An employee shall receive no more than three (3) two (2) hour call-back minimums in a weekend on-call period.
- C. There shall be no duplication or pyramiding of rates under this section. No employee shall be compensated for on-call duty and call-back duty simultaneously. Hours worked on call-back duty shall be deducted from the prescribed on-call duty to determine the appropriate on-call pay.
- D. "Call-back" time is considered overtime and shall be paid in accordance with overtime pay provisions.
- E. The two (2) hour minimum shall apply only when an employee is required to physically return to work in order to perform required duties. Required qualifications and assignment as a Police Service Dog Handler shall be made at the sole discretion of the Sheriff. The duties and responsibilities of Police Service Dog Handler and the activities that constitute "dog handling" shall also be at the sole discretion of the Sheriff. When such assignment is terminated at the discretion of the Sheriff for non-disciplinary reasons, and the employee is no longer entitled to Police Service Dog Handlers pay, such loss of Police Service Dog Handlers pay shall not be considered a "punitive action" under the Public Safety Officers Procedural Bill of Rights Act (Government Code Section 3300 et. seq.), and is not subject to appeal or grievance.

Peace Officer Bill of Rights (Government Code Section 3300, et. seq.), and is not subject to appeal or the grievance procedure.

Section 15. Shift Differential

Effective the beginning of the first full pay period in November, 1996, the defined "night shift" as determined by the department shall receive an additional seventy-five cents (\$.75) per hour over their regular rate of pay for all hours actually worked during the defined night shift.

The Human Resources Department shall use a verbal and/or written testing process, depending upon the level of bilingual skill required of the employee, to validate the employee's skills. The County shall utilize existing bilingual skills employees to assess employees' bilingual capabilities when possible. Written authorizations to receive a bilingual differential shall be reviewed and renewed annually by the Department Head. CTO accumulated within revenue offsetting programs, which include grant programs, contracted services, or other substantially similar program for which the department and/or County receives funding from an external agency or entity to offset the costs of providing law enforcement services, and which are designated by the department head as revenue offsetting programs, shall be used as follows;

ARTICLE 7 Probation Periods

Section 1. Duration

Probation periods are considered as a continuation of the selection process and apply to all initial appointments, promotions and employee-initiated lateral transfers to a different classification. Civil Service Status (permanent status) shall attach only when a regular employee successfully completes the probationary period for the specific classification during their initial appointment. Law Enforcement employees in the class of Sheriff's Deputy I & II shall undergo a probationary period of thirty-nine (39) biweekly pay periods. Employees in the classification of Sheriff's Sergeant, Investigator (District Attorney) and Supervising Investigator (District Attorney) shall serve a probationary period of thirteen (13) biweekly pay periods. Leaves of absences, paid or unpaid, leaves granted under the Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, Americans with Disabilities Act, Workers' Compensation Laws, or other legally mandated leaves, and light duty, transitional duty or modified duty assignments that are not considered significantly within the job functions of the job classification or job assignment shall not count towards completion of the probationary period, as provided by law. Individual probationary periods shall be extended commensurately by each hour under these circumstances.

Time worked by an employee in a temporary, extra-help, or other employment shall not count toward completion of the probationary period. An employee, who is not rejected prior to completion of the prescribed probationary period, unless extended as per provision herein, shall acquire Civil Service status automatically.

Section 2. Laid-Off Employees

Employees with Civil Service status who are laid off and subsequently reinstated to their former position or lower position in their class series shall not serve a new probationary period. Laid off employees hired into another County position from which they were not specifically laid off shall serve a new probationary period.

Former probationary employees who were laid off and subsequently re-employed shall serve a complete new probationary period upon rehire.

Section 3. Rejection During Initial Probation

The appointing authority may terminate (reject) a probationary employee at any

time during the probationary period without the right of appeal in any manner and without recourse to either the Grievance or Appeal Procedure; except when the employee alleges and substantiates in writing that the termination was due to political, religious or Association activities, race, color, national origin, sex, age, handicap or sexual orientation. The appointing authority shall notify the employee in writing that he/she is rejected during probation. No reasons for the action are necessary.

Section 4. Rejection During Secondary Probation

Should an employee who has been promoted fail to satisfactorily complete his/her probationary period, such employee may elect to return to a position in the classification in the department from which the employee was promoted. If the employee held Civil Service status in such former classification, the employee shall not be required to serve a new probationary period. The employee's step and anniversary date shall be restored to the employee's pre-promotion status.

ARTICLE 8 Performance Evaluation

Section 1. Documentation of Performance Evaluation

An employee shall be evaluated by employee's first-level supervisor approximately annually. Probationary employees shall receive evaluations at three (3) months, twelve (12) months and two (2) weeks prior to the expiration of their probationary period. The evaluation as prepared by the first level supervisor shall be reviewed by that supervisor's superiors up to and including the Department Head.

- A. Evaluations will be based primarily on observations by the evaluator of the employee in the performance of his/her duties.
- B. An employee will be informed at least twenty-four (24) hours in advance of a meeting with the employee's supervisor to discuss the employee's evaluation and to put the evaluation in writing on the evaluation form.
- C. The employee shall be informed of his/her right to prepare and have attached to the evaluation any written comments which the employee wishes to make.
- D. When an employee is rated unsatisfactory on any factor, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing. However, the contents of an employee's performance evaluation are not subject to the grievance procedure.
- E. The employee's signing of an evaluation form does not necessarily mean that the employee agrees with the evaluation, but it does mean that the employee

has had an opportunity to discuss the evaluation with his/her evaluator. Evaluations that are unsigned due to the employee's refusal to discuss or sign the evaluation shall be placed in the employee's file with the signed comment by the supervisor indicating that the employee refused to sign.

- F. The employee will be given a copy of the employee's completed evaluation form after it has been reviewed by the Human Resources Department.
- G. Nothing shall be added to an evaluation after the employee has received a copy of the final evaluation form without the employee's written acknowledgment except as provided for in this Article.
- H. Protected leave will not be considered as part of an employee's performance evaluation. Non-protected leave that an employee uses will be noted in an employee's performance evaluation. An employee may only be found to be "needs improvement" or "unacceptable" due to leave found to be abusive or excessive under Section D of this Article.

ARTICLE 9 Insurance Plans

Section 1. Medical, Dental and Vision Plans

A mutual goal of the County and the Association is to limit and manage the impacts of health plan costs on both County employees and the County's Budget.

- A. The County and the Association agree to continue, during the terms of the MOU, to meet and work on long term options for payment of health care costs. For the term of this MOU, the parties agree to implement a standardized cost sharing for health insurance contribution rates, with the County paying 65% of the premium for full-time employees and the employee paying 35% of the premium. Annually, in the event of a rate increase, the rate increase shall be allocated based on the current contribution rate of 65% County and 35% employee paid.
- B. Health care coverage is based on a calendar year (January 1 – December 31). Rates for the ensuing calendar year for the Association shall be effective upon approval of the Board of Supervisors, but no earlier than the pay period containing December 1. Beginning with the 2014 plan year, premiums for health insurance plans will be unblended.

Effective the pay period containing December 1, the contributions shall be as per the health plan published rates.

- C. For part-time employees, hired on or after September 7, 1991, the County will

contribute a prorated share of the costs listed as specified in Article 9 Section 1.A. The sum of the County and employee contribution shall constitute full payment, excluding deductibles, co-payments and other fees and charged as specified in the Plan.

- D. For purposes of this Article, a full time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is eighty (80) hours of work in each pay period; a part-time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is less than eighty (80) hours of work in a pay period.
- E. In order to be eligible for a County health care contribution, except as otherwise required by law, a full-time employee must be in paid status. The employee must receive pay from work hours, compensatory time off, vacation or sick leave in accordance with paragraph 4 above. An employee who is receiving Worker's Compensation Temporary Disability shall be eligible for continuation of the County's Contribution until such time as eligibility for Worker's Compensation Temporary Disability ceases.
- F. An employee who ceases to be eligible for County Contributions must pay directly to the Risk Management Division of Human Resources the full amount of employee and County Contribution in order to retain benefit coverage under the County-sponsored Health/Dental benefit plan.
- G. The County will not contribute toward the cost of any plan other than those specifically sponsored by the County.
- H. Health Plan Benefits are described in the Specific Plan Documents.

Section 2. Enrollment

Employees may enroll themselves and their eligible dependents in accordance with the provisions of the Plan. Employees may opt not to be covered by a County sponsored medical/dental plan as allowed by law. In such case, neither the County nor the employee shall be required to make the contributions specified in this Article as allowed by law.

Open Enrollment periods will occur once every calendar year in October. During an Open Enrollment Period, eligible employees may enroll themselves and eligible dependents in the County sponsored health plan of their choice.

A. Terms and Conditions

County sponsored medical plan coverage starts the first day of the month following date of hire and ends the last day of the month of termination of employment. Health Plan coverage shall be in accordance with the provisions of the Plan. Employees

who retire or who separate from County service may, at their own expense, continue to be enrolled in the County sponsored plan in accordance with provisions of the plan or as provided by law.

The parties agree that the County Medical/Dental/Vision Plan is a Defined Benefit Plan, and that the County is required to provide the specified benefits during the term of this MOU regardless of the level of contribution by the County and its employees.

B. Patient Protection and Affordable Care Act

The parties acknowledge that the Federal Patient Protection and Affordable Care Act ("PPACA"), its current and future related regulations and California law developed in response to the PPACA may create new requirements for the County and employees during the term of this Agreement.

Section 3. Optional Benefit Plan

The County shall provide each eligible full-time employee a contribution of \$171.17 each twenty-four (24) pay period towards the purchase of benefits included within the Optional Benefit Plan. The County agrees to make this contribution to each employee's Optional Benefit Plan Account each of the twenty-four (24) payroll periods in which the employee is in a pay status for the full pay period or is on an approved leave of absence where they are receiving pay from vacation or sick leave for at least sixteen (16) hours in a pay period. The County shall not make any contribution for employees not in an approved leave status or receiving less than sixteen (16) hours of pay. Employees receiving less than sixteen (16) hours of pay per pay period and therefore not eligible for a County contribution shall pay the total contribution necessary to continue health and dental benefits. The payment is to be made payable to the El Dorado County and provided to the Risk Management Division.

These benefits are specifically defined in the Optional Benefit Plan. Provisions generally include the following:

- A. El Dorado County Health Care Account - Eligible employees may elect to receive medical and dental benefits under the County Optional Benefits Plan.

expenses subject to the provisions of the Plan.

- A. To be eligible for this benefit, an employee must have been employed by the County for one (1) continuous year and worked no less than 1,250 hours over the immediate preceding twelve (12) months. PROCEDURE

- A. The requestor must provide a signed written request for donations of vacation leave to his/her supervisor. Additionally, a statement from a health professional verifying an injury or incapacity likely to last for at least one month must be forwarded to the supervisor before any action will be taken. The supervisor will forward the written request and verification to Human Resources.
- B. An employee's supervisor may take the initiative to request leave donations for an eligible employee. The recipient must consent, and all necessary documentation must be provided.
- C. Human Resources will ensure the requestor is eligible to receive catastrophic leave donations. Upon approval, Human Resources will post a notice on EDCnet advising employees of a request for donations. No additional notices will be sent.
- D. An employee wishing to donate vacation (contributor) will complete and submit to Human Resources a Catastrophic Leave – Vacation Donation form indicating

the number of vacation hours to be donated. The contributor must have at least forty (40) hours of vacation hours remaining after the donation. Once submitted, transfers of leave may not be revoked by the contributor. The requestor will not be made aware of who has donated leave.

All donations will be deducted from the contributor's balance and held in queue until such time as they are needed by the requestor. Donated hours will be drawn on by the requestor, as the need arises, from the pool of donated hours on an hour for hour basis. All unused pledges remaining in the pool will be credited back to the original contributors on a proportional basis.

Donations will be charged hour for hour at the pay rate of the contributor to the department in which the requestor is employed.

ARTICLE 15 Sick Leave

Each Department Head is charged with the responsibility of administering sick leave within the department consistent with applicable practices and policies adopted by the County.

Employees are required to notify their supervisor as soon as possible of their absence due to illness or injury. A department, depending on its internal record keeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

Section 1. Accrual

Every regular employee shall accumulate sick leave at the rate of .04625 per hour on a pay status, calculated on the basis of actual service (3.7 hours earned per full pay period paid). There is no maximum accumulation.

Section 2. Eligibility

No regular employee shall be entitled to sick leave with pay until the employee has two (2) biweekly pay periods of continuous service with the County.

Section 3. Verification

- A. Departments may request information in order to aid in the determination of whether the sick leave use is legitimate. A Department Head may require a physician's statement or acceptable substitute from an employee who applies for sick leave, or make whatever reasonable investigation into the circumstances that appears

warranted before taking action on a sick leave request.

B. Departments may require a prescribed affidavit or medical report form. When an employee is absent for longer than ten (10) consecutive working days, the employee will be required to submit a statement from the employee's physician releasing the employee for normal duty.

C. Suspected sick leave abuse may be addressed as follows:

1. If an employee who has taken sick leave is suspected of abuse, the Department may institute an investigation. Based upon the results of that investigation, appropriate action will be taken.
2. The County may request that the employee provide a physician's statement, as authorized by law, or acceptable substitute during an absence if the employee receives notice prior to returning and the absence is longer than three days. However, if an employee has a record of excessive sick leave use, or if the employee's leave use is suspect, the County may require a physician's letter or other acceptable substitute before authorizing future sick leave usage. Examples of excessive sick leave usage might include but are not limited to:
 - a) Documented misuse, or;
 - b) In excess of six (6) individual unapproved uses of sick leave in a twelve (12) month period, or
 - c) More than four (4) uses of sick leave in conjunction with vacation and/or holidays in a twelve (12) month period.

Each use of sick leave may last one or more days. Each day of a multi-day sick leave absence does not constitute its own individual use of leave.

It is important to note that use of leave identified above does not automatically indicate abuse. There may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to initiate communication between the County and the employee to determine why an employee is using so much leave and determine if the leave is being abused.

Protected leave cannot be tracked for performance evaluation and/or disciplinary reasons unless an employee is using protected leave in an unlawful manner.

D. When an employee has been determined to have used sick leave for illegitimate purposes, the County may recover such funds.

- E. Each Department Head shall maintain complete current records of sick leave and vacation time accumulated and taken by each employee.

Section 4. Incapacity to Perform Duties

If the appointing authority has been informed through a doctor's report of a medical examination, that an employee is not capable of properly performing the employee's duties, the appointing authority may require the employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any accumulated sick leave, vacation, holiday and compensatory time or leave without pay. If the incapacity is not of a temporary nature, the appointing authority may take such actions as appropriate under the County rules on medical retirement, termination or demotion.

Section 5. Payment for Unused Sick Leave

- A. In order to receive payment for unused sick leave at the time of retirement, layoff or voluntary termination, a County employee must have five (5) or more years of County service.

Maximum number of hours paid shall not exceed five hundred (500). Employee's last hourly rate of pay shall be used in computing payment.

- C. The County agrees to secure a CalPERS actuary on sick leave conversion to service credit. Once the actuary is received and reviewed by the Board of Supervisors, the County agrees to discuss sick leave conversion with the Association during the term of this Agreement.

ARTICLE 19 Reductions in Force

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article.

Section 1. Policy

When necessary, and directed by the Board of Supervisors, a reduction in the County's work force may be initiated by (1) lack of work, (2) lack of funds, (3) program or organizational changes resulting in a surplus of employees, or (4) elimination of a specific program or service. Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide relief for the condition warranting a reduction in the number of County employees, the board may direct (1) a temporary layoff or up to ten (10) working days of specific employees or classifications without invoking the provisions of this policy, or (2) a specific layoff by category, classification, number of employees and department (s) pursuant to this policy.

Section 2. Procedure for Permanent Layoffs

Reduction in force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

- A. The Human Resources Department, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level if displacement by bumping (demoting in lieu of layoff) is anticipated in accordance with this Article according to retention points. A list of the classifications deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Association's current address. It is the Department Head's responsibility to insure posting.
- B. Layoffs are made within the department involved and are not Countywide.
- C. Written notice of layoff shall be served on affected employees in person or by certified letter mailed to the last address on file with the Human Resources Department. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the postmarking and logging of the certified letter by the County's mail room or upon personal serving of the notice to the individual.
- D. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement (bumping) rights, if any, rehire or re-promotion rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Human Resources Department that they will be exercising their displacement rights.

Section 3. Order of Layoff

A. Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. In cases when two or more employees are tied with the same number of retention points, the department head shall make the determination of which employee shall be retained. Any required reduction in the number of employees shall be in the following order within the same classification:

1. Extra-help
2. Probationary employees serving an initial probationary period
3. Regular permanent full-time and part-time employees.

A full time employee shall receive one half (%) point for each full month of continuous service as regular County employee in his classification and higher classifications, including probationary time but excluding time as extra-help, or contract employment. Part time employees shall receive a proportional amount of longevity points. Less than a full month of service shall be prorated. It does not include service prior to employment interruptions caused by resignation, dismissal, or transfer to extra-help status. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

Section 4. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

A. Displacing in a Lower Class

An employee affected by layoff may, at his/her discretion, in lieu of layoff, displace an employee in a class previously held by the employee. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.

B. Layoff Eligible List

Re-employment and re-promotion shall be in inverse order of layoff. Names of employees with permanent status who have been laid off will be placed on an appropriate layoff reinstatement list for their classification and department in order of Retention Points for a period of two (2) years.

Re-promotion lists shall be in effect for three (3) years. This list shall be maintained in the Human Resources Department. Three refusals to accept re-employment from a departmental layoff list (or re-promotion list) will remove the eligible individual's

name from that list unless the offer of re-employment is in excess of twenty-five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of re-employment must respond within ten (10) working days from the mailing date. Offers of re-employment shall be sent by first class mail to the last address on file in the Human Resources Department. It is the employee's responsibility to insure that a current address is provided to the County Human Resources Department.

C. Transfer and Demotion

Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate department head(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the duties of which, in the judgment of the department head and Director of Human Resources, they are capable of performing. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the department head to complete a new probationary period, which results in his rejection during probation, he shall not be required to forfeit his status on any layoff list.

D. Separation from County Service

Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, he/she may, upon request, receive payment for those benefits normally given to terminated employees.

E. Employment Interviews

Department heads that are referred the names of individuals designated for layoff and who have requested transfers shall personally insure that such persons are provided an employment interview.

F. Status on Re-employment

An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently re-employed in their former classification within a two(2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.

2. All Retention Points held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, and time in step.
4. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

G. Meet and Confer

Prior to the actual layoffs, the County's representatives and the Association shall, at the request of the Association meet and confer over the practical effects of the proposed layoffs.

Section 5. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when seniority alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the department head shall fully justify and document the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

Section 6. Appeal of Layoff

Permanent employees laid off shall have the right to appeal such layoff. The scope of appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff. The issues of such appeal shall be limited only to whether or not there was compliance with the procedures herein prescribed in this Reduction in Force Article. The appeal process shall be as contained herein only.

- A. A notice of appeal shall be filed in writing with the Clerk of the Board of Supervisors within ten (10) working days after the date of service of the notice of layoff as provided in Sub-Section B.3. The notice of appeal shall state the employee's reasons for the appeal, but a notice of appeal based on reason(s) not appealable under this Section F shall not be effective for any purpose.

The Clerk of the Board shall forward the appeal within five (5) working days to the Secretary of the Civil Service Commission. A copy of the notice of appeal shall immediately be served by the employee on the Human Resources Department, and if the Human Resources Department ascertains that another employee would be adversely affected if the appealing employee should prevail, the other employee may be made an additional party to the

proceedings, and shall be promptly notified. The Human Resources Department shall also notify the appealing party and the Civil Service Commission of the name of any employee made an additional party to the proceedings under this Section. The failure to file an appeal in the time provided in this Section or the failure to appear at the subsequent hearing shall constitute a waiver of the right to appeal, and layoff of the appealing party shall be final.

- B. Upon receipt of a notice of appeal the Executive Officer to the Civil Service Commission will establish a hearing date. The date shall not be more than twenty (20) regular business days from the date of such receipt except by agreement of all parties concerned. The secretary to the Civil Service Commission will give at least five (5) working days written notice of the time and place of the hearing to the employee and the person making the charges. The Commission members shall receive copies of all documents submitted by the appealing party and the County in response.
- C. 3. All hearings regarding layoffs are public. All parties have the right to produce evidence and be represented by counsel. The hearing will be informal, and the Civil Service Commission is not bound by any of the rules of evidence governing trial procedure.
- D. The jurisdiction of the Civil Service Commission is limited to the issue of whether or not there was compliance with the procedures herein prescribed in this Reduction in Force Article.

ARTICLE 20 Appeals of Disciplinary Actions

An employee in this unit, having obtained Civil Service status, shall have the right to appeal pursuant to Government Code Section 3300 et seq. a termination, demotion in class or salary step, or suspension without pay. Such appeal shall be in accordance with the provisions of Personnel Rule Part 12.

An employee may appeal any other disciplinary action recognized under Government Code Section 3300 et seq. to the Sheriff or the Sheriff's designee within ten (10) calendar days of receiving written notice of the disciplinary action. The Sheriff or Sheriff's designee shall provide an appeal consistent with *Lubey v. City and County of San Francisco* (1979) 98 Cal.App.3d 340.

- B. Day - Shall mean day(s) in which the County's main administration office is open for business.

Section 4. Grievance Procedure Steps

A. Informal Discussion

Every effort should be made to settle grievances at the lowest level of supervision possible. If an employee has a complaint relating to a work situation, the employee is encouraged to request a meeting with his/her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively toward settlement. Such discussion shall occur within ten (10) working days of the incident or occurrence giving rise to the complaint. The immediate supervisor shall respond informally within ten (10) working days.

B. Formal Grievance Steps

The formal grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

1. Immediate Supervisor

An employee may formally submit a grievance to the immediate supervisor within fifteen (15) working days from the date of the supervisor's informal decision or if the informal discussion has not taken place ten (10) working days from the date of the incident or occurrence giving rise to the complaint. Such a written grievance, signed by the employee, shall set forth the facts at issue, the relief sought and the time of the occurrence of any alleged incident or violations precipitating the grievance. The supervisor shall respond in writing within ten (10) working days after receiving the grievance. If the grievance is denied, the reasons for this denial shall be given in the supervisor's response. This response shall contain the position to which the next level, either intermediate supervisor or Department Head, the employee grievance should be addressed.

2. Intermediate Supervisor

Grievances that involve an interpretation of a personnel resolution, personnel rule or MOU shall be appealed through the Arbitration method as it is described in this paragraph. If (a) Civil Service Commission (CSC) is chosen, the CSC shall have thirty (30) days from the CSC Executive Officer receipt of such appeal and a written answer from County Management to decide the case or set a hearing. Within thirty (30) days after the hearing the Commission shall render its decision in the matter. If (b) Arbitration is chosen, the grievant (and his representative) and the County's Management representative shall attempt to mutually agree on an acceptable arbitrator. If no agreement can be reached on an arbitrator within five (5) working days, a list of seven (7) names from the California State Conciliation & Mediation Service shall be obtained. The parties shall alternately strike names until only one name remains, which name shall be the arbitrator in the dispute. The party to strike the first name shall be chosen by lot. The arbitrator shall have no power to add to, subtract from, alter, modify or go beyond the applicable provisions of the MOU or Resolution.

C. Basic Rules

1. Costs

All costs incurred jointly by both parties to the final resolution process shall be borne equally by the parties. Costs incurred separately shall be borne by the party incurring them.

2. Time Limits

If a grievant fails to carry his/her grievance forward to the next level within

the prescribed time period the grievance shall be considered settled based upon the decision rendered at the most recent step utilized. If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal his/her grievance to the next higher level. Time limits may be waived by mutual written consent of the parties.

3. Representation

The grievant may be represented by a person of his/her choice at any formal level of this procedure. The grievant may take reasonable County time without loss of pay to prepare his/her grievance and meet with management representatives regarding the grievance. Other employees assisting or representing the grievant shall do so on their own time.

ARTICLE 22 Promotional Examinations

The County agrees that all promotional exams will be posted for a minimum of thirty (30) calendar days prior to the giving of the examination.

ARTICLE 23 Promotional Appointments

Based upon final scores, the top five candidates plus any additional candidate(s) having the same whole number score as the fifth candidate shall be certified to the Sheriff for final selection interviews. When certification is made from the eligible list to the Sheriff, the names on the list shall be in random order and shall not be in order of placement on the eligible list. The Sheriff shall appoint the most qualified applicant from among the certified candidates to any opening to Sergeant or Lieutenant. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in work place and that violation of this provision would subject the employee to disciplinary action. The County has a zero tolerance standard for employees being under the influence of or in possession of alcohol and/or drugs while at work unless required as a part of an official duty. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this Agreement.

Any other prior or existing understanding or agreements by the parties, whether formal or informal, relating to any such matters are hereby superseded or terminated as appropriate.

No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties, unless made and executed in writing by all parties hereto, and if required, approved and implemented by the County Board of Supervisors and the Association.

The waiver of any breach, term, or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 29 Peaceful Performance Clause

The parties to this MOU recognize and acknowledge that the services performed by the County employees covered by this MOU are essential to the public health, safety, and general welfare of the residents of the County of El Dorado. The Association agrees that under no circumstances will the Association recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County.

Nor will this organization recognize the strike or job action of any organization or engage in any sympathy strike by recognizing the strike, job action or picket lines of any other organization.

In the event of any such work stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased. In the event of any work stoppage, during the term of this MOU, whether by the Association or by any member of the bargaining unit, the Association by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work stoppage the Association had not otherwise authorized, permitted or encouraged such work stoppage, the Association shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

Section 1. Job Action - Sick Outs

A. Amending Personnel Rule 1404

Whenever the CAO or designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions he/she may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism

DSA MOU 45 of 48

have abated.

1. The department heads of the departments specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. Such medical verification shall be provided to the department head within three (3) working days of the employee's return to work.
2. The employee shall also provide a sworn affidavit justifying their claim of sick leave. Such affidavit shall be provided to the employee by the department head upon their return to work. Each request for sick leave time will be evaluated individually at the time the required documentation is received.
3. An employee shall not be allowed sick leave credit and shall not be compensated for any period of absence unless he/she has complied with the requirements of this policy and unless the information provided therein and otherwise required of or provided by the employee is deemed to substantiate the claimed illness or injury. The employee may appeal a denial of sick leave through the County's Grievance Procedure.
4. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

ARTICLE 30 Severability

If any provisions of this MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 31 Recognition

The County hereby confirms its prior certification of the Association as the recognized employee organization for the employees in the Association as defined in the County's Employer/Employee Relations Policy. The County agrees to meet and confer and otherwise deal exclusively with the Association on all matters relating to the score of representation pertaining to the said employees as provided under the County's Employer/Employee Relations Policy and authorized by law.

ARTICLE 32 Economic Hardship Reopener

At any time after the effective date of this MOU, upon thirty (30) calendar days written notice to the Association, the County may reopen this agreement for renegotiation if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of financial hardship.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.

LETTER OF UNDERSTANDING AMENDING
THE AGREEMENT BETWEEN THE COUNTY OF
EL DORADO
AND
THE EL DORADO COUNTY DEPUTY SHERIFFS' ASSOCIATION (DSA)
REPRESENTING EMPLOYEES IN THE LAW
ENFORCEMENT (SA) BARGAINING UNIT

This letter memorializes the agreement between the County of El Dorado, the County's Sheriff's Department and the El Dorado County Deputy Sheriffs' Association (DSA), representing employees in the Law Enforcement (SA) bargaining unit to amend the Memorandum of Understanding (MOU) under the terms of December 12, 2000 to December 31, 2007. The amendment to the MOU is as follows:

All parties support the need to improve the efficiency and effectiveness of the Department's Jail Transportation Unit, while ensuring the safety of the Department's employees and the members of the general public. In anticipation of the proposed construction of a new court facility adjacent to the existing Placerville Jail facility, and of the construction of a secured corridor connecting both structures, the above parties agree to restructure the Sheriff's Department's Jail Transportation Unit, as follows:

- (1) The Sheriff's Jail Transportation Unit, upon completion of a designated transitional phase, will be maintained as a "blended" unit staffed by both Deputy Sheriff and Correctional Officer personnel
- (2) Correctional Officer personnel shall be integrated into the Jail Transportation Unit (JTU) over a transitional period of eighteen (18) months;
- (3) Deputy Sheriff personnel assigned to the JTU on or before January 1, 2005 shall assist the Department in the training of Correctional Officer transportation personnel, and shall not be removed from assignment (unless for disciplinary purposes and consistent with 3300 G.C. and DSA MOU) to the JTU prior to January 1, 2007. During the transitional period, Deputy Sheriff personnel assigned to the JTU will be encouraged by all parties to seek reassignment opportunity to other departmental positions for which they might be qualified. Subsequent to that date, reductions in staffing shall be made by the Sheriff on the basis of departmental time in service, with the reassignment of least senior personnel first, and subject to the minimum staffing levels contained in this agreement;

- (4) Correctional Officer personnel will receive adequate training as determined by 832 Penal Code and departmental standards to safely assume responsibility for both the internal and external movement of jail inmates between the Placerville Jail facility and other locations both inside and outside of El Dorado County boundaries;
- (5) Correctional Officer personnel, once trained, shall assume primary responsibility for securing and maintaining jail inmates who are admitted to hospital or psychiatric care facilities;
- (6) Deputy Sheriff personnel shall maintain primary responsibility for external transportation of jail inmates to and from all of the following: local court facilities, places of medical and dental appointment, psychiatric treatment facilities, state prisons, federal penitentiaries, and all other court buildings, agencies or facilities inside or outside the County of El Dorado;
- (7) Deputy Sheriff personnel will maintain primary responsibility for transportation of jail inmates between the Placerville and South Lake Tahoe Jail facilities;
- (8) Correctional Officer personnel shall be deployed to external transportation duties, both within and outside the County of El Dorado, when accompanied by a Deputy Sheriff assigned to the same transportation detail;
- (9) In the event of exigent circumstances, the Sheriff or his designee may direct a particular transportation detail be completed by paired Correctional Officer personnel, without the requisite deployment of an accompanying Deputy Sheriff;
- (10) For the purposes of this agreement, "exigent circumstances" shall be defined as immediate, abnormal and unanticipated operational needs requiring the deployment of personnel above normal staffing levels, and for duties that may not effectively be rescheduled to another date or time. The need for overtime to manage an operational need shall be considered an "exigent circumstance";
- (11) Deputy Sheriff personnel assigned to work within the JTJ shall be supervised only by a full-time, sworn sheriff's officer of superior rank;
- (12) Upon completion of the transitional phase, a designated number of sworn Deputy Sheriffs shall be maintained within the JTJ as necessary to carry out the duties identified within this agreement. In any case, no fewer than three (3) sworn Deputy Sheriffs will be actively assigned to the unit;
- (13) For the purposes of this agreement, one of the three position as set forth under Section 12 may be filled by a sworn Sheriff's Sergeant, designated

as a "working supervisor";

- (14) Provisional ("extra help") Deputy Sheriff personnel shall not be considered in calculating minimum staffing levels as set forth under Sections 12 and 13;
- (15) In the event the department, as the result of employee retirements, separation from county service, promotion or voluntary transfer from the JTU, cannot maintain minimum staffing levels as specified herein, the Sheriff shall replace positions formerly held by Deputy Sheriff personnel with Correctional Officer personnel, subject to the all of following requirements:
- (a) The Department responds to such vacancy of position by the reasonable announcement and posting of application for the vacant position to other Deputy Sheriff personnel, consisting with the established selection policy;
 - (b) Said application period is open for a minimum of thirty days;
