ARTICLE I EMPLOYER-EMPLOYEE RELATIONS

Section 1: Recognition:

The City hereby recognizes the Colton Police Officers Association (Rank and File Unit) as the representative of employees in the following classifications:

I.D. OFFICER POLICE
CORPORAL POLICE
DETECTIVE POLICE
OFFICER
POLICE OFFICER TRAINEE *
POLICE SERGEANT

* Non-Sworn

Section 2: Term of Agreement:

The term of this agreement is 24 months beginning February 1, 2014 and ending January 31, 2019. This agreement may be extended by one year at the option of the Association by giving at least ninety (90) days' written notice to the City prior to the end of the contract (January 31, 2019).

Section 3: Grievance Procedure:

A. STATEMENT OF PURPOSE

The purpose and objectives of the grievance procedure are to:

1. Assure fair and equitable treatment of all employees and to promote harmonious relations among employees and their supervisors.
2. Afford employees a simple means of obtaining consideration of their grievance by informal means at supervisory level and review of the supervisor's decisions.
3. Resolve grievances as quickly as possible and to correct, if possible, the causes of grievances, thereby reducing the number of grievances and future similar complaints.

It is the spirit and intent of this procedure that all grievances be settled quietly and fairly without any subsequent discrimination against employees who may seek to adjust a grievance. Every effort shall be made to find an acceptable solution at the lowest level of supervision.

B. DEFINITIONS

For purposes of this procedure, the following definitions shall apply:

1. Day - A work day, except where otherwise stated. A work day is a day on which City Hall is open for business for its full normal working hours.
2. Grievant - A current or former member of the bargaining unit employed full time by the City, except those persons elected by popular vote. An Association may file a grievance on behalf of itself or its members.
3. Grievance - An alleged violation or non-compliance with the provisions of this MOU, any supplemental MOU, the City of Colton's personnel rules and regulations, departmental rules and regulations, and other policies and practices.

Except as provided for in Section J, only the following major disciplinary actions taken against permanent employees are appealable under this grievance procedure:

- a. Suspensions in excess of 3 days;
- b. Disciplinary salary reductions;
- c. Demotions; and,
- d. Discharges.

Any appeal of the above disciplinary actions shall be initiated Grievance Step Four.

4. Representative - A person who, at the request of the employee or supervisor, is invited to participate in the grievance or conferences.
5. Immediate Supervisor - The person having evaluation responsibility for the grievant.
6. Association - The legal entity elected to be the exclusive representative of the employee group.
7. Class Grievance - A grievance involving more than one employee.
 - a. Each employee must submit his or her grievance in writing. Individual grievances may be treated as a single grievance or as a class at the discretion of the City.
 - b. Resolution of a class grievance may not be consistent among all grievants in the class grievance due to differences in circumstances or occurrences which brought about the grievance.
 - c. Any grievant not satisfied with the decision at any procedural step shall retain their individual right to appeal to the next step in the grievance procedure.

8. Answer - The response to the grievance at Steps One, Two, and/or Three as outlined in this procedure. All answers shall be written. If an answer does not resolve the grievance to the grievant's satisfaction, the answer will inform the grievant of the next step in the grievance procedure, and the deadline by which the grievant must request the next Step.

C. INFORMAL RESOLUTION STEPS

1. STEP ONE: Immediate Supervisor

Within 10 days after a grievant knew, or by reasonable diligence should have known, of the act or omission upon which a grievance may be based, the grievant shall request an informal resolution meeting with his or her immediate supervisor. Every effort shall be made to resolve a grievance through discussion between the grievant and the grievant's immediate supervisor.

This step will be deemed waived if the immediate supervisor, or the immediate supervisor's action, is the subject of the grievance. The supervisor shall prepare a written answer to the grievance within 10 days after the informal resolution meeting.

D. FORMAL RESOLUTION STEPS

2. STEP TWO: Appeal to Division Head or Designee

If the grievance is not resolved at Step One, the employee may request a meeting to discuss the grievance with the division head, if one exists, or his or her designee. The meeting must be requested in writing within 10 days after the Step One decision has been rendered.

The meeting will be scheduled within 10 days of receipt of the grievant's written request for the meeting. The division head or his or her designee shall prepare a written answer within 10 days after meeting with the grievant. If no division head exists, the grievant may proceed directly to Step Three.

3. STEP THREE: Appeal to Head of the Department or Designee

If the grievance is not resolved at Step Two, the employee may request a meeting to discuss the grievance with the head of the employee's department, or that person's designee. The meeting must be requested in writing within 10 days after the Step Two decision has been rendered.

In situations where a department has no division head to whom an appeal may be addressed at Step Two, the employee may request the Step Three meeting within 10 days of receiving the written answer from his or her immediate supervisor.

The meeting will be scheduled within 10 days of the employee submitting the request for the meeting. The head of the department or his or her designee shall render an answer within 10 days of meeting with the grievant.

4. STEP FOUR: Appeal to Arbitrator

If the grievance is not resolved at Step Three, the grievant may submit a written request to the City Manager for the grievance to be heard by an arbitrator, as outlined in more detail in section E of this procedure. This written request must be submitted within 10 days after the Step Three decision has been rendered.

In the case where a grievance is an appeal of major disciplinary action, the written request must be submitted within 10 days after the employee has been notified of the final decision to impose disciplinary action.

E. ARBITRATION

1. Written Request for Arbitration

To request a Step Four appeal to an arbitrator, a grievant must timely submit a written request to the City Manager. The request shall be considered timely only if the City Manager receives it no later than 10 days after the Step Three decision has been rendered. Such request may take the form of a memorandum or letter to the City Manager from the employee or an authorized union representative, and must clearly state the provisions of the MOU and/or rules, regulations, past practices or procedures which have allegedly been violated.

2. Private Hearing

Grievance arbitration hearings shall be private.

3. Selection of Arbitrator

Unless the parties agree to another method of selecting an arbitrator, following method shall apply:

The State Mediation and Conciliation Service shall be asked to submit a list of seven persons qualified to act as arbitrators. Within five days following receipt of the list of arbitrators, the parties shall select an arbitrator. The parties shall alternately strike one name from the list until no name remains. The right to strike the first name is determined by lot.

4. Costs of Arbitration

To the extent permitted by applicable law, each party shall bear equally the cost of the fees and expenses of the arbitrator and court reporter, if any. Each party shall bear its own witness and attorney fees.

5. Demand for Exchange of Evidence

Upon written request by either of the opposing parties in a pending hearing given at least 20 calendar days prior to the scheduled hearing date, each party shall supply to the other party copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than five calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been

discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. Presentation of Evidence

At the arbitration hearing, both the grievant and the City shall have the right to be heard and to present evidence. The following rules shall apply:

- a. Oral evidence shall be taken only on oath or affirmation.
- b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify, and to rebut the evidence against the witness. If the employee does not testify on his or her own behalf, the employee may be called and examined as if under cross-examination.
- c. The arbitration hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to relying in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding, unless the arbitrator finds that it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

7. Time for Arbitrator to Render Decision

The arbitrator shall render a decision, in writing, within 30 calendar days of the close of the hearing or of the arbitrator's receipt of closing briefs, whichever is later.

8. Findings of Fact and Remedies for Disciplinary Appeals

An arbitrator may sustain, modify, or rescind an appealed disciplinary action as follows and subject to the following restrictions:

- a. For any type of disciplinary arbitration: If the arbitrator finds that a disciplinary action was taken for reasonable cause, he or she shall sustain the action.
- b. For appeals of suspensions and reductions in class or salary: If the disciplinary action is modified or rescinded by the arbitrator, the grievant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. For discharges:

- i. If the arbitrator finds that the order of discharge should be modified to another form of discipline, the grievant shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the grievant was removed from duty, as determined by the arbitrator.
- ii. If the arbitrator finds that the order of discharge should be rescinded and no discipline imposed, the grievant shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

d. Restrictions on remedies:

- i. The City shall not be liable for restoring pay and fringe benefits for any period(s) of time the grievant was reduced or removed from duty which results from the appealing party's request for written briefs and/or a transcript of the arbitration proceedings or from any unreasonable delay in the issuance of the arbitrator's award.
- ii. Restoration of pay and benefits shall be subject to deduction of all unemployment insurance payments received. Outside earnings received since the date of discharge which grievant would not likely have earned but for the discharge shall also be deducted.

9. Arbitration Final and Binding

The decision by the arbitrator shall be final and binding and not subject to any administrative or judicial appeal or review of any kind except pursuant to California Code of Civil Procedure Section 1286.2.

F. REPRESENTATION

1. An employee may request representation of his or her choice and at his or her expense at any stage of the grievance procedure.
2. The grievant and his or her designated representative, if any, shall receive release time for the purpose of representing the grievant at any step. For purposes of this section, representation includes reasonable preparation and consultation.
3. Only the grievant and one other person from the bargaining unit may be on paid status while engaging in tasks related to the representation. Representation shall not unduly interfere with the normal course of City business.

G. TIME LIMITS

1. Failure by a grievant to meet any deadline set in this procedure shall terminate the grievance. The grievant shall not have a right to refile on the same set of facts, unless good cause is shown for the delay or the City notifies the grievant in writing that it will waive the deadline.

2. Failure by the City to meet a deadline set forth in this procedure shall give the grievant the right to proceed to the next Step.
3. Time limits in this procedure may be extended by mutual written agreement between the parties.
4. The grievant and his or her representative, if any, will be given at least 10 days written notice of any meeting scheduled pursuant to any Formal Resolution Step. This provision may be waived by mutual written agreement between the parties.

H. WITHDRAWAL

Any grievance may be withdrawn by the grievant at any time. Withdrawal of a grievance will be with prejudice and shall remove the right of the grievant to refile on the same set of facts.

I. FREEDOM FROM REPRISAL

No grievant shall be subject to coercion, discrimination, reprisal, or disciplinary action for discussing a complaint or grievance with his or her immediate supervisor, or for the good faith filing of a grievance.

J. MINOR DISCIPLINARY ACTION APPEAL PROCESS

- I. For purposes of this procedure, a "minor disciplinary action" means a suspension of 3 days or less, a written warning or written reprimand, or any other minor "punitive action" subject to administrative appeal within the meaning of the Public Safety Officers Procedural Bill of Rights Act. Only employees covered by the Act may initiate an appeal of minor disciplinary action.
2. Any permanent, full-time employee who is subjected to a minor disciplinary action may appeal such action to the head of the employee's department or his or her designee within 10 days of the date written notification of the action was rendered. Such appeal shall be submitted in writing, stating the reason(s) that the employee believes the disciplinary action should be modified or rescinded.
3. Within 15 days of receiving such an appeal, the head of the department or his or her designee shall schedule a meeting with the employee and the employee's representative, if any.
4. Within 15 days after the meeting, the head of the department or his or her designee shall issue a written determination. Such determination shall be final and binding, and shall not be subject to further appeal or grievance procedure of any kind whatsoever.

ARTICLE II COMPENSATION

Section 1: Salary

All employees in the above-represented classifications shall receive a base salary as set forth in the Pay and Classification Plan for the City of Colton. Employees represented by the Association shall receive the following base salary increase:

- Effective in the pay period after the City Council approves this MOU, there shall be a base salary increase of 1.5%.
- Effective in the pay period that includes January 1, 2018, there shall be a base salary increase of 1.5%.

For the purposes of salary surveys, the survey cities are: Barstow, Chino, Fontana, Montclair, Ontario, Redlands, Rialto, San Bernardino and Upland. No cities shall be added to or removed from this list during the term of the MOU.

Section 2: Bilingual Pay

The compensation for bilingual skills assignment shall be the equivalent of \$100 per month for employees who must perform bilingual translation as part of their job function and regular duties, who successfully complete a bilingual examination, and who pass the annual tests. Bilingual pay will be for employees, who speak Spanish, perform sign language, or who speak any other language designated by the Chief of Police.

When the skill is no longer needed or the employee is not required to use it or ceases to possess it, the Department Director shall terminate the bilingual compensation by written notice to the Management Services Director or designee. The Management Services Director or designee may also terminate the bilingual compensation if he/she makes a like determination, and shall notify the Department Director. In either case, the Department Director shall notify the employee. The bilingual pay is tied to the classification rather than the individual employee and will terminate if the employee moves to a new classification.

Section 3. Canine Premium Pay

Employees who are regularly assigned responsibility or canine handling and care shall receive twenty (20) hours per month paid at the premium rate equal to time and one half (1 ½) of the employee's base hourly rate. Those unit members assigned to canine duty agree that the above additional hours provided each week are reasonably necessary to provide for the care and maintenance of the assigned canine and that these additional "hours worked" are intended to compensate unit members assigned to canine duty for all off duty hours spent caring for and maintaining their assigned canine, in compliance with the FLSA and interpretive cases and rulings.

Section 4: Retirement

A. Sworn Employees

- 1) Each employee shall pay the full 9% employee/member portion of the required retirement contributions.
- 2) Upon agreement with or imposition through impasse on other City bargaining units representing sworn members, the City will amend its contract with the Public Employees Retirement System (PERS) to implement a 3% at 55 retirement formula as part of a two-tier system.

All sworn employees hired on or after October 16, 2011, will be subject to the 3% at 55 formula. Sworn employees hired prior to the effective date of this amended contract with PERS will continue to enjoy the 3% at 50 retirement formula.

To the extent permitted by the Public Employees Retirement System, any current sworn employee who leaves employment with the City and is reinstated within 18 months of leaving shall return at the 3% at 50 retirement plan.

- 3) Safety unit members hired on or after January 1, 2013 who are defined as "new members" under the PEPRA, are covered by the 2.7% @ 57 formula provided for by the Public Employees' Retirement Law at Government Code section 7522.25(d). Safety employees subject to the 2.7% @ 57 formula shall pay the statutorily mandated employee contribution rate of one half the total normal cost.
- 4) In addition to the nine percent (9%) of compensation earnable employee-paid member contribution paid by "classic" members and the one half of the total normal cost paid by "PEPRA" members, effective on the beginning of the pay period when the City Council approves this MOU these employees shall pay an additional one and one-half percent (1.5%) of compensation earnable of the required employer contribution as cost sharing in accordance with Government Code section 20516(f).
- 5) Effective on the beginning of the pay period which includes February 1, 2018 these employees shall pay an additional one and one-half percent (1.5%) (for a total of twelve percent (12% for classic members and one half the normal cost plus three percent (3%) for PEPRA members) of compensation earnable of the required employer contribution as cost sharing in accordance with Government Code section 20516(f).

B. Non-Sworn Employees

Each employee shall pay the full amount of the normal member contribution. Any Unit member that established CalPERS membership prior to the implementation of the Public Employees' Pension Reform Act of 2013 (PEPRA) in connection with City employment or that otherwise establishes "classic member" status, as defined in Section 579.1 of the California Code of Regulations, shall be subject to one of the following pre-PEPRA retirement formulas determined on the basis of their original date of hire: 2.7% at 55 or 2.5% at 55. The normal member contribution applicable to members participating in these retirement formulas continues to be 8%. Any Unit member that is considered a "new member" as defined in PEPRA shall be subject to the PEPRA retirement formula for miscellaneous members is a maximum of 2.5% at 67. The normal member contribution for "new members" will be determined by CalPERS in accordance with PEPRA.

All employee contributions shall be deposited in the members' retirement account.

Other benefits provided include:

- a. 3% at age 50 formula (sworn) -prior to 10/16/2011
- b. 2.7% at age 55 formula (non-sworn)-prior to 06/01/2012
- c. 3% at age 55 formula (sworn) - after 10/16/2011
- d. 2.5% at age 55 formula (non-sworn) after 06/01/2012
- e. One year final compensation
- f. Military buyback
- g. Post-Retirement Survivor Allowance (sworn)
- h. 1959 Survivor Benefit/4th Level

Section 5: Overtime Work Period

- A. The work period of sworn employees shall be 28 days in length and of non-sworn employees 7 days in length commencing the date the new work schedules described below are implemented.

B. Overtime Pay

All sworn employees required to work in excess of their regularly scheduled shift or of 160 hours per work period, and all non-sworn employees required to work in excess of their regularly scheduled shift or of 40 hours per work period shall receive compensation at the rate of time and one-half the regular rate of pay. The regular rate of pay shall include (if applicable) educational incentive and special assignment pay in addition to base salary.

In determining an employee's eligibility for overtime at the regular rate of pay, paid leaves of absence shall be included in calculating the total hours worked.

There shall be no pyramiding of overtime. Hours worked by an employee in any workday or work period on which premium rates have once been allowed shall not be used again in any other overtime calculation other than computing total actual hours worked. Overtime shall be recorded and paid in minimum increments of 15 minutes.

C. School Resource Officer

The parties agree that if an SRO leaves the program at a time other than the beginning of the school year, the compensatory time accrued as a result of the nine (9) hour workday should be handled in the following manner:

Retirement or Resignation from CPD: Employee will be cashed out as with any other accrued compensatory time.

Voluntary Transfer or End of Assignment: Employee will be provided a reasonable time to schedule time off to reduce the accrued compensatory time.

Involuntary Transfer: Employee may elect to cash out, bank, or schedule time off to reduce the accrued compensatory time.

D. Compensatory Time Off

Each represented employee shall, at the employee's discretion, be entitled to payment of

overtime compensation in the form of cash or compensatory time off. If the employee chooses to receive overtime compensation in the form of compensatory time off, then such compensatory time off shall be earned at the same rate (one and one-half times the employee's hourly rate) as in the case of overtime earned.

The maximum number of compensatory time off hours which may be accumulated (after conversion at time and one-half) by a represented employee is 480 (320 hours worked times time-and-one-half). Once an employee has accumulated 480 hours, then all future overtime shall be paid in cash.

The number of compensatory time off hours which the employee has accumulated during any time period, shall carry over from year to year and month to month, and under no circumstance, shall be deleted unless such action is in accord with this section of the MOU.

No employee shall be involuntarily required to utilize all or part of his/her compensatory time off. Any employee desiring to utilize all or part of his/her accumulated compensatory time off shall make application to a supervisor vested with the authority to grant such application. If, as a result of the needs of the organization, the responsible supervisor, in his/her discretion is unable to grant the use of such compensatory time off, then the application shall be denied.

During the first payroll period of November and June of any calendar year, any represented employee having accumulated compensatory time off, may, at the employee's discretion, mandate that the City provide the employee with a cash disbursement at the regular rate existing at the time of disbursement and with reference to the number of hours designated by the employee. The City shall comply with such direction from the employee. Upon the employee's separation from City service, for any reason, the City shall disburse to the employee, at the hourly rate existing at the time of disbursement, the value, in cash, of all accumulated compensatory time off.

E. Overtime Authorization

All overtime requests must have the authorization of a supervisor prior to the commencement of such overtime work. Where prior written authorization is not feasible, explicit verbal authorization must be obtained. Calls for service beyond the end of duty time are considered as authorized.

An employee's failure to obtain prior approval may result in the denial of the overtime request.

F. Clothes Changing

Employees are not authorized to wear their uniforms or any part thereof that is distinguishable as such unless on duty. Each employee is provided with a locker for his/her own personal convenience. An employee may or may not utilize the locker for storage and changing purposes at his/her own discretion.

Nothing herein prevents an employee from wearing his/her uniform to and/or from his/her residence to work.

Time spent in changing clothes before or after a shift is not considered hours worked and is not compensable in any manner whatsoever.

G. Shift Trades

The practice of shift trading shall be voluntary on behalf of each employee involved in the trade. An employee must have supervisory approval prior to being allowed to trade shifts. The trade must be due to the employee's desire or need to attend to a personal matter and not due to the department's operations. The employee providing the trade shall not have his/her compensable hours increased as a result of the trade; nor shall the employee receiving the trade have his/her compensable hours decreased as a result of the trade. Any premium pay or other extra compensation will be waived for both individuals during the period they work for the other. Any hours worked beyond the normal work day will be credited to the individual actually doing the work.

"Paybacks" of shift trades are the obligation of the two employees involved in the trade. Any dispute as to paybacks is to be resolved by the involved employees, and under no circumstances will the department be obligated for any further compensation whatsoever to any of the involved employees. The department is not responsible in any manner for hours owed to employees by other employees that leave the employment of the City or are assigned other duties.

If one individual fails to appear for the other (regardless of the reason), the person who "traded in" will be listed as absent without leave and may be subject to disciplinary action.

H. Early Relief

The practice of early shift relief shall be voluntary on behalf of each employee involved in the relief. An employee must have the approval of the watch commander prior to being allowed early relief. The employee providing the early relief shall not have his/her compensable hours increased as a result of the early relief; nor shall the employee relieved early have his/her compensable hours decreased as a result of the early relief. "Paybacks" of early relief hours are the sole obligation of the two employees involved in the early relief. Any dispute is to be resolved by the involved employees. The department is not responsible in any manner for hours owed to employees by other employees that leave the employment of the City or are assigned other duties.

I. Firearms Qualifications

Employees required to shoot at the firing range while off duty shall receive credit for actual time spent at the range (a minimum of one hour shall be paid). Travel time to and from the range is not considered hours worked and shall not be compensated in any manner.

Employees who shoot at the range at times other than the required qualifications dates will be considered to be on personal time. Such time is not counted as working time and is not compensable in any manner whatsoever.

J. Training Time

Training time outside normally scheduled work hours shall be compensated pursuant to Code of Federal Regulations (CPR), Section 553.226, et. seq. When feasible, the department

will adjust the employee's work schedule to minimize the impact of travel and training time.

An employee attending mandatory training or called in to mandatory training shall receive credit for a minimum of one hour.

K. City Vehicle Use

Employees who are provided with a City vehicle to travel to and from work shall not be compensated in any manner whatsoever for such travel time in the City vehicle.

This provision also applies in those situations where the radio must be left on and monitored.

L. Call Back Pay

Call back duty occurs when an employee is ordered to return to duty on a non-regularly scheduled work shift. Call back does not occur when an employee is held over from his/her prior shift or asked to come in immediately prior to his/her regularly scheduled shift. An employee called back to duty shall be credited for actual hours worked. The employee shall receive a minimum compensation of two (2) hours call back pay. This provision is subject to all the current provisions in the MOU and will only apply to meetings if there is not 72 hours advance notice. Travel time shall not be considered hours worked and shall not be compensated in any manner whatsoever.

M. Court Pay

When an employee is physically called to court, while off duty, he/she shall be credited on an hour-for-hour basis for the time actually spent in court. An employee shall be credited with a minimum of four (4) hours of the court appearance. Travel time shall not be considered hours worked and shall not be compensated in any manner whatsoever.

N. Court Standby Pay

An employee may leave a telephone number or wear an electronic pager so that he/she may be reached while on court standby. Such time is not considered hours worked under the Fair Labor Standards Act and will not be compensated except as set forth below.

Alternatively, an employee on court standby may, with the permission of the department, report to the police facility, in uniform, for assignment while awaiting court. An employee shall be credited on an hour-for-hour basis for time actually worked while on standby. Travel time to the police facility shall not be considered hours worked and shall not be compensated in any manner whatsoever.

In recognition of the City's established practice, the City shall continue to compensate employees at the rate of four hours pay at time and one-half when placed on standby by the District Attorney's Office. This payment is being made pursuant to the MOU, not pursuant to FLSA. Time compensated in the above manner shall not constitute hours worked for purposes of FLSA.

O. Detective Standby

An employee may leave a telephone number or wear an electronic pager so that he/she may be reached while on detective standby. Such time is not considered hours worked under FLSA and will not be compensated except as set forth below.

Stand-by time is defined as being from the end of the work day on Friday to the end of the work day the following Friday (a period not to exceed seven days). Each detective on standby shall receive ten (10) hours at time and one-half per seven-day cycle. Said payment shall be made in cash or accrual of compensatory time, at the option of the employee.

Section 6: Acting Pay

In the event such employee applies for and consents to such retirement, then upon the retirement being accomplished, the employee shall be compensated for his/her accumulated unused sick leave (if and only if he/she has five years of regular paid City service) by payment in a lump sum.
