MILANO DAL 1919

December 4, 2018

To Whom It May Concern:

We have examined the following items of jewelry;

A suite of 18 karat yellow gold and diamond jewelry.

The set consists of a necklace, bracelet and ear clips.

The necklace is made with 11 graduated size motifs featuring leaf and fleur de lis designs, each with an old mine cut diamond at the center.

The bracelet features five of the same motif, also with old mine cut diamonds at the center.

The ear clips are a pair of identical motif with diamond centers as well.

The suite has heavy gold patina and weighs a total of 313 grams. The 18 old mine cut diamonds weigh approximately 20+ carats.

Estimated replacement value \$450,000

All pieces are signed Mario Buccellati.
