1. wages, benefits and conditions of employment for bargaining unit members, and
2. the rights and privileges of the Town and the PBA.

Section 1.2: All reference to Town Manager means the Town Manager or his designee.  
All reference to Police Chief means the Police Chief or his designee.

## ARTICLE 2 RECOGNITION

Section 2.1: The Town hereby recognizes PBA as the exclusive bargaining agent for the employees within the bargaining unit. PBA hereby recognizes that the Town of Jupiter is a Charter form of government operating under the Council-Manager form of government and that the Town Manager is the Chief Administrative Officer of the government and, as such, represents the final administrative authority relative to the Police Department. Accordingly, PBA further recognizes that any references in this Agreement to the Police Chief and/or the Chief of Police are subject to the final authority of the Town Manager.

Section 2.2: The PBA Bargaining Unit shall consist of the classification known as Police Lieutenant (PERC Certification #1570), who are full time permanent employees of the Town. ARTICLE 4  
PROHIBITION OF STRIKES

Section 4.1: Employees covered by this Agreement, PBA, or its Officers, Agents, and Representatives agree that Section 447.018 of the Florida Public Employees Collective Bargaining Statute prohibits them individually or collectively as public employees or PBA from participation in a strike against the Town of Jupiter, the Employer, by instigating or supporting in any manner, a strike.

ARTICLE 5

Section 5.1: Upon receipt of a voluntary, written dues deduction authorization form from a bargaining unit employee, the Town shall agree to deduct from the pay for such employees those dues required to retain PBA membership.

Section 5.2: A bargaining unit employee may, at any time, revoke his/her dues deduction and shall thereafter immediately submit such revocation form to the Town Finance Director, or his/her designee, with a copy also to PBA.

Section 5.3: PBA shall agree to provide necessary Dues Deduction Authorization forms and Notice to Stop Dues Deduction forms for its members. These forms shall read as follows:

Section 5.5: The Town shall deduct the current regular union dues on a biweekly basis. The Town shall remit the same to the Treasurer of the PBA within ten (10) days after collection. The Town agrees to make no charge for such dues collection.

ARTICLE 6  
UNION BUSINESS

Section 6.1: Union representatives will be granted paid leave to engage in representation activities on behalf of the Union or any member if on-duty and if minimum staffing requirements are met. For members working a non-road patrol assignment, pursuant to the current organizational chart, minimum staffing is recommended by the division commander to the Chief of Police and approved by the Chief of Police, for appropriate staffing of each shift. If these requirements are met, leave for union business shall be provided as follows:

- A. Engaging in collective bargaining with the representatives of the Town.
- B. Processing of grievances.
- C. Accompany a fellow employee when:
  - 1. The employee is required to appear at a hearing related to a grievance.
  - 2. The employee is presenting or responding to a grievance.
  - 3. The employee is subject to interrogation in conjunction with an internal affairs investigation or administrative inquiry.
  - 4. The employee is attending a pre-determination hearing.

Section 6.2: A Union representative shall be permitted leave to attend functions of the Union, provided that such leave shall be at no cost to the Town and representatives shall use PBA time pool hours.

Section 6.3 No employee shall engage in Union business while on duty except as referenced in Section 6.1.

ARTICLE 7  
REPRESENTATIVE DUTIES

Section 7.1: An Employee Organization Time Pool shall be established. Each bargaining unit member shall contribute two (2) hours of vacation leave annually to the pool. If a member does not have two (2) hours of vacation leave accrued and available to use, two (2) hours of compensatory leave shall be used. The two (2) hours shall be deducted automatically from each bargaining unit member's leave balance in the 2nd pay period of October and thereafter placed in the Employee Organization Time Pool. Contributions shall be irreversible. PBA representatives may request the hours be credited to them in order to compensate the representative for PBA organization efforts on behalf of the membership. The representatives must be off duty and not eligible for Town compensation in order to qualify. The Town shall not be liable to anyone for the granting of the hours when requested by a duly elected representative.

Section 7.2: If requested in writing, any representative or alternate representative defined in Section 7.4 below, who is also a member of any Executive Board of PBA or FLPBA attending State or National functions of PBA may attend such functions, if requested in writing, using regular leave time or Organization Time Pool hours. The attendance of such functions shall be without expense to the Town. The Police Chief can deny a request for leave to attend a PBA function when the employee's leave will cause the Town to incur overtime expense.

Section 7.3: For the purpose of discussing grievances with management representatives and attending meetings between the Town management representatives and PBA Executive Board, representatives shall be allowed reasonable access to the employee's work locations. No transaction of PBA business, however, shall interfere with regular shift duties of employees.

Section 7.4: The PBA shall keep and communicate to the Town a current list of the names of the representatives and alternate representatives, and communicate those names to the Town when changes occur. There shall be, whenever feasible, one representative from each represented rank/position, with a total view toward one (1) PBA representative for every forty (40) members in the bargaining unit, and the same for alternates minus one (1).

ARTICLE 8  
BULLETIN BOARD

Section 8.1: The Town will designate one bulletin board location in the Police Department for the exclusive use of PBA. The bulletin board shall be a size reasonable for the area. The location will be in an area most frequented by the general employees. No articles, announcements or solicitations shall be placed on, or removed from, PBA Bulletin Board without the permission of a PBA Executive Board Member.

Section 8.2: A notice or item placed on the bulletin board shall bear, on its face, the legible designation of the person responsible for placing of this notice or item on the bulletin board.

ARTICLE 9  
BILL OF RIGHTS

Section 9.1: Nothing in this agreement shall abrogate or limit the right of a police lieutenant who is under investigation or who is the subject of a complaint, as set forth in Part VI of Chapter 112, Florida Statutes.

ARTICLE 10  
PERSONNEL RECORDS

Section 10.1: Personnel records shall be maintained and made available in accordance with Florida Public Record laws as set forth in Chapter 119, Florida Statutes.

Section 10.2: The Town will advise a member when the Town has received a written request for the member's personnel records.

ARTICLE 11  
SENIORITY

Section 11.1: The Town agrees that seniority shall consist of continuous accumulated paid service with the Town of Jupiter Police Department. Seniority shall be computed from the date of appointment, and shall accumulate during absences because of illness, injury, vacation, military leave or any other authorized paid leave of absences.

Section 11.2: The Town agrees that seniority shall govern in the following matters:

1. Vacations for each calendar year shall be drawn in the month of March by members on the basis of seniority in rank with three (3) weeks notice to the Chief of Police.
2. In the event of a vacancy on a shift, whenever feasible, senior qualified lieutenants shall have preference.
3. In the event of vacancy in any division or unit, (not promotional vacancy), seniority shall be considered, with qualifications.
4. In the event of a lay-off for any Town Council approved reason, employees shall be laid off in the inverse order of their seniority.
5. In the event of re-hiring, laid off employees will be notified of hiring and shall respond within fifteen (15) days as to considered acceptance.
6. An annual shift bid shall be held during the first two weeks of January, allowing lieutenants assigned to the Road Patrol Bureau to select their shift preference in order of seniority, and shall become effective on the first day of the 28 day cycle that commences on or after March 1 each year.
7. The Police Chief may over-ride a shift selection when two or more members are involved in a legal, administrative or regulatory proceeding against each other. In this limited circumstance, the Chief's decision to over-ride shift selection is not grievable.

ARTICLE 12  
OFF DUTY ASSIGNMENT

Section 12.1: Any member who may be injured while serving in an off duty capacity as a police lieutenant with the approval of the Town or on assignment by the Town, shall be entitled to the same rights, benefits and privileges as if they were injured while performing their duties for the Town. Reimbursement in each year of this Agreement shall be capped at the amount appropriated by the Town Council in its annual budget process.

Section 12.2: Off-duty assignments shall be granted/approved in accordance with the policies and procedures issued by the Chief.

Section 12.3: Off-duty assignments shall be paid at the rate of \$40/hour for Lieutenants (Town receives \$5/hour)

Section 12.4: Off-duty assignments shall be paid at the rate of \$60/hour for Lieutenants (Town receives \$5/hour) on all holidays as defined in the Town of Jupiter Extra Duty Police Agreement.

## ARTICLE 13 EDUCATION

Section 13.1: This article provides an education policy and guidelines that are both predictable and equitable for educational assistance to all employees toward the development of their professional knowledge and skills in areas of study that will benefit the Town.

Section 13.2: Qualifying educational coursework shall be defined as coursework, or established program curriculum coursework, in pursuit of a degree or advanced degree in an area of study that will be of value to the Town.; provided by community colleges, state universities, private colleges or universities, or other educational facilities accredited by the State of Florida, Department of Education, or accredited by other states.

The reimbursable tuition rate shall be defined as an amount per credit hour equal to the current public institution rates for either Palm Beach State College for Associates Level courses or Florida Atlantic University for Bachelors and Masters Level courses.

Section 13.3: When feasible, the Town shall arrange the working schedules of members attending advance schools and college courses so that there shall be a minimum of interruption of their studies. Under no circumstances shall the pursuit of a college education be allowed to interfere with an employee's duties or the efficient operation of the Police Department.

### Section 13.4:

#### A. Budgetary Process

1. Each fiscal year, during the budget process, employees will submit the number of classes and level of class which they intend to take the following year to the Chief of Police.
2. All final projections for the following fiscal year will be forwarded to Human Resources no later than June 1<sup>st</sup> to be added to the Town's master tuition reimbursement projection list.
3. This list of projections will determine the amount of funds to be budgeted for the program and will be used to make any adjustments to the funding formula. (e.g. If there is only enough budgeted to fund 90% of the projections, then 90% of the approved tuition costs will be reimbursed).
4. Employees who have submitted requests for the following fiscal year will be contacted if any adjustments to the funding formula are necessary.

#### B. Application

1. The Application for Educational Assistance Program Reimbursement Form must be pre-approved, in writing, by the recommendation of the Chief of Police and approval by the Human Resources Department prior to the course beginning date.

2. The Application must meet the definition for Qualifying Educational Coursework.
3. Requests shall be limited to five (5) courses per fiscal year per employee, and subject to availability of funds budgeted for that fiscal year on a first-come, first-served basis.

#### C. Reimbursement Process

1. An employee requesting reimbursement shall complete and forward the original Application for Educational Assistance Program Reimbursement Form with a recommendation to approve by the Chief of Police to the Human Resources Department prior to classes beginning.
2. After completion of classes, the employee shall send a copy of the employee's final course grade(s) to the Human Resources Department
3. Educational reimbursement requests shall be processed and forwarded to the employee within thirty (30) days following the receipt of grades and receipts by the Human Resources Department.
4. Reimbursement under the Educational Assistance Program is non-taxable, up to the maximum allowed, pursuant to the Internal Revenue Code, Section 127.
5. Educational reimbursement shall be made only to employees who are on paid status in the payroll system when payment is due.
6. No reimbursement shall be made to employees where the tuition is covered under benefits from Veterans Administration or any other program. By completing the required forms and participating in this program, the employee is affirming that he/she is not receiving any other benefit from an outside source (i.e. grants, scholarships, etc.). Failure to disclose receipt of another benefit may result in disciplinary action.

#### D. Reimbursement Amount:

<u>Grade Received</u>	<u>Amount Reimbursed</u>
A	100%
B	100%
C	75%
D	0%

Should the educational institution offer a pass/fail grading system which may be elected at the student's option, the Town will pay 75% for a pass and 0% for a fail. Should the educational institution's grading method be only a pass/fail system, the Town will pay 100% for a pass and 0% for a fail.

Regular part-time employees shall be entitled to  $\frac{1}{2}$  the amount of reimbursement determined above per class dependent on the grade achieved.

#### E. Separation of Employment

1. Employees voluntarily leaving employment from the Town shall repay the Town for the amount of the reimbursements received based upon the following guidelines:

<u>Level</u>	Leaving 0-1 Years	Leaving 1-2 Years	Leaving 2-3 Years	Leaving 3-4 Years
Associates	100%	75%		
Bachelors	100%	75%	50%	
Masters	100%	75%	50%	25%

2. The time period to calculate payback in the event of a voluntary separation of employment begins on the date that the reimbursement is received from the Town.
3. Repayment shall be made by the employee through payroll deduction from the final payroll or payout to the employee. If a balance remains due to the Town, the employee shall make repayment arrangements through the Finance Department.

Section 13.5: Lieutenants shall be entitled to attend two (2) regionally XII funded educational classes of their choice per calendar year. In the case of an educational class which is scheduled to be held during the lieutenant's regularly scheduled work day or duty shift, the lieutenant may request paid-time-off from work to attend the class. Lieutenants may be allotted up to forty (40) hours on-duty per calendar year as long as minimum staffing requirements are met. Minimum staffing levels will be established by the Chief of Police, and any changes will be decided on a case-by-case basis by the Chief or his designee. Requests for paid-time-off from work may only be approved on the condition that the lieutenant's temporary absences from duty will not adversely affect or unduly jeopardize the respective operations and services of the Police Department. Approval of said educational classes shall be granted on a rotation basis. Seniority shall not be the basis for approval.

ARTICLE 14  
HOLIDAYS

Section 14.1: The following shall be the official holidays for the employees covered by this Agreement:

New Year's Day	Veterans' Day (Nov. 11th)
Martin Luther King, Jr. Day	Thanksgiving Day
President's Day	Day after Thanksgiving
Memorial Day	Christmas Eve
Independence Day	Christmas Day
Labor Day	

Section 14.2: When a member works on a holiday, they will be paid one additional shift in that work week at time and one-half rates in addition to the normal straight time pay for the shift. When an employee is scheduled to work a holiday, but is allowed to take the holiday off, the member shall be paid for that holiday shift in that workweek at straight time rates. When a member is scheduled to be off on a holiday, the member shall be paid for an additional eight (8) hours in that workweek at straight time rates. For the purpose of this article, a shift is defined as the normal amount of hours a lieutenant is scheduled to work per day in that twenty-eight (28) day schedule.

Section 14.3: Prior to an official holiday, bargaining unit members shall submit their preference concerning whether they want to receive compensatory time as opposed to pay on an official department form. No reasonable request shall be denied.

Section 14.4: Each member is entitled to one Personal Holiday per fiscal year. Bargaining unit members shall not have the right to roll the personal holiday into another fiscal year nor be able to request monetary value for the day if it is not taken within that fiscal year. The Police Chief may only refuse to grant a Personal Day request which, if granted, would jeopardize the safety of any persons or any property.

Section 14.5: A member working a non-road patrol assignment (pursuant to the current organizational chart) shall work on a holiday if the division commander has recommended to the Chief of Police, and it is approved by the Chief of Police, that it is necessary for appropriate staffing of that shift. The member shall receive at least 72 hours advance notice if it is determined he/she shall not be needed to work that shift.

ARTICLE 15  
VACATIONS

Section 15.1: The Town agrees that each member shall be eligible for paid vacation as set forth in the following schedule. Members shall start to accrue vacation allowance from the day of employment, but shall not be allowed to exercise this benefit until completing six (6) months of service. Vacation accrues on a prorated basis during the course of the year. Example: at the completion of one month of employment in the first year of employment, the employee has accrued one day of vacation.

Section 15.2: The bargaining unit membership shall accrue the following vacation schedule based upon their years of service from the date of appointment:

<u>Years of Service</u>	<u>Vacation Hours</u>
1-4 years	96
5-9 years	120
10 years	128
11 years	136
12 years	144
13 years	152
14+ years	160

The maximum number of vacation hours a member may accrue is as follows:

<u>Years of Service</u>	<u>Vacation Hours</u>
1-4	192
5-9	240
10	256
11	272
12	288
13	304
14+ years	320

Accruals over the maximum are lost and non-compensable, except when a vacation request is made and denied within the last thirty (30) calendar days.

Section 15.3: The Town agrees that in computing vacation time, holidays or regular days off that precede the commencement of, fall within, or follow the termination of a member's vacation, shall be excluded from such computation. Accumulated compensatory time may be added to provide a maximum of three (3) weeks toward a member's vacation.

Section 15.4: The Police Chief may only refuse to grant vacation or cancel vacation leave requests which, if granted, would jeopardize the safety of any persons or any property.

Section 15.5: The inclusion of accumulated vacation leave in the average salary for pension purposes shall not exceed the amount accumulated to the credit of any participant as of October 1, 2012. A "snapshot" of accumulated vacation leave will be taken for bargaining unit members employed on October 1, 2012.

ARTICLE 16  
WEAPONS TRAINING

Section 16.1: The Town recognizes that a police lieutenant must be required to use the lieutenant's officially authorized weapon during the course of the member's job. Therefore, the following provisions will apply:

1. The Town shall provide on-duty training to each lieutenant at the designated police pistol range under qualified instructors at a minimum period of eight hours annually.
2. The Town shall require that each lieutenant shall qualify at the police pistol range at least once every twelve (12) months under qualified instructors and that the score that the lieutenant makes shall be entered into their personnel file. If the lieutenant fails to qualify, they must pass the qualification requirements within three (3) months time or shall be subject to suspension upon the determination therefore by the Chief of Police.
3. The Town shall make every effort to acquire the use of a pistol range for the purposes hereof, but in the event it cannot have such range made available for its use, this provision shall be considered waived during the interim.
4. Each lieutenant shall be provided up to one hundred (100) rounds of ammunition for duty related weapons practice every two (2) months. Requests shall be made on the form provided by the Department.

ARTICLE 17  
LEGAL BENEFITS

Section 17.1: The legal benefits for members against whom civil damage suits are brought for matters arising while acting within the scope of their authority and within the course of their employment shall be as provided by the policies of insurance relating thereto and the provisions of Section 111.065, Florida Statutes.

ARTICLE 18  
PROBATIONARY PERIOD AND TERMINATION

Section 18.1: Newly assigned lieutenants must serve a six (6) month probationary period. The six month probation period begins when the lieutenant is promoted. Employees may not be promoted while on probation.

Section 18.2: Employees desiring to resign shall submit their resignation notice at least two (2) weeks in advance of the effective date. Unless fired for cause, any employee who submits their resignation may be permitted to continue their employment for the two (2) week notice period. By mutual written agreement between the employee and the Town, there may be an earlier termination date. A resignation, once tendered in writing and presented to the Chief, is not revocable by the employee.

ARTICLE 19  
MEDICAL BENEFITS

Section 19.1: Members may be required to take a psychological examination to determine fitness for duty when the Town has a reasonable suspicion that the employee is unfit to perform his/her duties. "Reasonable suspicion" means a belief drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. The facts should be recorded in written form. Reasonable suspicion testing shall not be required except upon the final approval of the Police Chief, in consultation with the Town Manager, after the recommendation of a supervisor who is at least one level of supervision higher than the immediate supervisor of the employee in question. Among other things, such facts and inferences may be based upon:

- A. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.

Section 19.2: Any member of the public service who sustains an injury, or incurs an illness which arises out of and in the course of their employment by the Town of Jupiter, and which is compensable under the Worker's Compensation Law of the State of Florida, and who in consequence thereof is temporarily disabled and rendered unable to perform their normal duties of Town employment, shall, upon meeting the requirements of this section, receive duty disability leave in accordance with the conditions hereinafter set forth in this Article. All accidents shall be reported within 24 hours of the accident or as soon as practicable.

1. Medical Report and Certification Required. All requests for duty disability leave must be accompanied by a medical report from the physician agreeable to the Town or the member's authorized medical representative which shall be on the form of the initial medical report in use by the Florida Industrial Commission, and which shall state affirmatively that the employee is temporarily unable to perform the normal duties of Town employment and that they are therefore eligible for duty disability leave.

2. Approval by Department Head. The Chief of Police may approve or deny a request for duty disability leave after an investigation to determine the validity of the request. The Chief of Police shall certify that (a) the injury or illness arose out of and in the course of employment by the Town, (b) was not fully self-inflicted or the result of the employee's gross negligence or horseplay, (c) that the employee's activity at the time and place of the injury or activity from which the illness arose was both authorized and proper and not in violation of any rules or regulations concerning safety work methods, procedures or equipment for the job as required by the department or the Town generally. The Chief's action shall be subject to review by the Town Manager who may approve or reverse the Chief's decision.

3. Duties of Certified Employee. Any employee receiving duty disability leave shall report to a physician agreeable to the Town, or the member's authorized representative, periodically at the times the Town shall reasonably require. Failure of an employee to appear for a scheduled physical examination shall be grounds for immediate cancellation of said leave; unless the failure to appear is excused by the Town Manager.

4. Credit for Benefits Paid. The net duty disability leave benefits paid to an employee under sub-section (7), who is on duty disability leave shall be deducted from any award of Worker's Compensation to the employee, whether for temporary or permanent disability, and shall apply as advance payments of compensation, provided by Section 440.20 (11), Florida Statutes.

5. Commencement of Benefits. Employees who have completed their initial employment probationary period shall receive duty disability commencing the first day of lost time. Other employees shall receive duty disability benefits after the first fourteen calendar days of lost time.

6. Duration of Benefit. An employee who is granted duty disability leave shall receive their regular salary based on the pay rate applicable at the time of injury or illness, exclusive of overtime, plus longevity pay if applicable, less all workers' compensation payments. Duty disability leave shall be allowed for the duration of actual disability, up to a maximum of 90 calendar days. Separate injuries shall create separate periods of coverage. If an employee is unable to return to work at the end of the said 90 days, their case shall be reviewed by a committee composed of a physician agreeable to the Town, the Chief of Police and a person designated by the Town Manager. The review committee shall make recommendations and thereafter order the benefits to continue for the duration of the actual disability, up to an additional 270 calendar days with concurrence of the review committee who shall review the case every 90 days or that the benefits shall not be extended.

7. Termination of Duty Disability Leave. Duty disability leave benefits shall be terminated by any of the following events:

- (a) Recovery certified by a physician agreeable to the Town.
- (b) Permanent disability certified by a physician agreeable to the Town.

Thereafter, the Chief of Police shall immediately submit a request for duty disability retirement to the pension board. The employee shall thereupon receive accumulated sick leave payments which shall cease upon said retirement being granted. In no case shall an employee receive more than one kind of salary continuation benefits for the same period of time whether duty disability leave, sick leave or duty retirement benefits (pension).

- (c) Termination of employment whether by resignation, discharge or death of said employee.
- (d) Employment of any form, including self-employment.
- (e) Employee's refusing employment with the Town suitable to their law enforcement capacity which is offered to or procured for them. The Town Manager may approve such refusal of work and thereby approve the continuation of duty disability leave.

(f) The expiration of the 90-day period is in accordance with Section 7 above.

8. Annual Leave. Annual Leave shall accrue during all periods for which an employee is granted duty disability leave.

9. Use of Paid Leave. The general principle underlying the granting of duty disability leave benefits to an employee with a service connected disability is that the total payments from the Town, together with Worker's Compensation benefits, shall not exceed the employee's regular gross pay, exclusive of overtime. All efforts shall be made by the Town to coordinate payments from its Worker's Compensation carrier, however, it shall be the responsibility of the employee to return any overpayment by either the Town or its Worker's Compensation carrier which are over and above the employee's regular gross pay, exclusive of overtime. Such leave is provided so that economic security shall be available to an employee. Duty disability leave shall not be considered as a right which an employee may use at their discretion, but rather as a privilege which shall be allowed only in case of duty connected disability and subject to the applicable provisions contained therein.

10. Computation. Duty disability leave time shall be computed as use in the same manner prescribed for annual leave.

ARTICLE 20  
INSURANCE

Section 20.1: The Town agrees to participate in the payment of medical, dental and long-term disability insurance for the members of the bargaining unit on the same basis as for other presently employed town employees. The Town hereby recognizes, and incorporates by reference Town Policy HRM 6.01.

Section 20.2: In addition to the current \$100.00 per month supplemental retirement benefit provided in Sec 15-271.1 of the Jupiter code which is available for healthcare premiums, the Town amended the pension ordinance for Police Retirees to include an additional subsidy. The amount of the subsidy is based on service credit at retirement, as follows: \$5.00 for each year of service, with a minimum monthly subsidy of \$30.00 and a maximum of \$150.00. Retirees in DROP are not eligible to receive health insurance subsidy payments until their DROP Participation ends.

Section 20.3: The Town shall continue to contribute and participate in the existing life insurance program in order to provide adequate assistance and coverage of funeral expense and death benefits for a member who dies in the line of duty.

ARTICLE 21  
FUNERAL LEAVE

Section 21.1: If an employee has a death in the immediate family, the employee shall be entitled to three (3) paid working days to attend the funeral of the deceased. Immediate family for the purpose of this section shall include spouse, children, grandchildren, parents, grandparents, spouse's grandparents, brother and sister, brother-in-law, sister-in-law or parents-in-law.

Section 21.2: In the event that one-way travel of four hundred (400) miles or more is required, an additional two (2) paid working days shall be granted to the employee.

ARTICLE 22  
MILEAGE
