representative shall have seven working days from receipt of the answer within which to file an appeal with the division commander.
 4. **Step Four:** The division commander shall have seven working days in which to review and answer the grievance in writing. Although no hearing is required at this step, the employee and his/her representative may be present at and participate in any such hearing as the division commander may conduct. If the grievance is not resolved at this level, the employee shall have seven working days from receipt of the answer within which to file an appeal with the Sheriff.
 5. **Step Five:** The Sheriff shall have seven working days in which to review, hold hearings and answer the grievance in writing. Unless waived by the mutual agreement of the employee or his representative and the Sheriff, a hearing is required at this step, and the employee and his/her representative, shall have the right to be present at and participate in such hearing.

The time limit at this step may be extended by mutual agreement between the Sheriff and the employee or his/her representative.

The Association may in its own name file a grievance alleging that the County has failed to provide it some organizational right which is established by this Memorandum of Understanding, provided that such right is not made subject to the discretion of the Sheriff or the County. Such Association grievances shall be filed with the Sheriff and heard and determined pursuant to the provisions of this fifth step of the grievance procedure.

- D. BINDING ARBITRATION OF GRIEVANCES.** In the event that the grievance is not resolved at the fifth step, the grievant or his/her representative may, within thirty days after receipt of the decision of the Sheriff made pursuant to subsection 26.C.5. request that the grievance be heard by an arbitrator.
- E. INFORMAL REVIEW BY DIRECTOR.** Prior to the selection of the arbitrator and submission of the grievance for hearing by said arbitrator, the Director of Human Resource Services shall informally review the grievance and determine whether said grievance may be adjusted to the satisfaction of the employee. The Director of Human Resource Services shall have ten working days in which to review and seek adjustment of the grievance.
- F. SELECTION OF ARBITRATOR.** The arbitrator shall be selected by mutual agreement between the Director of Human Resource Services and the employee or his/her representative. If the Director of Human Resource Services and the employee or his/her representative are unable to agree on the selection of an arbitrator, they shall jointly request the American Arbitration Association to submit a list of five qualified arbitrators. The Director of Human Resource Services and the employee or his/her representative shall then alternately strike names from the list until only one name remains, and that person shall serve as arbitrator.
- G. DUTY OF ARBITRATOR.** Except when an agreed statement of facts is submitted by the parties, it shall be the duty of the arbitrator to hear and consider evidence submitted by the parties and to thereafter make written findings of fact and a disposition of the grievance which shall be final and binding upon the parties. The arbitrator shall not have the power to amend this Memorandum of Understanding, a Resolution of the Board of Supervisors, the Charter, Ordinance, State law, or written agency/department rule, or to recommend such an amendment. The arbitrator shall also not have the power to declare any provision(s) of this Memorandum of Understanding, a Resolution of the Board of Supervisors, the Charter, Salary Ordinance, or any State statute or regulation unlawful or unenforceable.
- H. PAYMENT OF COSTS.** Each party to a hearing before an arbitrator shall bear his/her own expenses in connection therewith. All fees and expenses of the arbitrator and of a reporter shall be borne one-half by the County and one-half by the grievant.
- I. EFFECT OF FAILURE OF TIMELY ACTION.** Failure of the employee to file an appeal within the required time limit at any step shall constitute an abandonment of the grievance. Failure by the County to respond within the time limit at any step shall result in an automatic advancement of the grievance to the next step.
- J. LIMITATION ON STALE GRIEVANCES.** A grievance shall be void unless presented within sixty calendar days after the date upon which the County has allegedly failed to provide a condition of employment or an Association organizational right. This 60 day filing requirement is tolled only on the following applications:

1. To up to 60 days after the County's alleged failure was reasonably discoverable.
2. Up to 60 days after when the grievant may reasonably claim he or she delayed the filing of a grievance as a direct consequence of representations made by the County upon which the grievant relied to his/her detriment.

An arbitrator shall have no power or jurisdiction to award any monetary damages or other relief for any claim that is stale, or beyond a 60-day period, as set forth herein.

K. CLAIM FOR MONETARY RELIEF (JURISDICTIONAL LIMIT ON ANY AMOUNT IN CONTROVERSY).

Notwithstanding subsection J. above, in no event shall any grievance include a claim for monetary relief or damages for more than any 60 day period. The application of this period shall be as follows. The earlier of:

1. The 60 day period is limited to that which immediately precedes the filing of the grievance, or,
2. The 60 day period is limited to that which immediately precedes the date upon which the grievant reasonably discovers the basis for the grievance or can be reasonably found to have delayed in filing due to detrimental reliance upon representations made by the County, as set forth in Section J, 1 and 2 above.

This provision does not establish any limit for liability accruing after a grievance is filed.

An arbitrator shall have no power or jurisdiction to award any monetary relief or damages for any claim which has or may have accumulated prior to the 60 day period as set forth herein.

- L. DESIGNATION OF APPEAL LEVELS.** The Sheriff shall designate in writing the positions or levels in the department to which the various appeals provided in subsection 26.C. hereof shall be made.
- M. EXCLUSION OF NON-RECOGNIZED ORGANIZATIONS.** For the purposes of this Section, the provisions of Section 1. of this Agreement shall be construed to limit the employee's right of selection of a representative to the extent that agents of any other employee organization as defined in Section 7-2.06. of the Alameda County Administrative Code, which is not a party to this Agreement, are specifically excluded from so acting. In those cases in which an employee elects to represent himself/herself or arrange for other representation, the Association shall have the right to participate in the resolution procedure for the purpose of protecting the interests of its members in negotiated conditions of employment.
- N. GRIEVANCE RIGHTS OF FORMER EMPLOYEES.** A person who because of dismissal, resignation, or layoff is no longer a County employee may file and pursue a grievance at the department head level and may also pursue such grievance through the remaining levels of the grievance procedure, including binding arbitration, provided that the grievance is timely filed as provided in subsections 26.I. and 26.J. hereof, that the grievance is filed no later than 30 calendar days from the date of issuance of the warrant complained of, that the issue would otherwise be grievable under this Section; and provided further, however, that under no circumstances may a former employee file or pursue any grievance unless it relates solely to whether such person's final pay warrant(s) correctly reflected the final salary, or fringe benefits taken in the form of cash owed to such person.

SECTION 27. EFFECT OF LEGALLY MANDATED CHANGES

In the event that on or after the effective date of this Memorandum of Understanding, State, Federal or decisional law shall mandate the granting to employees of benefits or other terms and conditions of employment which duplicate, supplement, or otherwise impinge upon benefits or other terms and conditions of employment set forth herein, the provisions of this Memorandum of Understanding so duplicated, supplemented, or impinged upon shall be void and of no further effect as of the date the mandated benefit or term and conditions of employment become effective, and the parties hereto shall meet and confer with regard to such benefit or other term and condition of employment impacted in order to assure that the State, Federal or decisional mandate does not result in an overall increase or decrease of benefits to employees in the area so affected.

Notwithstanding any other provisions of this MOU, any issue as to whether State, Federal, or decisional law has, as set forth above, impinged upon benefits or other terms and conditions of employment set forth herein, shall be exclusively within the jurisdiction of a competent Court to decide and that no arbitrator shall have any power or jurisdiction to make any findings of fact, conclusion of law or order in that regard.

SECTION 28. MILEAGE

- A. MILEAGE RATES PAYABLE.** The mileage reimbursement rate to be paid to employees covered by this Memorandum shall be the rate paid to members of all other employee organizations.

Employees shall submit proof of loss, damage or theft (i.e., appropriate police report and/or estimated statement of loss) to the Sheriff within 30 days of such loss, damage or theft. Property damage or loss incurred by the private automobile while located on the street or at the parking facility serving the employee's normal place of work shall not be compensated under this Section, but property damage or loss incurred by the private automobile while located on the street or at the parking facility serving the employee's County business destination shall be compensable as provided above.

SECTION 29. CATASTROPHIC SICK LEAVE PROGRAM

An employee may be eligible to receive donations of paid leave to be included in the employee's sick leave balance if she/he has suffered a catastrophic illness or injury which prevents the employee from being able to work or from being able to work his/her regularly scheduled number of hours. Catastrophic illness or injury is defined as a critical medical condition considered to be terminal, or a long-term major physical impairment or disability.

Eligibility:

1. The recipient, recipient employee's family, or other person designated in writing by the recipient employee must submit a request to the Department of Human Resource Services.

3.48.010 Purpose.

The purpose of this procedure is to provide a uniform and effective system for resolving certain allegations and complaints of employment discrimination. (Prior admin. code 2-18.01)

3.48.020 Scope.

This procedure pertains to allegations made by aggrieved persons of discrimination in regard to recruitment, appointment, training, promotion, retention, discipline or other aspects of employment because of race, religion, color, sex, handicap, sexual orientation, age, national origin, political affiliation or any other factor which applicable state or federal law or regulation prohibits as the basis for discrimination in employment. Complaints which do not allege discrimination based upon one or more of the foregoing factors will not be handled under this procedure.

Where applicable, this procedure supersedes the grievance procedure set forth in Chapter 3.44 of this code. This procedure does not confer upon nontenured employees the right to a good cause hearing upon the imposition of disciplinary action. (Prior admin. code 2-18.02)

3.48.030 Application to civil service matters and grievance procedures set forth in memorandums of understanding.

This procedure shall not apply to complaints relating to matters within the jurisdiction of the civil service commission under the Charter until and unless the commission elects to make this procedure applicable to such complaints. In such event, the findings and decision of the hearing officer or arbitrator shall be made to the commission for final determination. This procedure shall apply to complaints of discrimination pursuant to grievance procedures set forth in memorandums of understanding only in the event that such memorandums specifically provide for its application to such complaints. In the event that the use of this procedure is not adopted by the commission or specified by the applicable memorandum of understanding, an aggrieved person who elects to pursue an appeal through procedures provided by the commission or the memorandum of understanding may not pursue the same allegations of discrimination under this procedure. (Prior admin. code 2-18.03)

3.48.040 Objectives.

The objectives of this procedure are: to provide an efficient means of resolving individual or group problems of a sensitive nature quickly and with a minimum of formal procedural requirements; to decrease significantly formal complaints which are expensive, time consuming and detrimental to good employee relations; and to sensitize managers and supervisors to the needs of individual employees or groups and to improve their capability of handling problems before they become complaints (Prior admin. code 2-18.04)

3.48.050 Definitions.

"Affirmative action coordinator" means the agency/department affirmative action coordinator or other person in close reporting relationship to top management who is assigned the responsibility of managing the procedure for handling discrimination complaints.

"Complainant" means an aggrieved person who has filed a formal complaint.

"Discrimination in regard to age" means disparate treatment of persons who are at least forty (40) years of age but less than seventy (70) years of age, as prohibited by the U.S. Age Discrimination in Employment Act of 1967, or of persons who are at least forty (40) years of age, as prohibited by the California Fair Employment Practice Act.

"Discrimination in regard to handicap" means disparate treatment of persons having a physical or mental handicap not related to employment needs or the person's ability to perform the duties of the job.

"Equal employment opportunity counselor" means an employee trained in equal employment opportunity procedures and counseling techniques to provide informal counseling on matters pertaining to discrimination.

Factors Which Applicable State or Federal Law or Regulation Prohibits as the Basis for Discrimination in Employment. These factors are those personal or social characteristics which are unrelated to either the needs of the position or to employment in general. Such factors as poor personal hygiene, unwillingness or inability to take direction, to work in harmony with supervision, peers, or the public, or to work without excessive absenteeism are examples of factors which normally are related to the needs of the position and to employment.

"Formal complaint" means written complaint which states clearly the basis for an allegation of discrimination and the relief requested. (Prior admin. code 2-18.05)

3.48.060 Filing of FEPC and EEOC complaints not prohibited.

This procedure is not intended to and does not interfere with the rights of an aggrieved person to file a complaint with the Fair Employment Practice Commission, the Equal Employment Opportunity Commission, the courts, or, except as specifically provided herein, any other available source or redress. (Prior admin. code 2-18.07)

3.48.070 Informal and formal procedures.

A. An aggrieved person may contact the designated equal employment opportunity counselor no later than thirty (30) days from the alleged discrimination, except that when the action complained of is a specific personnel action, of which the employee has notice, such as a promotion, demotion, rejection for appointment, or disciplinary action, the contact with the designated equal employment opportunity counselor may be made no later than ten days from the alleged discrimination. The equal employment opportunity counselor shall consult with the aggrieved person and, after making necessary inquiries, shall counsel him on the issues of the case, and seek informal resolution of the problem. The equal employment opportunity counselor shall keep a record of counseling activities and shall advise the aggrieved person of the formal complaint process and of his or her right to file complaints thereunder, under civil service rules, under an applicable memorandum of understanding, or pursuant to state and federal statutes. The equal employment opportunity counselor shall complete the informal pre-complaint counseling within fifteen (15) working days of being contacted by the aggrieved person.

3.48.070 Informal and formal procedures. (Cont'd.)

B. Resolving Formal Complaints.

1. **Departmental Review.** If informal resolution of the problem through conciliation and negotiation cannot be effected, an aggrieved person may file a formal complaint with the departmental affirmative action coordinator or other designated official. Such a complaint must be filed on a form provided for this purpose and within five working days after the attempted resolution of the problem by the equal employment opportunity counselor or within twenty-five (25) working days after the date of the alleged discriminatory action, whichever shall first occur. The affirmative action coordinator will decide whether the complaint falls within the jurisdiction of the procedure and accept or reject it. Upon acceptance of the complaint, the affirmative action coordinator shall obtain the notes on the case from the equal employment opportunity counselor; may conduct a prompt, impartial investigation if he deems it necessary; shall explore the possibility of resolving the problem through negotiation or conciliation; shall present findings and recommendations on resolving the complaint to the agency/department head; and within forty-five (45) working days from the date the formal complaint was filed, shall present his written decision, as approved by the agency/department head, to the complainant, with a copy of the complaint and decision to be forwarded to Director of Human Resource Services.

2. **Appeal from Decision of Department Head.** The decision of the department head shall be final unless appealed by the complainant to the Director of Human Resource Services within ten working days of the date of mailing or personal delivery of the decision to the aggrieved person.

3. **Review County Affirmative Action Officer.** The Director of Human Resource Services shall forward a copy of the decision and appeal to the county affirmative action officer who shall have ten working days from the date of filing of the appeal in which to determine whether to conduct his or her own investigation of the problem. In the latter event, the county affirmative action officer shall have twenty (20) additional working days in which to complete his or her investigation, counseling or settlement efforts.

4. **Setting of Hearing.** If the county affirmative action officer decides not to conduct his own investigation or if his or her efforts to settle the problem are unsuccessful, the Director of Human Resource Services shall set the appeal for hearing before a State Hearing Officer or, by mutual agreement of the complainant and the agency/department head, before an agreed-upon arbitrator.

5. **Exclusion of Frivolous or Vague Appeals and Appeal Therefrom.** In the event that the Director of Human Resource Services shall determine that the complaint is frivolous, vague, or that the facts alleged in the complaint, even if true, would not substantiate a claim of discrimination, or that the appeal claims discrimination based upon a factor for which state or federal law or regulation does not prohibit discrimination, he or she shall not schedule the appeal for hearing. The aggrieved person may, within ten working days of the mailing to him or her of notice that the complaint has been rejected by the Director of Human Resource Services, request that the director's action be reviewed by an impartial practicing attorney selected by the civil service commission. If the aggrieved person makes such an appeal, the Director of Human Resource Services shall forward to the impartial attorney a copy of the complaint, the written decision of the agency/department head, and of his or her determination which is the subject of the request for review. The impartial attorney, after reviewing the foregoing documents and without a hearing, shall determine whether the action of the Director of Human Resource Services in refusing to schedule the appeal for hearing was correct. The determination of the impartial attorney in this regard shall be final, but a determination by the impartial attorney that the appeal should be scheduled for hearing shall not preclude the hearing officer or arbitrator from determination, upon the evidence adduced at the hearing, that the factor upon which the disparate treatment was based was related to the needs of the position or to employment in general.

6. Hearing of Appeal. The hearing officer or arbitrator shall fully hear the complaint and make written findings of fact as part of its decision. The decision of the hearing officer or arbitrator, on matters of employment discrimination within the scope of this procedure, shall be binding on the department/agency head. The Director of Human Resource Services shall notify the Merit Systems Services of the California State Personnel Board regarding the disposition of all formal complaints received and of all heard by a hearing officer or arbitrator. (Prior admin. code 2-18.07)

3.48.080 Costs of hearing.

The cost of the hearing officer or the arbitrator, as well as of any reporter required by the hearing officer or arbitrator, shall be paid by the county. In the event, however, that the aggrieved person is represented in his or her appeal by a recognized employee organization or is furnished counsel by said organization, the costs of the hearing officer or the arbitrator as well as of the reporter shall be shared equally by the county and the organization. (Prior admin. code 2-18.08)

3.48.090 Representation.

The aggrieved person/complainant has a right to be accompanied, represented and advised by a person of his or her own choosing at all stages of the process, but no recognized employee organization shall be obligated to furnish such representation or advice except upon such basis as the aggrieved person/complainant and the recognized employee organization shall mutually agree. (Prior admin. code 2-18.09)

3.48.100 Freedom from reprisal.

An aggrieved person/complainant, his or her representative, and witness shall be free from restraint, interference, coercion, discrimination or reprisal at all stages in presenting and processing a complaint, including the informal counseling state. (Prior admin. code 2-18.10)

CAFETERIA PLAN

Each Deputy Sheriffs' Association represented full time employee is eligible for a cafeteria benefit plan in the amount of \$600 per plan year for the duration of the 2012 – 2020 Memorandum of Understanding. This amount shall be prorated in advance of the calendar year for employees regularly scheduled to work less than full-time based upon the hours which the employee has been regularly scheduled to work. An employee appointed mid-year shall be entitled to a prorated amount based upon the number of pay periods to be worked during the remainder of the calendar year, except that employees appointed during the two last full pay periods, and any following partial pay period, prior to December 31 shall not be eligible for plan benefits until the following calendar year. The maximum sum available to employee who reinstates shall not exceed \$300 minus the sum of cafeteria plan benefits received by the employee during the portion of the calendar year. This amount will be used to offset approved benefits cost. Any unused amount will be allocated to the Health Flexible Spending account.

An employee may, through payroll deduction, contribute to his/her cafeteria benefit plan in order to pay for plan benefits with pre-tax salary. The maximum employee contribution for each year of the Memorandum of Understanding shall be \$3000. Effective January 1, 2013, and in compliance with the Internal Revenue Code, the maximum employee contribution shall be \$2500.

Prior to January 1 of each year, and within the first 30 days of employment in the case of a new employee, the employee may allocate from their salary, on a pre-tax basis, an amount to the Health Flexible Spending Account. Except, as govern by the Cafeteria Plan Document, no change may be made in this allocation during the calendar year and any sums remaining unspent at the end of the year, including the pre-tax salary amount are County funds.

Health Flexible Spending Account. Payments may be made for qualifying medical care expenses within the meaning of Code Section 213(d) of the Internal Revenue Code (i.e., out-of-pocket medically necessary, medical, dental and vision care expenses, including deductibles, co-insurance payments, services and over-the-counter drugs (OTC)), provided that such expenses incurred during a period of coverage and paid for by the employee and eligible family members and are not reimbursed or paid under the employee's medical and dental plans or any other applicable personal or group health and dental plan.

DEPENDENT CARE

Subject to the applicable provisions of the Internal Revenue Code, employees covered by this Memorandum of Understanding are eligible to contribute from their salary on a pre-tax basis an amount up to \$5,000 each calendar year for approved dependent care. Eligible employees may only contribute salary for such expenses; there is no County contribution for dependent care. Reimbursements are made solely on a monthly basis subject to submission of itemized statements, proof of payment, adequate accumulation of salary contributions and all applicable

County Administrative procedures. Any sums remaining unspent at the end of the year are County funds

SIDELETTER OF AGREEMENT
BETWEEN
THE DEPUTY SHERIFFS' ASSOCIATION
AND
THE COUNTY OF ALAMEDA

COMPENSATORY TIME OFF BANKS

Effective, July 22, 2012 the Sheriff will create a new Compensating Time Off bank (CTO-B). The CTO-B bank shall be independent of the current CTO bank (CTO-A), which consists of three different balances earned under MOU Section 7.G., 7.K, and 7.L.4. All members shall have the option of receiving overtime compensation in cash, in compensatory time (CTO-B), or a combination thereof. The ability to earn or use CTO-B shall be capped at a cumulative total of 48 hours annually.

Any balances remaining at the end of a calendar year for CTO-B will roll into the following years' CTO-B total. For example: December 31, 2012, a member has 20 hours of CTO-B remaining. On January 1, 2013, the member will start the year with 20 hours of CTO-B, allowing them to earn 28 more hours in 2013 for a total of 48 hours. At no time will a member lose earned CTO-B because balances will roll over to the next calendar year.

This agreement shall not restrict the use of existing CTO-A balances, however, the moratorium against earning CTO-A shall continue for the life of this agreement. Members with CTO-A balances at the time of implementation of CTO-B will keep these balances but they will be combined into one balance. The aforementioned 48 hour maximum shall not apply to existing CTO-A balances. Members with CTO-A may also earn CTO-B as described above. DSA members can choose to use CTO-A until it is exhausted while earning CTO-B, or may choose to keep their CTO-A without using any of their hours from that balance. In the event a member has a CTO-A balance when CTO-B is implemented and subsequently separates from county service, the payoff of CTO-A hours are limited to the CTO-A limit in effect when CTO-B is implemented, which is a maximum of 120 hours. The maximum payoff upon separation from County service for CTO-B is 48 hours.

For the duration of this agreement, DSA MOU Section 7.J., paragraph one, and Section 7.L.4. shall no longer apply.

All CTO-A and CTO-B shall be scheduled by mutual agreement between the member and the Sheriff or designee, in accordance with current time off policy. This agreement will remain in effect for the life of the Memorandum of Understanding.

If management can document that a member is utilizing overtime/compensating time off in a way that, on any recurring basis, modifies their established, recurring work schedule, management shall have the prerogative to, with advance notice to the member, compel that all overtime worked by this member be paid only in cash for whatever period of time management deems appropriate. In no case shall this period of time exceed one year.

SERGEANTS WORKING DEPUTY OVERTIME SHIFTS

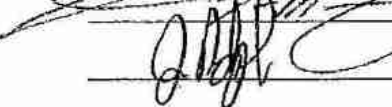

Sergeants may, with advance approval from the Sheriff or designee, volunteer for and be assigned to work overtime in a deputy sheriff assignment. Under such circumstances, the Sergeant shall be compensated at one and one-half times the top step rate of pay for Deputy Sheriff II as provided in Appendix A of the Memorandum of Understanding. The above option shall be utilized only after the available overtime deputy sheriff II shifts have been posted for a minimum of 48 hours, or in exigent circumstances as determined solely by the Sheriff or designee.

Should a Sergeant working in a deputy sheriff overtime shift be ordered by the watch commander to perform supervisory duties consistent with their Sergeant's duties, all overtime compensation earned while performing Sergeant level duties during this shift shall be compensated at one and one-half times the Sergeant's specific normal rate of pay. If, due to changes in the FLSA, it is determined by the County that Sergeants can no longer work overtime as deputies, the Sheriff may unilaterally terminate this agreement. The Sheriff may, based upon his/her determination of Office needs, terminate this agreement, but, not before offering the Association an opportunity to meet and confer.
