

## LOBMEYR BALLERINA

### DESIGNER

Paul Wieser, 1992

### MANUFACTURER

Lobmeyr

### DESCRIPTION

This drinking set, designed by Paul Wieser in 1992, conveys the idea of “enjoying the lightness of life on tiptoe.” Guidelines drawn up by sommeliers helped to find the perfect shape for the bowl. The generous, slender stems place every beverage in the foreground for better enjoyment.

The elegant lines of the Ballerina Glass & Decanter Collection results from the timeless and pure lines of Paul Wieser's drawings combined with the Muslin crystal mastery developed by Lobmeyr in the 1850s.

The service includes a complete set of wine, water and champagne glasses as well as two wine decanters.
