WHOLE ROASTED RED PEPPERS

The 100% fire roasted Whole Red Bell peppers are bright red color, firm in texture and ready to be used. The selected Red Bell peppers are flame roasted, decored, peeled and then packed in water, salt, calcium chloride and citric acid. There are no preservatives added. The customer can select either standard or choice pack.

QUARTERED ROASTED RED PEPPERS

Theses peppers have the same process as on the wholes, but cut in chunks or quarters.

RED PEPPER HALVES

Fresh red peppers are hand cored and split in halves then hand packed.

PEPPER STRIPS

Our pepper strips are hand cored and cut elongated from fresh peppers. They are heavy packed just like the diced peppers. They are available in red, green or mixed red and green.

DICED PEPPERS (RED or GREEN)

Our diced peppers are hand cored and cut from bright red or green fresh peppers, then heavy packed in water, salt, and citric acid. They are primarily used on Italian, Mexican and Oriental dishes to enhance their visual appeal as well as taste.

BANANA PEPPERS RINGS

The destemmed banana peppers are selected for color, and sliced. Packed in water, vinegar, salt, calcium chloride, turmeric, and yellow # 5. These peppers have a clean biting heat. Mainly sold 100% yellow, red or mixed color packs, also the heat can be adjusted to your needs.

RED AND GREEN CHERRY PEPPERS

Mixed green and red cherry peppers with stems, are round shaped, packed in water, vinegar, salt and used mainly in salads.

MISSISSIPPI SPORT PEPPERS

The destemmed Mississippi Sport peppers are small and slender green peppers that are very firm in texture with a medium heat level. They are as whole peppers mainly on hot dogs and sandwiches; or sliced for jardineras.

CASCABELLA PEPPERS

Whole cascabella peppers have a thin skin, a strong yellow color and a medium heat level. Cascabella peppers are conical shape with stem. On salads these crunchy peppers add a tangy flavor to your favorite meals including meats, sandwiches, chickens or barbecues. These peppers are widely used in California.

INGREDIENTS:

Jalapeño Peppers, water, vinegar, salt, and a trace of calcium chloride.

WHOLE 80-90 JALAPEÑOS

These whole Jalapeños are selected and graded to uniformly pack 80 to 90 pepper count per #10 can. These are 2-3 inches long and 3/4 to 1 1/4 inch in diameter with a medium bright to dark green color. Fast Food operators sell them individually with their main plates.

JALAPEÑOS ESCABECHE

Field run peppers with stems are packed in a vinegar and salt solution which includes carrots and onions to make authentic Escabeche Jalapeño Peppers. The advantage of this pack is its lower cost, and the addition of the always desired pickled carrots and onions that Mexican consumers enjoy as an appetizer, or to add spice to any main course.

NACHO SLICED JALAPEÑOS

Selected Jalapeño peppers are sliced into rings typically 1/4" thick, bright green color, crisp and firm in texture. Our jalapeños are partially deseeded for better taste and appeal, they are a very popular topping on pizza and nachos.

DICED JALAPEÑOS

Our diced jalapeño peppers have the same quality and taste as our other packs. Jalapeño peppers red or green are diced either 1/8" or 1/4" inch. Food manufacturers and restaurant operators use this ingredient for preparation of salsas and other mixes.

MILD JALAPEÑO HALVES

Jalapeño peppers are destemmed, cut in half lengthwise, de seeded, and de veined by hand to turn a hot jalapeño pepper into a milder canoe shaped jalapeño. These Jalapeño halves are available in either red or green color. Food processors fill the empty Jalapeño cavity with various cheeses. It is then lightly battered and breaded to serve as a "stuffed Jalapeño" entree.

00867	24 / 4 oz. Cans	GREEN CHILE STRIPS - Steam Peeled	10	6	20/10	200	1655

INGREDIENTS:

Green Chiles, water, salt, citric acid, and calcium chloride.

WHOLE GREEN CHILES:

The 100% fire roasted or steam peeled, green chile peppers are sized and packed in water, salt, citric acid and calcium chloride and are evenly sized to 4" - 5" long whole green chile. These green chiles have few charred or dark particles which are proof of the authentic fire roasting process. Fire roasted vertical hand packed chile peppers are ready for use by food manufacturers, restaurants or for traditional chile rellenos. Their many other uses include being mixed with tuna salad, pasta, beans and ground meat.

GREEN CHILE STRIPS:

The 100% fire roasted or steam peeled long green chile peppers are stripped vertically. Food manufacturers and food service operators find green chile strips an ideal pack to complement their whole and diced green chiles. This excellent ingredient and topping for your Southwest dishes may be used for casseroles, such as, chile with meat, chile with cheese, in sandwiches or a wide variety of recipes.

DICED GREEN CHILES:

The 100% fire roasted or steam peeled, green chile peppers are diced, 3/8" x 3/8" and packed in a heavy drained weight. They are ready for use by food service operators and manufacturers as an ingredient for salsas or as a spice.

GREEN CHILE PUREE:

The graded, destemmed, washed and mashed Green Chile Peppers are finely ground to a smooth consistency. This puree is commonly used as an ingredient in the preparation of Mexican dishes by food manufacturers and food service operators as well.

SERRANO PEPPERS

Whole Serrano Peppers with stems are packed in water, vinegar, salt and vegetable oil. Green Serrano Peppers are small hot peppers, with a clean biting medium heat, and no food preservatives added. Our canned version includes carrots and onions (escabeche).

WHOLE CHIPOTLE / CHIPOTLE SAUCE

Whole dried and smoked red jalapeños are re hydrated and mixed in tomato paste, with water, vinegar, salt, garlic and vegetable oil, (no preservatives added). Food service operators use chipotle or Chipotle Sauce for pastas, soups and stews to obtain a delightful smokey zing flavor with this ready to use ingredient.

NOPALITOS STRIPS / DICED NOPALITOS

Nopalitos Strips are light green tender cactus with mild flavor cut into even strips 3/8" x 3/4" long. The Diced Nopalitos are cut 3/8" x 3/8". Nopalitos are used in a wide variety of traditional Mexican plates and recipes.

WHOLE POBLANO/ POBLANO STRIPS

The Poblano is a dark green bell pepper similar in size to Bell Peppers. They are fire roasted to meet authentic recipes and packed in water, salt, vinegar and calcium chloride. The Poblano is typically used for "Chile Rellenos". This pepper is also available in even cut 3/8" lengthwise for strips.

WHOLE TOMATILLO / CRUSHED TOMATILLO

Fresh whole tomatillos are packed in water and a trace of salt and citric acid. They are ground for green salsas or as a green topping. Crushed tomatillos are the same as the whole, but already ground for convenience and a better value to the food service operators.
