

Olive Oil Blends

A blend of olive and vegetable oils, a golden oil by definition, can be used for multiple applications, such as salad dressing or bread dip, and to enhance soups, sauces and bruschetta.

APPLICATIONS

Great for:

- Cooking
- Salad Oil

Olive Oil Blends impart olive oil flavor at a fraction of the cost, while also providing more stability during the cooking process—especially important due to rising olive oil prices.

FEATURES & BENEFITS

- Provide consumer-pleasing olive oil flavor
- Vegetable oil adds stability to mix
- Variety of blends for a variety of uses
- Olive oil flavor without high cost of pure olive oil
- Substitute anywhere you would use olive oil
- Easily create signature flavors with your own combination of herbs and spices

Give your customers the flavor of imported olive oil and a traditional Italian taste in every recipe you create for them.
