

# Buttery Blends

**A deliciously smooth and creamy butter alternative, made with a blend of pure vegetable oil and high quality, pure dairy milkfat.**

## APPLICATIONS

Great for:

- Baking
- Cooking
- Sautéing
- Grilling
- Condiment

Buttery Blends provide the best of both worlds—a buttery flavor profile with the cooking ease and health benefits of margarine—at a cost significantly less than butter alone.

## FEATURES & BENEFITS

- Cost-effective alternative with flavor profile of butter
- Cooking forgiveness of margarine for less scorching, smoking or off-flavor
- Positive impact on nutritional statements, with margarine's healthier composition
- Variety of blends to meet various cooking needs
- Significant price savings over butter
- Non-PHO
- Kosher dairy

*Appeal to your customers, who are looking for foods with healthier fat content that still taste great.*

# Buttery Blends

- BUTTERY BLEND 2%**  
Rich-tasting, cost-effective blend, for baking, frying, grilling, sautéing and as a bread spread
- BUTTERY BLEND 20%**  
Creamy blend, ideal for sautéing, grilling, baking, melting, sauces and as a spread or topping for potatoes, vegetables and more
- BUTTERY BLEND 60/40**  
Higher milkfat blend with buttery smooth appearance and sweet creamy taste, for virtually any application where butter has traditionally been used
- BUTTERY BLEND 90/10**  
European-style blend, excellent butter replacement for Danish, cookies, pie crusts, pastries, toppings and more
