THE ATLANTIC LINE Veal Cutlets are produced by **Atlantic Veal & Lamb**, a Brooklyn based, family-owned business for three generations. As proprietors of our own feed plants, calf-raising barns and butchery, we are the only veal company that produces our product lines from start to finish—giving us total control over all production. With two USDA facilities, we are committed to meeting the highest animal welfare standards and to maintaining our old-world values. Our unique blend of modern technology and state-of-the-art facilities combined with old-fashioned handcrafted techniques are what have established **Atlantic Veal & Lamb** as the leader in the industry.
