Notwithstanding the provisions of **STEP 3**, the parties may agree in writing to extend any of the time limits set forth in **STEPS 4 and 5** of the grievance procedure.

- A. In all other circumstances, management's failure to respond within the established time limits shall automatically advance the grievance to the next step.

For time spent in adjusting grievances when the employee is off duty will not be considered time worked and the employee will not be compensated. 25 Workdays (2.083 Accrual Rate) After Sixteen (16) Years continuous Service

Vacations will be chosen according to seniority. The number of employees allowed on vacation at one time shall be determined by the Chief or his designee and shall not be affected by the availability of supervisors. The approval of block weeks and singular days will not be contingent upon the availability of any civilians. There shall be only 4 patrolmen allowed to be on vacation, in any combination of block weeks and singular vacation days, per shift, per day.

**Block Weeks:** All vacation block weeks will be chosen by seniority each January 1 of every year. Once a member is advised by a supervisor that it is his turn to pick, the member will have 3 days from the date advised to submit the vacation week request. Members not choosing vacation block weeks during the 3-day limit will result in their choices being bypassed by the next senior member selecting. Once a block week has been selected and approved, the approval is final.

- A. Vacation block weeks will run from Saturday to Friday.
- B. A vacation block week will consist of 5 vacation days within the block.
- C. Vacation block weeks will take precedence over singular vacation days, personal days, swaps, etc.
- D. A maximum of 2 weeks (10 vacation days) may be taken at one time.

10 Workdays (.83333 Accrual Rate) = 5 days may be used as singular vacation days.  
15 Workdays (1.25 Accrual Rate) = 7 days may be used as singular vacation days.  
20 Workdays (1.6666 Accrual Rate) = 10 days may be used as singular vacation days.  
25 Workdays (2.083 Accrual Rate) = 10 days may be used as singular vacation days.

A singular vacation day may be taken by not more than two members per shift, per day (on their scheduled shift), provided that on the requested day no more than two members on the same shift are on a vacation day of their block vacation week. If officers are on a normal day off during their block week vacation, up to two singular days may be approved per shift, per day, for a total of four (4) patrolmen allowed to be on vacation.

- A. - A written request for the desired vacation day is to be given to the Chief or designee not less than two (2) days nor more than fifteen (15) days prior to the date of such vacation day. However, approved singular vacation days can be superseded at any time by a block week vacation, since block weeks take precedence over singular vacation days and to ensure there will be only 4 patrolmen at one time, in any combination of block weeks and singular vacation days, on vacation leave per shift, per day.
- B. The 2-day notice period may be waived at the discretion of the Chief or designee.
- C. If more than one employee requests a singular vacation day for the same day and shift, the members with more Department seniority shall be entitled to the day off, unless the day off has already been approved for the less senior officer.

  - 3. The maximum amount of time coming which may be accrued is based on the emergency situation during the week; however, such time shall be taken within the same or following week of being earned. Requests for compensatory time shall follow the same form as for overtime and shall be submitted to the appropriate Bureau Commander or designee for prior approval.
- B. **Full-Time Employees:** Full-Time employees (other than Uniform Field Operations Bureau personnel), shall earn compensatory time off at the rate of one and one-half (1 1/2) hours for every hour worked on overtime. A maximum of twenty-four (24) hours compensatory time may be accumulated.
  - 1. A maximum of eight (8) hours may be taken at one time and shall not be taken on consecutive days, except at retirement or transfer and then only upon approval of the Bureau Commander. All compensatory time off shall be taken within six (6) months of being earned.
  - 2. Requests for compensatory time shall follow the same form as for overtime and shall be submitted to the appropriate Bureau Commander or designee for prior approval.

3. Employees transferring to the Uniform Field Operations Bureau shall take all accrued compensatory time upon transfer.

### **LONG TERM DISABILITY COVERAGE**

**Part-Time Employees:** Part-Time employees are not eligible for Long Term Disability Coverage.

**Full-Time Employees:** Full-Time employees covered by this Agreement are eligible for coverage under the City's Long-Term Disability Plan after completion of three (3) years of continuous, full-time service and after 45 continuous days of absence due to a non-job-related illness/injury. This benefit is subject to federal income tax and covers only non-job-related illnesses/injuries. There shall be no cost to the employee for this benefit.

- A. After 45 continuous days of illness/injury, the City will pay 70% of an employee's regular straight-time pay, but not more than \$3,000 per month, for not more than two (2) years. This disability income would be reduced by any social security or retirement disability payments that the employee receives, and it ends upon the employee's retirement.
- B. The plan does not cover disabilities resulting from war, nuclear explosion/incident, insurrection, rebellion, participation in a riot, self-inflicted injuries, attempted suicide, or natural disaster. (A more detailed description of the Plan will be provided to the employee upon becoming eligible for this coverage.)

### **SHIFT BID SYSTEM**

**Shift Bid System Oversight Committee:**

- A. When deemed appropriate by Management and/or the Union, a Shift Bid System Oversight Committee will be established comprised of six (6) members: three (3) members to be selected by the Union from among the bargaining unit; and three (3) members to be selected at large by the Chief of Police.
- B. The Members chosen from the Union shall serve on a voluntary basis and shall not receive any overtime compensation if a meeting is scheduled on off-duty time. If conditions allow, the appropriate Bureau Commander may alter the member's schedule if working on a shift other than the time of the meeting.
- C. The Committee shall be a standing committee and shall meet on a monthly basis, or more frequently if necessary, to review and monitor the progress of the shift bidding system, and to recommend changes in the procedures or protocols to be followed in carrying out the objectives outlined herein.
- D. Official minutes of each meeting shall be taken and preserved. A quorum of six (6) members shall be required for any recommendation or action by the Committee. In order to be operative, recommendations of the Committee must be supported by four (4) Committee Members. The Committee may establish its own internal procedures to the extent they do not conflict with the terms and conditions of this Agreement. The Committee shall have no authority to negotiate or change the Shift Bidding Procedures listed below without the combined approval of the Union and the Chief of Police. At any

time Management and the Union may agree to reopen the Shift Bidding Article, enter into a Side-Bar Agreement, or take no actions until the next negotiations session.

- E. The Committee may be dissolved at any time upon the agreement of both parties.

**Shift Bidding Procedures:**

The Shift Bidding System shall be limited solely to full-time employees assigned to the Uniform Field Operations Bureau. Further, it shall be limited solely to shift selection and to no other aspect of an employee's duty assignment.

- A. The current semiannual shift bid will remain in effect until December 31, 2003. Effective Sunday, January 3, 2003, the quarterly Shift Bidding process will begin.
- B. Annually, between October 1 and November 30, employees shall, in the order of their Department seniority, select assignments to one (1) of six (6) shifts for each quarterly period in the ensuing calendar year. The bidding year shall be co-extensive with the calendar year.
1. Throughout the year, for personnel coming off a shift and/or having a group number change, the process of initiating them into the upcoming shift period will require that they be phased in upon returning from their days off. Therefore, some officers will not actually change shifts/group numbers until after the date noted on the personnel order.
  2. After all bid selections have been made, employees may be reassigned so as to insure that each shift has a sufficient amount of coverage (distribution of patrol personnel based on current workload demands) and to assure that the number of sectors on each shift is proportionate to the workload occurring on each shift.
  3. Such reassignments shall be made on the basis of inverse Department seniority; i.e., the least senior employee shall be the first employee to be reassigned. The particular shift to which an experienced employee is assigned shall be determined by Department Management; however, consideration may be given to employee preference. There will be a minimum of six (6) experienced employees per shift.

For purposes of this Article, the words "experienced employees" mean employees who have completed two full years within the Department.

4. Employees transferring into the Uniform Field Operations Bureau shall be assigned at the discretion of the Chief for the balance of the current quarterly period during the shift-bidding year. They will be afforded the opportunity to bid for the balance of the shift-bidding year, based upon their Department seniority. Such requests shall be submitted a minimum of two weeks prior to the next schedule of assignments effective date. However, such reassignment shall be subject to the requirements of the Department and approved by the Chief.
5. As openings occur on any shift, employees may apply, in writing and submitted a minimum of two weeks prior to the next schedule of assignments effective date, for such openings based upon their Department seniority. However, such reassignment shall be subject to the requirements of the Department, approved by the Chief, and shall be effected no later than the quarterly shift date.

- C. Employees may be temporarily assigned to any shift in order to meet Department requirements. Such temporary assignments normally shall not exceed a period of six (6) months. Effective January 2, 2004, this period shall change to 3-months to coincide with the quarterly shifts.
- D. As a result of shift bidding, it may be necessary for the Department to assign new day-off group numbers for each quarterly period.
- E. Employees transferred out of the Uniform Field Operations Bureau shall no longer participate in the shift- bidding program.
- F. Probationary employees shall be assigned at the discretion of the Chief during the training and probationary period and for the balance of the current quarterly period during the shift bidding year. They will be afforded the opportunity to bid for the balance of the shift-bidding year based upon their Department seniority. Such requests shall be submitted a minimum of two weeks prior to the next schedule of assignments effective date. However, such reassignment shall be subject to the requirements of the Department and approved by the Chief.
- G. It is further understood that nothing herein shall serve, or be construed as limiting the discretion and authority of the Chief of Police to assign or reassign any employee according to the needs of the Department.

It is understood by all parties that the Shift Bidding System shall not otherwise constitute a waiver of management's right to determine and assign shifts according to the needs of the Department and the judgment of management.
