turkey

with these great flavors, they're  
**inspiration on a bun.**

#90196

**Turkey Burgers**

## Turkey burgers in more styles and varieties than anyone else.

- Leaner than beef, available in many sizes and flavors
- Pre-made, ready-to-cook burgers mean less labor and great presentations
- Appeal to upscale burger lovers looking to cut fat
- Turkey adapts to virtually any flavor, making signature burgers easy

Note the healthy benefits of turkey on your menu. Visit [perduefoodservice.com](http://perduefoodservice.com)® for beef nutritional comparisons.
