## Italian Sausage Topping

The *Fontanini*<sup>®</sup> Brand is known for excellent sausage because we start with always fresh, never frozen meat, coarse-ground and held for 24 hours in our signature spice blends. Then we finish them off with a hand-pulled appearance and oven-roasted flavor that can't be beat.

## Sliced Italian Sausage

Coarse-ground as always for premium look and texture, we've built our name on our sausage so you can build your name on your pizza.

## Pepperoni

America's favorite pizza topping gets the authentic Italian experience with *Fontanini*<sup>®</sup> Pepperoni. No two slices are exactly the same, but the flavor is always premium.
