Overflowing with intensely flavorful chunks and morsels of sustainable chocolates grown in the Peruvian Andes—milk, semisweet and dark coins—and an added crunch of savory pretzel bites. A brown butter, caramelized, chewy-crisped-edged wonder to shower your tastebuds with amazement.

Blondies date back to the first and simplest of all cakes baked. Caramelized, dense and chewy, browned butter and whole sugar (containing mostly molasses) meld into a rich butterscotch flavor. Then stuffed with milk and semisweet chocolate chunks and scattered throughout with crunchy, buttery toffee, this blondie owes its heritage to *all* that came before.

Dense and fudgy with a chewy crust. Born from the prized Criolla bean, this unique and sustainably sourced Peruvian chocolate adds a delicate fruity edge upfront and is deep and rich in its finish. Sophisticated flavor up and down the tongue... a brownie like no other.

Imagine the buttery crunch of all natural toffee and milky white chocolate chunks, alongside crisp pretzels bites and sea salt, all playing hopscotch across your taste buds. Topped with pretzel salt and golden demerara sugar, each bite of this salty sweet mashup is dangerously better than the last.

Americans have been enjoying the gooey crispiness of these treats since the early 1900's. This version is, shall we say... more sophisticated and every bit as fun! Marshmallow cream and mini-marshmallows—both homemade, all natural and GMO-free—get folded with gluten-free crispy rice puffs and a touch of browned butter for a subtle caramel note. A hint of sea salt makes it all come alive.
