Under both (1) and (2) such coverage under the City's group insurance plan is secondary to Medicare coverage. Provided, however, that if Medicare age has been increased beyond age 65, the 50% payment under (1) shall apply to the "Employee without Medicare" premium. In the event the City eliminates the policy or regulation for subsidizing payment of retiree health insurance, any retiree who elected (2) above shall automatically revert to receiving the benefits specified in (1) above. In order to receive payment under either (1) or (2), the retiree must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a retiree covered by the insurance plan, as modified from time-to-time, or required by law.

ii. The spouse of the bargaining unit Employee/retiree (current at time of the Employee's separation from the City) until death or divorce. After the spouse reaches the eligibility age for federal benefits under Medicare, or age 65, whichever occurs first, the health insurance coverage premium paid by the City on behalf of the spouse will be reduced to 25% of the "single dependent with Medicare" premium. After reaching the eligibility age for federal benefits under Medicare, such coverage under the City's group insurance plan is secondary to Medicare coverage. In order to receive payment once the spouse has reached the eligibility age for federal benefits under Medicare, the

spouse must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a spouse covered by the insurance plan, as modified from time-to-time, or required by law. In the event a retiree remarries after separation from the City, the spouse will not be included in the health insurance premium subsidy.

iii. Dependents (current at time of Employee's separation from the City), as defined by the rules of the City group health insurance plan in effect at the time of separation. After the dependent reaches the eligibility age for or is otherwise eligible for federal benefits under Medicare, or age 65, whichever occurs first, the health insurance coverage premium paid by the City on behalf of the dependent will be reduced to 25% of the "single dependent with Medicare premium". After reaching the eligibility age for, or if otherwise eligible for federal benefits under Medicare, such coverage under the City's group health insurance plan is secondary to Medicare coverage. In order to receive payment once the dependent has reached the eligibility age for or is otherwise eligible for federal benefits under Medicare, the dependent must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a dependent covered by the insurance plan, as modified from time-to-time, or required by law.

(3) In the event of death of the Employee/retiree:

- (a) Deceased Employee's spouse will continue to receive the subsidy benefit until death or remarriage subject to the requirements in 14(B)(2).
- (b) Deceased Employee's dependents, as defined in 14(B)(3), will continue to receive benefits as long as they meet the definition of "dependent" in the City group health insurance plan in effect at the

time of an Employee's retirement.

- (4) In the event of a catastrophic injury or medical illness which forces Employee who has not reached 20 years of full-time service with the Carson City Sheriff's Department to retire from service of the Carson City Sheriff's Department under NRS 616 and 617 (Work Related Injury or Illness) or as a Nevada PERS disability retirement, this benefit will be prorated for the employee at 5% per year of service after the employee has worked for the Carson City Sheriff's Department for 10 years, up to a maximum of 90% and subject to the provisions of paragraph 14(B)(1) concerning the Employee reaching the eligibility age for or being otherwise eligible for federal benefits under Medicare, or age 65, whichever occurs first. Ten years starts at 50%. The benefit under this subparagraph 5 does not apply to Employee's spouse or dependents and does not trigger any spousal or dependent benefits under this Article.
 - (5) If the benefits provided to retirees, their spouse and dependents under section 14(B)(2) are modified (reduced or eliminated) in the future by mutual agreement of the City and the Association including binding fact-finding or interest arbitration pursuant to NRS Chapter 288, such modification shall not apply to retirees, their spouses and dependents then receiving the benefits, and the retiree, their spouse or dependent shall continue to receive the benefit on the basis specified by the collectively bargained agreement in effect as of the date of retirement.
- (C) This provision of the contract is in exchange for a permanent 3% reduction in the cost of living increase that is due July 1, 2012 in the bargaining unit Employee's biweekly base salary and is therefore in effect on this same date. Should the Retirement Insurance benefit provided for in this Article be eliminated, the 3% permanent reduction in the Employee's biweekly base salary shall be restored on the effective date of elimination of this benefit and shall include compounded interest (based on prime rate) accrued from July 1, 2012 to and including the

date of the benefit elimination.

- (D) Nothing contained in subsection 14(B)(2) is intended to revoke, repeal, replace or otherwise modify the rights created in Article 13(C) of this Agreement.
- (E) An Employee on leave without pay may continue the group health insurance coverage for a maximum period of one year by making application to the Human Resources Department and enclosing a certified check payable to Carson City.
- (F) The City agrees that any changes in medical insurance benefits will be made in accordance with Nevada law.
- (G) Employees and their dependents (husbands, wives and children) will not be billed for any ambulance fees charged by the Carson City Fire Department which are not covered by insurance.

Article 16. ASSOCIATION DUES AND PAYROLL DEDUCTION PRIVILEGES

- (A) An Employee may authorize payroll deductions for the purpose of paying the Association dues. Upon the execution of the proper personnel payroll document filed with the City Finance Department, and coinciding with the commencement of a payroll period, the City agrees to deduct from the wages of the Employee, on a biweekly basis such sums as the Employee may specify for Association dues, and any other appropriate deductions that are eligible for payroll deduction.

- (B) The Association shall indemnify, defend and hold harmless the City against any claims made and against any suits instituted against the City on account of any action taken or not taken by the City in good faith under the provisions of this Article. The Association agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.
- (C) An Employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the deducted Association dues. When a member in good standing of the Association is in non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings. If an Employee is in non-pay status during only part of the pay period, and his or her wages are not sufficient to cover the full withholding, no deductions will be made. All other legal and required deductions have priority over Association dues.

Article 17. EMPLOYEE GRIEVANCE PROCEDURES

- (A) Any dispute, claim, or grievance arising out of or relating to the working conditions or the interpretation or the application of this Agreement must be settled in accordance with this Article:
- (B) An Employee who alleges a violation of any provision of this Agreement ("Grievant") shall submit a written grievance to the Sheriff not later than fifteen (15) working days from the date of the alleged violation. As used in this Article, "working day" means Monday through Friday, excluding State and Federal holidays.
- (C) Not later than ten (10) working days of receipt of a grievance, the Sheriff may respond to the grievance. If the Sheriff denies the grievance or fails to respond,

the Grievant may, not later than ten (10) working days from the date of the Sheriff's denial of the grievance or failure to respond to the grievance, submit a written grievance to the City Human Resources Director. Not later than five (5) working days of receipt of the written grievance, the City Human Resources Director shall, by written notice to all parties concerned, direct the parties to proceed to non-binding mediation. Unless mutually agreed to by the City and the Association, mediation must be held not later than sixty (60) calendar days from the date the City Human Resources Director receives the written grievance. If the parties are unable to agree on a person to act as a neutral mediator, a request for a mediator shall be made to the Federal Mediation and Conciliation Services (FMCS) by either party. Any costs of mediation shall be split between the Association and the City. If the parties are unable to resolve the issue through mediation, the grievant may, within ten (10) working days of mediation, submit the grievance to arbitration for resolution.

- (D) If a grievance is not resolved through mediation, the grievance may be submitted to arbitration by notifying the other party in writing not later than ten (10) working days of the nonresolution. If a grievance is not submitted to arbitration after mediation, it shall be deemed denied or settled on the basis of the last administrative decision. The party requesting arbitration shall notify the other party within the ten (10) working day period. If the parties are unable to agree upon an arbitrator, the party initiating the arbitration must request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service, or the American Arbitration Association. Failure to make a written request for a list within thirty (30) working days after notice to the other party will constitute a waiver of arbitration and a denial or settlement of the grievance on the basis of the last administrative decision. An arbitrator must be selected in the manner provided by NRS 288.200.
- (E) An arbitrator who is selected pursuant to this Article shall convene a hearing as soon as reasonably practicable at the mutual convenience of the arbitrator and

the parties. Any expenses for witnesses or legal counsel for either party must be paid by the party producing such witnesses or retaining such counsel. A stenographic record must be taken of each hearing. The costs of the record, the arbitrator's fees and expenses must be assessed by the arbitrator on either or both parties in his or her discretion.

- (F) An arbitrator who is selected pursuant to this Article does not have the authority to amend or delete any of the terms of this Agreement or any of the Sheriff's Department rules, regulations and policies. A decision of the arbitrator must be based solely on the evidence and arguments presented by the parties at the arbitration hearings, and the decision of the arbitrator will be final and binding except as provided by law.
- (G) Any time limits described in this Article are intended to expedite the grievance procedure. The failure of an aggrieved Employee to comply with this Article within the established time limits constitutes a waiver of the grievance. Any time limits may be extended by mutual written agreement of the parties and which may not be unreasonably withheld by any party.
- (H) Unless a grievance is submitted by the Association itself, the Sheriff must not settle or deny the grievance without first notifying the Association that the grievance was filed. The Association has the right to intervene in any Employee grievance. If the Association has not demanded arbitration, it is not responsible for any fees or expenses under this Article. If an Employee demands arbitration, an arbitrator may require the payment of one-half of the estimated cost of the arbitration in advance of any hearing. If the payment is not made, the grievance shall be deemed denied or settled on the basis of the last administrative decision.

However, the Sheriff may grant annual leave or administrative leave on a case-by-case basis depending on the Sheriff's assessment of the contribution that the training will provide to current job performance. Additionally, should the Board of Supervisors declare a state of

emergency, the Sheriff may require Employees to work a twelve (12) hour work day. Such rest period shall be taken without loss of pay and the Employee shall not be required to make up such time.

Per the City's policy, disciplinary action must be administered on a progressive basis for just cause unless circumstances warrant more escalated discipline.

- (A) **WARNING AND REPRIMAND:** Whenever an Employee's performance falls below standard, the supervisor must inform the Employee promptly and specifically in writing of any deficiencies. If appropriate and justified, following a discussion of the matter with the Employee, a reasonable period of time of not less than thirty (30) days will be allowed for improvement or correction before initiating progressive discipline.
