LOBMEYR PATRICIAN HOFFMANN

DESIGNER

Josef Hoffmann, 1917

MANUFACTURER

Lobmeyr

DESCRIPTION

The sophisticated lines of this service dating to 1917 find their origin in the "muslin glass" technique developed by Lobmeyr in the 1850s. The perfectly flowing contours of these original Josef Hoffmann shapes make this muslin glass series a true classic. The elegantly balanced stemware was designed by Hoffmann for Lobmeyr as early as 1917. The material, very fine muslin glass - mouth-blown in wooden moulds - provides perfect elegance.

MATERIALS

Mouth-blown crystal
