

Ultra-High Speed Dual USB Charger with 15A Duplex Tamper Resistant Receptacle Interchangeable Face Cover

Model No: 61501-TR2USB-1A1C

Description

The 61501-TR2USB-1A1C USB Charger/Tamper-Resistant Receptacle offers one Type A and one Type C charging port and duplex Tamper-Resistant Receptacles. This device is able to deliver the optimum current accordingly to the device types and models attached, and charge any two devices up to 5.8 Amp charging capacity simultaneously, including smart phones, tablets, USB Type C enabled device, cameras, etc. The USB Type C port is reversible and no up or down orientation. The receptacle is back and side wired for broad compatibility with diverse wiring needs. The product can fit in any standard in-wall outlet box. All you will need is a USB cable to connect to one of the two USB ports.

Features

- USB Type C port with a super high-current power of Max 2.0Amp, 5VDC, and 5.8 Amp in total
- Charge the most compatible electric devices directly without an adapter
- Tamper-Resistant Shutters are compliant with 2011 NEC Article 406.12 for tamper-resistant receptacles
- Replace a standard duplex receptacle
- Back and side wire for easy installation
- Interchangeable Color Face Cover
