**NEGOTIATED AGREEMENT
BETWEEN THE VILLAGE OF MOUNT PROSPECT
AND
THE METROPOLITAN ALLIANCE OF POLICE
MOUNT PROSPECT POLICE CHAPTER #84**

PREAMBLE

This Agreement entered into by the Village of Mount Prospect, Cook County, Illinois, hereinafter referred to as the Employer, and the Metropolitan Alliance of Police Mount Prospect Police Chapter #84, hereinafter referred to as the Chapter, to promote mutually beneficial relations between the Employer and the Chapter, and is set forth herein the full agreement between the parties concerning rates of pay, wages and other conditions of employment for bargaining unit members of the Village of Mount Prospect, as defined herein below and hereinafter referred to as "Officers" or "employees", or when the context requires a singular noun, as "Officer" or "employee."

ARTICLE I **RECOGNITION**

Section 1.1. Recognition, Probationary Period & Representation:

The Village recognizes the Chapter as the sole and exclusive bargaining agent with respect to wages, hours and other conditions of employment for employees classified as sworn Police Officers below the rank of Sergeant regardless of job assignment. Employees will serve a probationary period of two (2) years from completion of academy training or from date of hire, if no academy training occurs.

Police Department employees with the rank of Sergeant and above are not part of the bargaining unit which includes Police Officers nor are they covered by the terms of this Agreement. If, by operation of law, rule or regulation, Sergeants and above are required to be included in the bargaining unit covered by this Agreement, such employees shall only be entitled to protection, benefits, or other wages, hours or working conditions of this Agreement where they are specifically named by name, rank, job title or other special identification.

Section 1.2. Fair Representation:

The Union recognizes its responsibility as bargaining agent and agrees to fairly represent all employees in the bargaining unit.

Section 1.3. Gender:

Wherever the male gender is used in this Agreement, it shall be construed to include both males and females equally.

Section 1.4. Chapter Officers:

For purposes of this Agreement, the term "Chapter Officers" shall refer to the Chapter's duly elected President, Vice-President, Secretary and Treasurer.

ARTICLE II

MANAGEMENT RIGHTS

Section 2.1. Management Rights:

It is understood that the management and the direction of the working force is vested exclusively to the Employer except as specified in the other Articles of this Agreement. It is the Employer's right to hire, demote, suspend or discharge; layoff, promote, assign or transfer employees to any job or any work, any time or anywhere; to increase or decrease the working force; to determine the number and size of the work shifts; to determine the number of employees assigned to any work or any job; to determine the hours of work per day or week; to make work rules for the purpose of efficiency, safe practices and discipline; to establish performance standards and to review employees under these standards; to determine the equipment to be used; to make technological changes; to determine the number and location of its operations; to move, close or liquidate its operations in whole or in part; to separate or reassign its employees in connection with said moving, closing or liquidating; the right to transfer; to subcontract work; to determine the duties and production standards; to combine jobs, to eliminate classifications or work; to require overtime work; and to fill new jobs and set a wage rate subject to negotiations over such wage rate.

The rights and powers of management mentioned in this collective bargaining agreement do not list or limit all such powers, and the rights listed together with all other rights, powers and prerogatives of management, not specifically ceded in this Agreement remain vested exclusively in management.

The exercise by management of, or its waiver of, or its failure to exercise its full right of management or decision on any matter or occasion, shall not be a precedent or be binding on management, shall not be the subject or basis of any grievance, shall not be admissible in any arbitration proceeding. The right of management shall not be amended or limited by any claimed or unwritten custom, past practice or informal agreement, nor by any claim that management has claimed, condoned or tolerated any practice or any act or acts of any employees. No practice which has developed, either with or without the consent of the Employer, shall be considered part of this contract unless it is in writing and included in this contract.

Nothing in this Article shall abrogate or alter any other Article of this Agreement.

ARTICLE III
LAYOFF

Section 3.1. Reduction In Force and Reinstatement:

The Village in its discretion shall determine when and whether a reduction in force or reinstatement are necessary. If the Village so determines that these conditions exist, employees covered by this Agreement will be reduced or reinstated in accordance with their length of service with the Village as provided in Illinois Compiled Statutes, 65 ILCS 5/10-2.1-18. All affected Officers shall receive notice in writing of the layoff at least fifteen (15) calendar days in advance of the effective date of such layoffs.

ARTICLE IV

NO STRIKE CLAUSE

Section 4.1. No Strike Clause:

Neither the Chapter nor any officers, agents or employees will instigate, promote, sponsor, engage in or condone any strike, sympathy strike, secondary boycott, slowdown, speed-up, sit-down, concerted stoppage of work, concerted refusal to perform overtime, concerted, abnormal and unapproved enforcement procedures or policies or work to the rule situation, mass resignations, mass absenteeism, or picketing which in any way results in the interruption or disruption of the operations of the Village, regardless of the reason for so doing. Each employee who holds the position of officer or steward of the Chapter occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Chapter agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

Section 4.2. No Lockout:

The Village will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Chapter.

Section 4.3. Judicial Restraint:

Nothing contained herein shall preclude the Village or the Chapter from obtaining judicial restraint and damages in the event the other party violates this Article.

Section 4.4. Discipline of Strikers:

Any officer who violates the provisions of Section 4.1 of this Article shall be subject to disciplinary action and statutory penalties. Any action taken by the Employer against any officer who participates in any action prohibited by Section 4.1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure.

ARTICLE V
COMPENSATION AND HOURS OF WORK

Section 5.1. Compensation:

Compensation of the Police Officers covered by this Agreement of the Village of Mount Prospect shall be paid according to Appendix A attached hereto and by reference incorporated herein. Said compensation shall include base pay, longevity pay and special assignment incentive pay. Said compensation shall be effective January 1, 2017 and any and all retroactive pay shall be distributed to the Officers in a lump sum on or before 30 days after the date of execution of this agreement.

Section 5.2 Duty Shifts and Patrol Work Schedule

Day and Afternoon Shift Work Day: An Officer's duty shift is an eight (8) hour scheduled period of time preceded by a fifteen (15) minute roll call briefing. Each Officer shall take a paid thirty (30) minute break each duty shift whether or not the period is used for food consumption. An Officer who completes a full shift will be credited with eight (8) hours of "time worked" for purposes of calculating premium overtime as required under the Fair Labor Standards Act. If an Officer works a double shift, said Officer will be compensated a full eight (8) hours if he/she works the entire second shift. An Officer called in to work a short shift will be compensated for a full eight (8) hours if the entire shift is worked.

For purposes of calculating the accrual and use of paid time off the parties agree each day shall consist of eight (8) hours, in keeping with the previous conduct of the parties, (i.e. vacation, personal, time due, sick time of any other authorized and paid time off).

Midnight Shift Work Day: An Officer's duty shift is a nine (9) hour scheduled period of time including a fifteen (15) minute roll call briefing. Each Officer shall take a paid thirty (30) minute break each duty shift whether or not the period is used for food consumption. An Officer who completes a full shift will be credited with eight (8) hours of "time worked" for purposes of calculating premium overtime as required under the Fair Labor Standards Act. If an Officer works a double shift, said Officer will be compensated for all hours worked after the termination of the nine (9) hours shift if he/she works the entire second shift. An Officer called in to work a short midnight shift (as defined in Section 5.4) will be compensated for a full (9) hours worked if the entire shift is worked.

For purposes of calculating the accrual and use of paid time off the parties agree each day shall consist of eight (8) hours, in keeping with the previous conduct of the parties, (i.e. vacation, personal, time due, sick time of any other authorized and paid time off).

Annual Shift Assignments: Officers will be assigned to shifts on an annual basis according to the following procedure:

- a. The Chief of Police or his designee will assign probationary officers to rotating shifts until they complete field training except that an assignment of a probationary officer cannot adversely affect another police officer's bid assignment. Thereafter, the Chief of Police or his designee will assign probationary officers to patrol shifts without regard to seniority except that an assignment of a probationary officer cannot adversely affect another police officer's bid assignment. The Parties further agree that probationary employees will be allowed to bid their shift assignment at the next scheduled annual bid after the successful completion of probation.
- b. On or about October 15th of each year the Police Chief or his designee may assign up to three (3) non-probationary officers to shifts in the coming year without regard to their seniority. The Chief of Police or his designee will provide these officers with a written explanation for their assignments.
- c. The Chief of Police or his designee will make the annual shift assignments for officers not included in a. or b. above by seniority and shift assignment preference (as reflected on the annual shift bid sheets). The Chief of Police or his designee will deviate from this procedure when necessary to balance specialties among the patrol shifts, and will utilize seniority and preference when balancing specialties.

Patrol Section Day and Afternoon Shifts Work Schedules: The parties to this collective bargaining agreement agree that the Village shall maintain the current "5/2 - 5/3" work schedule for all Officers assigned to the Day and Afternoon Shifts in the Patrol Section of the Mount Prospect Police Department. Pursuant to this schedule, Officers shall work five (5) days on – three (3) days off – five (5) days on – two (2) days off, with the Officers' days off rotating through the schedule.

As part of the Patrol Section Day and Afternoon Shift work schedules, the Chapter agrees that all affected Officers shall provide forty (40) "payback hours" each year. At the affected Officer's payback hours may be paid back by participating in the following activities:

- Attending off-hours training assignments,
- Working overtime details,
- Attending court, or
- Working additional duty hours when the payback hours are completed by mutual agreement of the Officer and the Chief of Police or his designee.

An Officer will receive a two (2) hour minimum payback for off-hours training

completed on duty days and a four (4) hour minimum payback for training completed on an Officer's regular day off. Routine weapons qualifications sessions will be considered training for purposes of receiving these payback minimums.

The use of call-in time or court time as payback shall include the minimum hours requirements set forth in this agreement.

Payback hours will be completed on a one-for-one basis, regardless of the rate of pay. The Officer and the department shall endeavor to schedule payback hours to be completed as efficiently as possible in activities that accomplish legitimate department purposes. Should an Officer not complete payback hours as set forth in the schedule above, he/she shall forfeit accrued leave time to make up any difference, in the following order; time due (calculated at straight time, hour-for-hour), personal, or vacation or shall be ordered to work additional duty shift hours (calculated at straight time, hour-for-hour).

Patrol Section Midnight Shift Work Schedule: The parties to this collective bargaining agreement agree to implementing and evaluating a "5/3" work schedule for all Officers assigned to the Midnight Shift in the Patrol Section of the Mount Prospect Police Department. Pursuant to this schedule, Officers shall work five (5) days on shift followed by three (3) days off with the Officers days off rotating through the schedule. The workday will be **nine (9) hours**. The Village agrees Officers working this schedule will not be required to provide "payback hours." Both parties agree this Midnight Shift work schedule will be evaluated through the 2018 work year on January 12, 2019. Either party may terminate the evaluation of the "5/3" work schedule and revert to the "5/2 - 5/3" work schedule by providing written notice no later than thirty (30) days before the end of the 2017 patrol year on January 12, 2019. If neither party withdraws from the evaluation, the schedule will remain in effect through the remaining duration of this collective bargaining agreement.

Shift Assignment Grievance Limitations: The only officers who can file grievances to dispute the Chief's shift assignments pursuant to section (b) above will be the three (3) officers assigned pursuant to the October 15th criteria listed in section b. In these cases, the grievants have the responsibility of proving the Chief of Police or his designee made the assignments other than for reasons of realizing a department goal or objective or for a legitimate operational concern of management. These grievances, and these grievances alone, shall be settled according to the following "expedited" grievance procedure:

1. The affected individuals shall file grievances alleging inappropriate shift assignments no later than five (5) business days following said assignment.
2. The Employer shall issue a written response no later than five (5) business days following receipt of the grievance.
3. In the event the Parties are unable to reach a resolution within five (5) business days of the Union receiving the Employer's response the Parties agree that an arbitrator

will be selected pursuant to Article XI, Section 11.2 at Step Four, and a hearing date set within twenty-one (21) days and that the selected arbitrator will be required to issue an award within fourteen (14) days of the completion of the hearing.

Section 5.3. Call Back:

Any Officer covered by this Agreement who is called back to work on an assignment which does not continuously follow an Officer's regularly scheduled working hours shall be compensated a minimum of two (2) hours for each call back from the time when the Officer receives notice to return to work or the actual time worked, whichever amount is greater.

In the event that an employee is off duty and is called back to duty, said employee shall be paid at the hourly rate of one and one-half (1 1/2) time the employee's regular hourly rate of pay, and shall be paid a minimum of two (2) hours compensation. There shall be no pyramiding in calculating premium pay.

Section 5.4. Overtime:

Consistent with Section 5.2 above, each Officer covered by this Agreement shall be compensated for all hours worked in excess the Officer's scheduled shift per work day at the rate of time and one-half (1 1/2) the regular hourly rate of pay. Overtime is paid in quarter (1/4) hour increments with seven (7) minutes being rounded down and eight (8) minutes rounded up. For purposes of this Section, every Officer covered by this Agreement shall begin to earn overtime pay after working in excess of 7.5 minutes after the end of his/her shift.

When overtime assignments for full "SHORT SHIFTS" (defined as a full duty shift which is below minimum manpower standards and requires the continuation of an on-duty Police Officer covered by this Agreement) are not filled on a voluntary basis and it becomes necessary to order an Officer to work, the Officer shall be chosen by reverse seniority. Provided, however, no Officer shall be ordered to work more than one (1) shift holdover within three (3) consecutive calendar days unless the Officer agrees to do so. It is also agreed that the Chief of Police or his designee may deviate from these standards when they believe unusual circumstances exist or particularly qualified Officers are necessary.

Section 5.5. Hours Worked:

"Hours worked" for purposes of calculating overtime or any other benefit shall include all hours actually worked and any paid leave of absence which shall include but shall not be limited to Sick Leave, Vacation Leave, Holiday Leave, Compensatory Time Off and any other authorized paid time off.

Elective medical procedures that would require sick leave off due during key recognized holiday periods of Fourth of July, Thanksgiving, Christmas, and New Years will not be granted unless sufficient manpower is available to cover these periods.

Section 5.6. Court Time:

Employees shall receive time and one-half (1 1/2) for all Court time, and shall be paid for a minimum of three (3) hours per Court call; once in the morning and once in the afternoon if so scheduled. An Officer assigned to a specific Court call that continues on into another scheduled Court call will be paid at the time and one-half (1 1/2) rate for actual time in Court but shall not be entitled to an additional three (3) hour minimum. If a morning Court is continued to the afternoon call for a lunch break, the Officer will be paid overtime through the lunch break until completion of the original call. If a morning case is reassigned to the afternoon call by the Judge, a second three (3) hours minimum will be paid.

Officers working the day shift who are in Court when, and after, their shift ends shall receive overtime and not a three (3) hour minimum.

Midnight shift officers attending court will receive the three (3) hour minimum court time benefit unless they are required to return to responsibilities connected to his/her duty shift responsibilities, afternoon shift officers attending court will receive the three (3) hour minimum court time benefit.

Officers reporting to a Court location other than the location normally assigned, shall have paid time computed when they sign out at the police headquarters if they are using a Village provided vehicle; further they shall be eligible for necessary and reasonable out-of-pocket expenses (i.e. parking, mileage) to travel to such different courts (e.g., Chicago). It is understood the Rolling Meadows Court is deemed a normal assignment. At remote court locations, overtime starts at sign in, just as at the Rolling Meadows court location, unless a Village provided vehicle was utilized by the affected Officer.

Section 5.7 Special Assignments:

Special assignments shall be compensated at the rate of \$45 per hour effective on the date of ratification of this Agreement. Any change in payment amount will be applied at the time of the actual work performed. Special assignments shall be equalized. The Village agrees that should it decide to charge an administrative fee in connection with these special assignments said fee shall be reasonable.

Section 5.8 Travel Time Compensation:

As to travel time, the Village agrees to compensate members for travel required by the department, which shall require travel to a point in excess of 150 miles from Mount Prospect (to include Champaign, Urbana) or those instances where the member is required to remain away overnight.

Section 5.9 Time-Due/Compensatory Time:

Employees may opt to have overtime and/or Court time placed on the individual Time Due Records at the rate of time and one-half (1 1/2) in lieu of monetary payment on the payroll check. Exception: Outside details in which the Village is receiving reimbursement at a flat rate or actual time and one-half (1 1/2) rate must be taken by the individual as monetary compensation on the payroll check.

The Department will allow a maximum of forty (40) hours to be carried over to the next calendar year without loss. Officers with an excess of forty (40) hours on the Time Due Book as of January 1 each year, will receive cash-in payment, such payment shall be included no later than the officer's first regular payroll check in February. Shift Supervisors will take the steps necessary to ensure adequate manpower for their shift prior to approving time due.

Section 5.10. Exchanging Shift Assignments:

Officers requesting to switch days off or switch duty tours with other Officers must submit written requests at least forty eight (48) hours in advance of the first scheduled change, absent emergency conditions. Emergency switches must carry the authorization of the Chief of Police or Deputy Chief or his designee. Switches must carry the approval of the supervisors of all shifts affected by the change. The requests shall not be honored if granting such a request would adversely affect police department operations.

Section 5.11. Meetings:

Any Officer required to be at a mandatory meeting which immediately proceeds or follows his regularly assigned duty shift shall be compensated for a minimum of two (2) hours at time and one-half the Officer's hourly rate of pay. Any Officer covered by this Agreement required to be at a mandatory meeting on his/her day off shall be compensated for a minimum of two (2) hours at time and 1/2 the Officer's hourly rate of pay or four (4) hours straight time due. Said compensation payment to be at the Officer's discretion.

Section 5.12. Work Breaks:

Breaks may be taken at the discretion of the Supervisor. The Supervisor shall ensure that adequate coverage exists at all times during break periods. The Break period is considered on-duty time and personnel are considered to be available for any assignment during any break period, including all routine calls within their beat.

ARTICLE VI

Section 6.1. Fair Share:

During the term of this Agreement, Police Officers who are not members of the Chapter shall, commencing thirty (30) days after the effective date of this Agreement, pay a fair share fee to the Chapter for collective bargaining and contract administration services tendered by the Chapter as the exclusive representative of the Officers covered by this Agreement. Such fair share fee shall be deducted by the Village from the earnings of non-members and remitted to the Chapter each month. The Chapter shall annually submit to the Village a list of the Officers covered by this Agreement who are not members of the Chapter and an affidavit which specifies the amount of the fair share fee, which shall be determined in accordance with the applicable law. Any employees objecting to the deduction of dues from their wages shall have the option of exercising their rights under the applicable Illinois law concerning objections to dues deductions and subsequent fair share fee calculations.

Section 6.2. Dues Deductions:

Such money shall be placed in the Mount Prospect Police Chapter's account at a bank designed by the Chapter. Said funds shall then be submitted to the Metropolitan Alliance of Police at the end of each month.

Section 6.3. Indemnity:

Section 6.4 Bulletin Boards

The Village shall provide the Chapter with designated space on available bulletin board(s), upon which the Chapter may post its official notices.

Section 6.5 Labor-Management Meetings

The Chapter and the Employer agree that, in the interest of efficient management and harmonious employee relations, meetings will be held if mutually agreed between Chapter representatives and responsible administrative representatives of the Employer. Such meetings may

A family member is defined as a spouse, child, stepchild, mother, father, sibling, mother-in-law, father-in-law, grandparent, or stepgrandparent. The parties further agree that upon request of the Chief of Police or his designee the employee must provide explanation or verification of family emergency, including proof that his/her presence was necessary. These hours shall be earned on a monthly basis, so that beginning with January of each year each employee on full-time active duty shall be credited with eight (8) hours sick leave at the end of the month.

As to questions raised concerning sick leave, employees may be required to obtain a medical release before returning to work after being off from work for three (3) or more consecutive working days for their personal illness.

In those instances where the Village finds it necessary, based on reasonable suspicion, to verify an illness, they will visit the home only after making a call and getting no response. They reserve, however, the right to use other procedures to, in fact, verify the reported illness, if necessary, but in so doing to attempt to recognize the dignity and rights of the parties involved.

Said time off shall not be charged to an employee's accrued time off. ARTICLE XI

GRIEVANCE PROCEDURE

Section 11.1. Definition:

A grievance is a difference of opinion between an employee and the Village with respect to the meaning or application of the express terms of this Agreement excluding matters within the jurisdiction of the Board of Fire and Police Commissioners.

Section 11.2. Procedure for Grievance:

Recognizing that it is to the benefit of all concerned to raise and settle grievances promptly, a grievance must be raised within five (5) days (as defined in Section 11.6) of the time the grievant becomes aware of the facts giving rise to the grievance.

STEP ONE: The employee, with or without a Chapter representative, may take up a grievance with the Watch Commander within five (5) days of its occurrence. The Watch Commander shall then attempt to adjust the matter and shall respond within five (5) days after such discussion. If the grievance is adjusted at Step One, the Supervisor shall notify the Chief and Chapter representative in writing within ten (10) days thereafter the nature of the grievance and its resolution.

STEP TWO: If not adjusted in Step One, the grievance shall be reduced to writing and presented by the Chapter to the Chief of Police within ten (10) days following the receipt of the Watch Commander's answer in Step One. The Chief of Police shall attempt to adjust the grievance as soon as possible, and therefore will schedule a meeting with the employee, his/her immediate Supervisor or Watch Commander, and Chapter Representative within ten (10) days after receipt of the grievance from the Chapter. The Chief of Police shall then render a decision, based on the supplied information during the meeting, within ten (10) days of the meeting.

STEP THREE: If the grievance is not adjusted in Step Two, the grievance shall be submitted to the Village Manager or his designated representative within five (5) days of the receipt from the Chief of Police of his response to the Step Two procedure. A meeting shall be held at a mutually agreeable time and place and participants shall discuss the grievance and hopefully come to an equitable solution. If a grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the Village Manager, or his designated representative, shall give the Chapter the Employer's answer within ten (10) days following their meeting.

STEP FOUR:

- a. If the Chapter is not satisfied with the decision of the Village Manager, the Chapter may appeal the grievance to arbitration by notifying the Village Manager in writing within ten (10) days after receipt of the Village Manager's response in Step 4. Within ten (10)

days of receipt of such request the Chapter and/or the Village shall request a list of seven (7) arbitrators who shall be members in good standing of the National Academy of Arbitrators from the Federal Mediation and Conciliation Service (FMCS). Both the Village and the Chapter shall have the right to strike three (3) names from the panel. The order of alternate striking shall be determined by a coin toss, with the losing party starting by striking a name first. The person remaining shall be the arbitrator. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. The arbitrator shall fix the time and place of the hearing which shall be as soon as possible after his selection subject to the reasonable availability of Chapter and Village representatives.

The Arbitrator shall be notified of his selection and shall be requested to set a time and place for the hearing subject to the availability of Chapter and Village representatives.

The Village and Chapter shall have the right to request the Arbitrator to require the presence of witnesses or documents. Both parties may retain the right to employ legal counsel.

- b. The power of the arbitrator shall be limited to the interpretation and application of the written terms of this Agreement. In no event may the terms and provisions of the Agreement be deleted, modified or amended by the arbitrator. He shall consider and decide only the specific issue raised by the grievance as originally submitted in writing to the Village, and shall have no authority to make his decision on any issue not so submitted to him. The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension. In the event the arbitrator finds a violation of the Agreement, he shall determine an appropriate remedy. The decision of the arbitrator shall be final and binding on the parties. No decision or remedy of the arbitrator shall be retroactive beyond the period specified in Step 1 of this grievance procedure.

Section 11.3. Fees and Expenses of Arbitration:

The fee and expenses of the arbitrator and the cost of the written transcript, if requested by both parties, shall be divided equally between the Village and the Chapter provided, however, that each party shall fully bear the expense of preparing and presenting its own case including the costs of witnesses and other persons (not employed by the Village) it requires to attend the arbitration. Should only one party request a transcript, that party shall pay for the cost of the transcript.

Section 11.4. General Rules:

- a. Any decision not appealed by the employee or the Chapter as provided within the time limits specified in each step shall be considered settled on the basis of the latest decision

and shall not be subject to further appeal. Any grievance not answered within the time limits specified in each step shall be automatically appealed to the next step. However, time limits at each step may be extended by mutual written agreement of the Chapter and the Village.

- b. No matter or action shall be treated as a grievance unless a grievance is filed in accordance with this Article.
- c. No grievance settlement made as a result of the grievance procedure shall contravene the provisions of this Agreement.

Section 11.5. Notice of Union Representation:

The Chapter shall certify to the Village the names of those officers who are designated as unit representatives. These officers shall be the only employees authorized to function as representatives on each respective shift and division.

Section 11.6. Definitions:

Days, as referred to in this Article, shall mean Monday through Friday, excluding holidays and weekends.

Section 11.7. Miscellaneous Grievance Provision:

All grievances shall set forth the specific grievance and contract provisions involved as well as the relief sought. All meetings shall take place in a manner which does not interfere with Village operations. Neither the grievant nor his representative shall be entitled to any overtime payments for time spent in processing or investigating a grievance.

ARTICLE XII **DISCIPLINE**

Section 12.1. Procedure of Discipline:

If the Village has reason to discipline an employee, it will take into consideration methods to do so which would not unduly embarrass the employee before other fellow employees or members of the public.

Section 12.2. Jurisdiction of Fire and Police Commission:

Disciplinary action or termination is subject to the jurisdiction of the Board of Fire and Police Commissioners according to the applicable State law. A copy of any written disciplinary action shall be provided in writing to the employee. It is understood that in the event the Commission, for any reason, ceases to have jurisdiction over disciplinary action or termination, the parties agree that Article XI, Grievance Procedure, shall be applicable for resolving issues or disputes relating to just cause discipline.

Nothing in the article, however, shall be construed in such a manner as to make the reprimand, suspension or discharge of a probationary officer the subject of a hearing before the Board of Fire and Police Commissioners, or part of the Grievance Procedure.

Disciplinary action given by or approved by the Board of Fire and Police Commissioners may be subject to the Grievance Procedure of the Agreement at Step 4 based on conditions set forth below. Upon receipt of a notice of disciplinary action, the employee (with approval of the Union) may elect to appeal a disciplinary action involving a suspension or dismissal by filing a written grievance at Step 4 of the Grievance Procedure not later than 10 days from the date of the disciplinary action given by or approved by the Board of Fire and Police Commissioners. The suspension or discharge shall be in effect while the grievance is pending.

If a decision is made to have the appeal heard through the Grievance and Arbitration Procedure, the grievance shall be filed in a written form. Any such appeal shall be signed by the Union President or his designee and shall also contain a signed statement from the affected employee waiving any and all rights he may have to any further appeal of the discipline of the Board of Fire and Police Commissioners pursuant to the Administrative Review Act or other legal recourse. If the arbitrator determines after hearing that the disciplinary action is not supported by just cause, the arbitrator shall have the authority to rescind or to modify the action and order that the employee be made whole for any losses incurred as a result of wrongful disciplinary action. In the event that the arbitrator modified the disciplinary action by awarding a suspension or a shorter suspension, he shall have the authority to award a payment of partial back pay that is consistent with the length of any such reduced disciplinary action. Any disciplinary grievance filed without the required signed waiver shall not be subject to arbitration and the arbitrator shall be without jurisdiction to consider or rule upon it.

Section 12.3. Written Reprimand:

In cases of written reprimand, notation of such reprimand shall become a part of the employee's personnel file and a copy given to the employee.

Section 12.4. Purge of Personnel File:

Any written reprimand shall be removed from the employee's record, if, from the date of the last reprimand, eighteen (18) months have passed from the date of the incident resulting in the written reprimand sought to be purged without the employee receiving any additional reprimands or disciplines. The parties agree that the removal of reprimand shall be on the written notice of the affected employee. Notwithstanding the above, record of such discipline may be introduced when relevant at a disciplinary proceeding before the Board of Fire and Police Commissioners or arbitrator, whichever is applicable.

Section 12.5. Personnel File:

The Village agrees to abide by the lawful requirements of the "Personnel Record Review Act," contained in Illinois Compiled Statutes, 820 ILCS 40/1.

ARTICLE XIII
INVESTIGATIONS CONCERNING OFFICERS

Section 13.1. Right to Investigate:

The Village agrees to abide by the lawful requirements of the Illinois Compiled Statutes 50 ILCS 725/1.

Section 13.2. Right to Representation:

Any Officer interviewed regarding any matter which may result in discipline against the Officer shall be entitled to representation by either a Union representative or Union attorney.

ARTICLE XIV

HOSPITALIZATION AND LIFE INSURANCE

Section 14.1. Hospitalization:

The Village agrees to maintain in full force and effect for the life of this Agreement, a health insurance benefits program for full-time employees. The Village agrees to pay any and all increases in premiums for the current benefits program during the term of this Agreement. Notwithstanding anything contained herein, the Village may alter its health insurance plans to meet the requirements of the Patient Protection and Affordable Care Act ("Act") (including by example, but without limitation, the imposition of a tax on the Village due to the amount paid by the Village for its health plan as so-called "Cadillac" plan.) The Village retains the option to obtain alternative health coverage that is substantially similar to the existing plan in an effort to reduce costs and avoid the "Cadillac" tax. If the Village is unable to obtain an alternative health insurance plan to avoid the tax the Village and the Union shall meet to discuss and bargain over the impact of opportunities to avoid the "Cadillac" tax.

Further it is expected that under this Act, beginning in 2014, various federal health care reform mandates may impact the Village's existing health insurance care plans, and certain health insurance exchanges will be offered as an alternative to the Village's existing health care plan. The Village and the Union shall meet to discuss and bargain over the impact of that alternative coverage and the applicable federal health care mandates on the Employer's existing health insurance plan and the costs related hereto.

Each employee, upon becoming eligible for the above coverage, shall receive a policy and descriptive literature describing the health insurance benefits and the procedures for utilizing them. Employee's contribution towards the insurance benefits program shall be as follows:

The co-pay amounts for employees apply to both the PPO/indemnity and HMO insurance programs. Employees who participate in the HMO will receive insurance coverage as dictated by the HMO provider.

The co-payment level is established at 90% employer paid and 10% employee paid for services rendered by a service provider who participates in the PPO.

Human Resources has the listing of the approved remote locations, in the instances when the employee and spouse cannot directly participate in the blood draw scheduled at the Village. Spouses must also participate in the biometric testing and meet the criteria established below to order to qualify for the family insurance premium discount.

The biometric test consists of a 37-panel evaluation including coronary risk assessment, blood count, and chem-screen profile. The purpose of the biometric test, blood pressure screening, body mass index and health risk assessment is to alert participants at an early stage of possible health issues and to prevent the issues from becoming catastrophic illnesses. The results are strictly confidential and mailed directly to the participant's home address on file.

Wellness discounts will apply annually provided the criteria above is met. The Village agrees to offer for purchase to all retired bargaining unit employees of the Village of Mount Prospect Police Department, with a minimum of twenty (20) years service to the Village, health insurance as currently provided to members covered by this Agreement. The parties agree that should a retired employee choose to continue his/her health insurance, he/she is eligible only for the then current benefits provided bargaining unit employees, and that retiree is also responsible for payment of one hundred percent (100%) of the premiums for those benefits. The parties agree that retired employees of the Village of Mount Prospect Police Department shall be subject to changes in coverage and benefit levels as negotiated from time to time between the Employer and the Chapter.

Section 14.5 Retiree Health Savings Plan

Upon retirement, employees who meet the eligibility requirements and have accumulated Sick Leave must participate in the Retiree Health Savings (RHS) Plan. Eligibility for participation is defined as an employee who retires with at least twenty (20) years of service with the Village.

Provided the employee is eligible to participate, the Village shall deposit up to four hundred and eighty (480) hours or sixty (60) days of sick leave converted to a dollar value using the employee's regular rate of pay into the RHS (herein referred to as "Trust") for the employee's use as defined by the regulations outlined by the Trust administrator. If an employee has accumulated sick leave hours above the four hundred and eighty (480) hours, but below the

seven hundred and sixty-eight (768) maximum number of sick leave hours, the Village shall deposit into the employee's Trust account fifty (50)% of the value of the sick leave hours between four hundred and eighty (480) and seven hundred and sixty-eight (768) calculated on the employee's regular hourly rate of pay.

If an employee leaves the Village's employment, and does not meet the eligibility requirement for converting sick leave into the Trust, accumulated sick leave hours shall not be paid out at time of termination of employment for any reason.

Section: 14.6 Personal Physical Fitness Testing

The Mount Prospect Police Department will conduct bi-annual voluntary physical fitness testing. This testing will be based on the Cooper Model, also known as the POWER Test, as used by the State of Illinois basic training academies. Employees who meet or exceed the Cooper Fitness Standards shall receive a one-time eight (8) hour bonus per calendar year at their straight time pay rate as an incentive. No employee shall be subject to disciplinary action for failing to meet the standards or goals of the physical fitness program described herein.

If necessary, an Officer may participate in two bi-annual voluntary physical fitness tests per year, and if otherwise would be off duty, the officer shall be compensated at a minimum of two (2) hours at their straight time pay rate, or for the actual hours in attendance, whichever is greater. The maximum payout of straight time awarded in any calendar year will be eight (8) hours.

Section 14.7 Section 125/Flex Plan Participation

The Village shall maintain a Flexible Compensation Plan whereby employees will be able to defer pre-tax earnings into individual spending accounts to be used for un-reimbursed medical expenses, dependent care costs up to a specified limit, and additional life insurance (provided such is applicable under IRS regulations). Employees shall elect to participate in the program annually and within thirty-one (31) days of hire for new employees.

ARTICLE XV
DRUG AND ALCOHOL TESTING

Section 15.1 Drug and Alcohol Testing

The Village may require employees to submit to a urinalysis test and/or other appropriate drug and/or alcohol testing at a time and place designated by the Village, provided that, in the opinion of the Police Chief or his designee, there is sufficient cause for such testing, defined for purposes of this section as "reasonable and articulable suspicion". Said suspicion will be documented in a written report within twenty-four (24) hours of the employee being subjected to the test, with a verbal explanation of the primary reason(s) for suspicion being provided prior to the employee's submission to the test. .

The Village may also require employees to participate in random drug and alcohol testing, provided that any such program shall be administered by a vendor who conducts U.S. Department of Transportation testing (i.e. the type of testing outlined in 49 CFR, Part 40). Such outside vendor shall be asked to randomly test employees so that, on average, up to fifty-percent (50%) of the employees in the bargaining unit are tested in each calendar year.

Tests shall be immediate result (results generally available within thirty (30) minutes) or delayed result tests. In the event of a positive result on an immediate result test, or at the time of any delayed result test, the employee may request that a blood sample be taken so that a blood test can be performed to verify any positive initial test result. All test results shall be submitted to the Police Chief and/or his designee for appropriate action.

Prohibition. Use, sale, purchase, delivery, or possession of illegal drugs at any time and at any place, whether on or off the job; abuse of prescribed drugs; failure to report to the Chief or his designee any known adverse side effects of medication or prescription drug the employee is taking that is reasonably expected to affect the employee's performance; consumption or possession of alcohol while on duty; or being impaired by or under the influence of alcohol while on duty shall be grounds for discipline. Officers who consume or possess prohibited substances as part of their legitimate work duties, which have been approved and directed by the Chief of Police or his non-bargaining unit designee, will not be subject to discipline.

Assistance. Officers who believe they may have a problem with the use or abuse of drugs and/or alcohol are encouraged to seek appropriate treatment and, when appropriate, request a reasonable accommodation (including time off for treatment, medical attention, and/or other reasons pursuant to applicable Village policy and law) without fear of retaliation or discipline provided no policy, CBA provision or SOP violation occurred prior to seeking and/or requesting assistance. It is understood an after the fact request for assistance will not excuse a prior policy, CBA provision and/or SOP violation.

ARTICLE XVI
DISABILITY AND RETIREMENT BENEFITS

Section 16.1. Employee Disability:

Any employee injured on the job shall continue to receive his/her regular salary for up to one (1) year, without charge to his/her sick leave days. Employees shall sign and deliver any Workers' Compensation or similar payments to the Village while receiving the salary continuation benefits of this Article.

At such time as the Village feels an employee is permanently disabled, the Village may refer the matter to the Board of Fire and Police Commissioners or a designated arbitrator depending on which party retains authority for such determinations.

ARTICLE XVII

UNIFORM BENEFITS

Section 17.1. Benefits:

The Village agrees to provide each employee with a uniform allowance as follows:

\$650 shall be provided to the employee on their first regular payroll check in June each effective year of this agreement.

The Village will determine the style and make of the prescribed uniform and equipment.

To the extent that uniforms and equipment, in the opinion of the Village, become unserviceable in the line of duty, other than from normal wear and tear, the Village will replace the item without any charge against the uniform allowance.

The parties agree that a newly hired Officer shall be allowed to receive his/her first two (2) years' uniform benefit upon hire for the purpose of purchasing his/her initial equipment. That benefit shall be an amount equal to two (2) years of the current uniform allowance provided that the officer will not receive a uniform allowance in the second year of their employment once the employee received the initial uniform allowance or the cost to buy uniforms and equipment, whichever is lower. Should the Officer work for the Village of Mount Prospect for less than two (2) years, he shall be responsible to reimburse the Village of Mount Prospect on a prorated basis, for the remaining full months of the two (2) year period. Should a new Officer elect to receive the first two (2) years accelerated uniform benefit, he shall not receive any benefit until he commences the third year of employment with the Mount Prospect Police Department.

The employee shall be required to stand inspection and perform his job in the uniform prescribed with the equipment specified. Plainclothes Officers will stand inspection in the uniform prescribed at the time they went on plainclothes detail. If the uniform is changed, the Village shall buy the first issue (which shall not exceed one), unless the Village allows a twelve (12) month period between notice and mandatory effective date in which case the employee shall bear the expense of the change.

Guns and leather shall be treated specially. If the Village specifies a new gun or leather for the future and specifies an effective date, it must bear the cost. If, however, no date is established, all new employees shall buy the prescribed equipment and any employee buying a replacement gun or leather shall buy the prescribed items.

If an employee terminates employment within six (6) months of receipt of his or her uniform allowance payments, the employee shall reimburse the Village on a prorated monthly basis for the remaining full months of the fiscal year.

Section 17.2. Protective Vests

The Employer agrees that it will replace protective vests for participating Officers on an as-needed basis using a five (5) year schedule based on the dates reflected in Appendix "B" attached hereto and incorporated herein. The parties further agree that if the Village purchases a protective vest for an Officer covered by this Agreement, then that Officer agrees that he/she shall wear that protective vest as part of his/her everyday uniform unless the affected Officer receives a written exception from the Chief or his designee.

ARTICLE XVIII
OFF DUTY EMPLOYMENT

Section 18.1. Employment Outside Department:

The Parties agree that the current restrictions placed on outside employment shall remain in full force and effect during the term of this Agreement, as provided for in Department policy ADM-104.

ARTICLE XIX
SENIORITY

Section 19.1. Seniority:

The parties agree that they shall abide by the seniority rules as outlined under applicable Illinois law as amended.

Section 19.2. Maintenance of Seniority List:

A current and up-to-date seniority list showing the names and length of service of each Police Officer shall be maintained for inspection by members and shall be updated on a semi-annual basis and shall be utilized in assisting the assignments of shifts pursuant to Section 5.2 of this agreement.

ARTICLE XX
BOARD OF FIRE AND POLICE COMMISSIONERS

Section 20.1. Board of Fire and Police Commissioners:

The parties recognize that the Village of Mount Prospect Board of Fire and Police Commissioners has certain statutory authority over employees covered by this Agreement, including but not limited to the right to make, alter and enforce rules and regulations and impose disciplinary sanctions. Nothing in this Agreement is intended in any way to replace and diminish any such authority provided the Board of Fire and Police Commissioners is a duly authorized board by the Village.

ARTICLE XXI
MATERNITY LEAVE

Section 21.1. Maternity Leave:

Whenever a female Officer becomes aware that she is pregnant, she will notify her immediate Supervisor at which time the Department shall make the assignments it deems appropriate based on relevant medical data and available relevant work.

The determination as to when a pregnant Officer should commence maternity leave prior to delivery will be made on a case by case basis, based on medical necessity and in accordance with Illinois Statutes.

After an Officer has used all accumulated sick time, time due, and personal time, said Officer shall be placed on disability leave. Said Officer is then eligible to apply for disability benefits under pension rules.

If directed to wear a uniform by the Supervisor, said Officer shall comply to a maternity type uniform acceptable to the Department. Said Officer shall be responsible for the costs of said maternity uniform.

ARTICLE XXII
Family Medical Leave (FMLA)

Section 22.1. Family Medical Leave (FMLA):

It is understood by the parties that the Village must comply with the regulations of the Family Medical Leave Act, as amended regardless of conflicting terms of this Agreement.

ARTICLE XXIII
SAVINGS CLAUSE

Section 23.1. Savings Clause:

In the event any Article, Section or portion of this Agreement should be held invalid and unenforceable by any board, agency or Court of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specifically specified in the board, Court or agency decision; and upon issuance of such a decision, the Village and the Chapter agree to notify one another and to immediately begin negotiations on a substitute for the invalidated Article, Section or portion thereof.

ARTICLE XXIV
ENTIRE AGREEMENT

Section 24.1. Entire Agreement:

This Agreement constitutes the complete and entire Agreement between the parties and concludes collective bargaining between the parties for its term. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, which conflict with the express terms of this Agreement. If a past practice is not addressed in this Agreement, it may be changed by the Employer as provided in the management rights clause, Article II. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or ordinance from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. The Chapter specifically waives any right it may have to decision, impact or effects bargaining for the life of this Agreement.

ARTICLE XXV
TERMINATION

Section 25.1. Termination:

This Agreement shall be effective as of the day after it is executed by both parties and shall remain in force and effect until December 31, 2019. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing at least sixty (60) days prior to the anniversary date and not earlier than one hundred twenty (120) days prior to expiration that it desires to modify this Agreement. In the event that such notice is given, negotiations, if any, shall begin no later than sixty (60) days prior to the expiration date.
