Never Give Up

by: Jay Murphy (07BY Head Coach)

The 07BY team had their final regular season game on February 9 versus the Huskies. The game had significant playoff implications.

Win or tie (with fair play point) and my team makes the 4 team AA playoff. Lose and we are out!

Despite dominating the Huskies (28-16 Shots) we found ourselves down 0-2 with 2:15 to play in the third period. We pull the goalie with an offensive zone face off.

On a scrum around the net **Brody Eckert** finds the loose puck and slides it past the goal line with 2:00 to play in the third to make it 1-2.

Brody Eckert scores again at the 1:05 mark to tie the game 2-2. An impossible angle shot that any professional would be proud of.

Austin Dzadovsky scores the go ahead goal with 34.2 seconds in the game to win outright.

HUGE win for our team and one that taught a great life lesson about never giving up.

On to the playoffs!
