III. RECRUITMENT INITIATIVES

	Type of Recruitment Initiative (Menu Selection)	Brief Description of Activity
1	Internship Program	From January through May 2018, our SEU hosted a student intern from Madison High School. This intern was supervised by our Program Director and learned about on-air broadcasting techniques as well as associated equipment and software. The student was also given the opportunity to write and produce commercials as well as learn about programming music under the tutelage of our Program Director. This student also interacted with SEU staff in other departments who offered useful tips about preparing for a future career in broadcasting.
