WHY FRESH GOURMET® CROUTONS?

Why make croutons from scratch when you can get consistent, ready-to-use premium croutons that save time and labor?

- America's #1 Crouton brand in retail and foodservice, always made from fresh baked bread
- Available in more varieties than any other brand, including:
 - Organic
 - Cornbread
 - Focaccia
- Offered in both bulk and portion packets for back of the house or take out needs

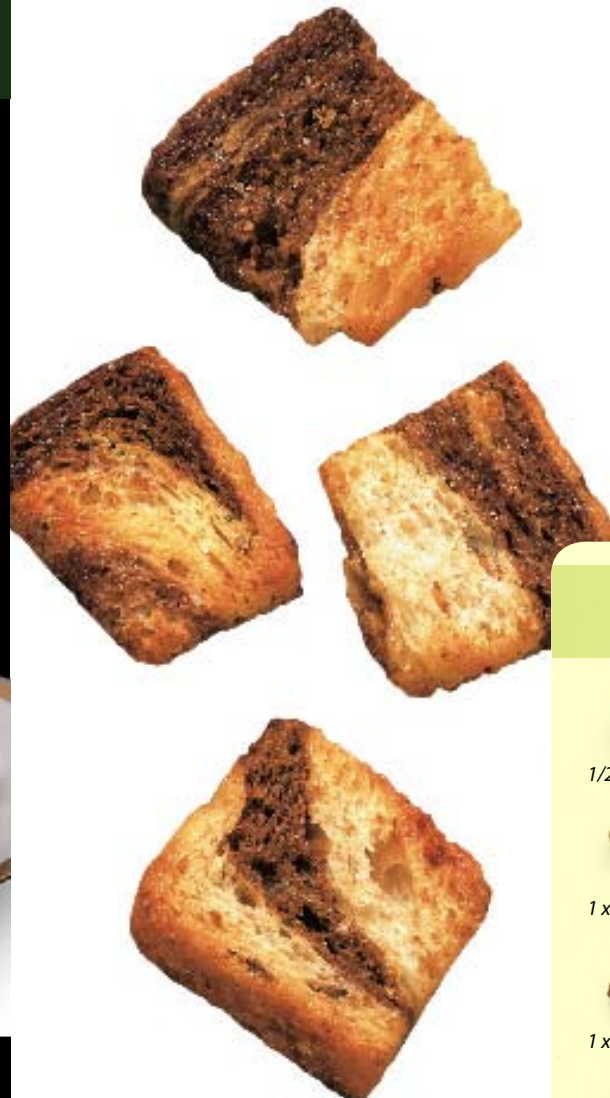

Always made from fresh baked bread!

MENU INSIGHT:

Croutons are a delicious addition to signature soups! Try them on chilis, tomato or cream based soups, or as a replacement for toast in french onion soup.

Croutons are a deliciously cost-effective way to top your salads

As America's leader in croutons, we offer over a dozen popular patron-pleasing varieties. From basic white bread croutons to multi-grain, deli style, or specialty breads, our broad offering meets the demands of your menu strategy.

CHOOSE THE RIGHT CUT FOR YOUR MENU

-  **Cube** - the basic, most economical cut providing the maximum coverage per ounce
1/2 x 1/2 x 1/2 inch
-  **Country** - the classic, slender cut that provides a touch of elegance
1 x 1/2 x 1/2 inch
-  **Homestyle** - the bold, generous cut providing a heartier bite for homemade appeal
1 x 1 x 1/2 inch
-  **French** - a mixed blend of the country cut and home style cuts for a more random appearance
