

Indel Food Products, Inc. is a 25 year family owned vertical integrated vegetable processing company. We are now one of the biggest packers/importers of jalapeño peppers, green chiles, banana peppers and other specialty peppers in North America. We own and operate two processing plants in the states of Chihuahua and Sinaloa, Mexico with a work force of over 700 employees. At these plants we pack ten months out of the year enabling us to provide customers with 2 fresh packing seasons per year.

We currently pack and distribute over 100 different kosher certified products, all processed under our HACCP quality Programs and Silliker/BRC audited Plants.

From our own distribution warehouse in El Paso, Texas we ship to most of the continental United States within 48 hours with a minimum of 6 pallets per order. For our overseas customers we ship from the port of Altamira, in the gulf of Mexico.

Our Goal is Simple:

To supply our food service and industrial customers with the finest peppers at very competitive price, continuous supply and top customer service.
