YUENGLING® LAGER BATTERED & BREADED SEAFOOD

from Two Great American Traditions.

Icelandic®, America's leading seafood brand since 1947, is proud to team with D.G. Yuengling & son, America's oldest brewery since 1829, to create a classic line of seafood products. Tender Shrimp and wild-caught North Atlantic Haddock are dipped in a premium batter made with authentic Yuengling® Lager. Succulent Scallops are breaded with a unique combination of Yuengling® Lager and Panko Breadcrumbs. So popular is the iconic brand that in some areas of the country, all you have to do is order "lager" and the barkeep knows it could only mean a Yuengling®.

The Icelandic® Advantage

- **The Perfect Combination.** Premium Icelandic® seafood is breaded and battered with a recipe that includes classic Yuengling® Lager.
- **Quality and Consistency.** Made with pre-portioned and battered 100% skinless, boneless, North Atlantic natural Haddock fillet portions as well as Scallops and tender, whole Shrimp.
- **Convenience and Versatility.** Ready to bake or fry but look like they're made from scratch. Ideal for everything from appetizers to Captain's Platters.
- **Popular Sizes and Species.** Features three favorites – Haddock, Scallops and Shrimp – in a variety of preferred sizes.
