- A. The Board hereby recognizes the Jackson County Education Association (hereinafter called the "Association") as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all certified personnel, including all teaching personnel employed by the Board (whether or not assigned to a public school building), librarians, guidance counselors, but excluding administrative and supervisory personnel, substitute teachers, clerical and custodial employees.
- B. The term "teacher" when used in this Agreement shall refer to all classroom teachers, librarians, and guidance counselors employed under individual contract for a full year at no less than three (3) hours daily or two (2) full days per week, by the East Jackson Community Schools represented by the Association in the bargaining or negotiating unit, and reference to male teachers shall include female teachers. At no time will a teacher be employed for less than three (3) hours daily for the purpose of reducing the number of employees covered by the terms of this Agreement.
- C. The term "Board" shall include its officers, members and agents.

ARTICLE 2 - ASSOCIATION RIGHTS AND RESPONSIBILITIES

- A. The Association agrees to abide by Act 379 of the Public Acts of 1965 and to all applicable laws and statutes pertaining to teachers' rights and responsibilities. The Association also agrees to abide with all Board of Education written policies and procedures not inconsistent with the terms of this Agreement.
- B. The Board shall provide information necessary to the Association to process grievances or complaints, negotiate and administer the Agreement, or otherwise perform its duty as the representative of the teachers.

Any request for information identified in the foregoing paragraph will be made by the Association President or his/her designee in writing, directed to the Superintendent. An appropriate written response shall be returned to the designated representative within five (5) working days from the date said request is received by the Superintendent.
- C. Association materials intended for distribution to parents, via the school mailing system, must have prior approval by the Board before distribution.
- D. The Association may use the school buildings for meetings if prior approval is obtained from the building principal at least twenty four (24) hours in advance. Application for use of school buildings shall be made on the School Facilities Use Agreement. Bulletin board space, conveniently located, shall be made available to the Association.
- E. The Association may use school equipment subject to approval of the building principal. When the Association is publishing its own internal communication, it will furnish its own paper.
- F. Published agendas and notices of Board meetings shall be made available to each building representative and the Association President at the same time they are made available to the members of the Board of Education. Published Board meeting minutes will be forwarded to the local Association President.

- G. Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property, with approval of the building principal or his/her designee provided this does not interfere or interrupt normal school operations.

ARTICLE 3 - TEACHER RIGHTS AND RESPONSIBILITIES

- A. Nothing contained within this Agreement shall be construed to deny or restrict any teacher rights he/she may have or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- B. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment or application of the provisions of this Agreement or Board policies by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- C. **Private Life.** The Board and the Association agree that the private life of a teacher is his/her own affair unless his/her conduct should adversely affect his/her relationship with students or the discharge of his/her teaching and other school-related activities. If such conduct does exist, the Board agrees to discuss the problem with the Association prior to taking any action in an effort to arrive at a satisfactory solution to the problem.
- D. The Board shall make available in each school adequate lunchroom, restroom, and lavatory facilities, exclusively for teachers and at least one room which shall be reserved for use as a faculty room.
- E. It is recognized that abuse of sick leave and other leaves, chronic-tardiness or absences, willful deficiencies in professional performance, or other violations of professional behavior reflect adversely upon the teaching profession and the Board will take action to correct breaches of professional behavior.
- F. **Americans With Disabilities Act.**
1. The Board and the Association recognize their respective responsibilities to comply with the Americans With Disabilities Act (ADA) or other similar federal or state legislation, including steps needed in order to reasonably accommodate an employee's disability, such as, but not limited to, restructuring a job or position, re-allocating or re-distributing job functions or requirements, altering when or how job functions are performed, creating modified or part-time work schedules, granting preferences in work schedules or shifts, creating flexible leave policies, providing disabled employees with transfers or reassignments to vacant positions and providing benefits that may be necessary to accommodate disabilities.
 2. In accordance with these principles the employer will provide notice to the Association of any potential need for accommodation and seek Association input on proposed accommodations.
 3. Employees shall be notified of the identity of the ADA Compliance Officer.

- G. **Non-Discrimination.** The provisions of this Agreement and the wages, hours, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, sex, or marital status, or membership in, or association with, the activities of any teacher organization. The Board and the Association pledge themselves to extend the advantages of public education to every student of the district without regard to race, religion, sex, color or national origin and to achieve full equality of education opportunity to all pupils.
- H. **Complaints.** Formal complaints regarding a teacher made to the administration by any parent, student or other person will be called to his/her attention in a timely matter and reduced to writing by an administrator.
- I. **Personnel File.**
1. Any materials not specifically addressed to or directed personally to the teacher that are added to the teacher's file after the initial date of employment must be signed by the teacher.
 2. If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material but, in no instance, shall said signature be interpreted to mean agreement with the content of the material.
 3. Each teacher will have the right, upon request, to review the contents of his/her own personnel file. A representative of the Association may, at the teacher's request, accompany the teacher in such review. The review will be made in the presence of the administrator responsible for the safekeeping of such file. Confidential credentials and related personal references obtained at the time of initial hiring, are specifically exempted from such review. The administrator will remove such credentials and confidential reports from the file prior to the review of the file by the teacher.
 4. Any employee believing that material contained in his/her personnel file is false or incorrect may, at his/her option, register a complaint through the grievance procedure to have said material corrected or expunged from his/her file provided the materials do not involve a prohibited topic of negotiations under the Public Employment Relations Act.
- J. **Property Loss/Damage.** In the event a teacher loses or damages school property assigned to the teacher (i.e., computer) offsite through negligence, the teacher will reimburse the District for any replacement or repair costs up to the district's insurance deductible within thirty (30) calendar days of receiving notice from the district.

ARTICLE 4 - BOARD RIGHTS AND RESPONSIBILITIES

- A. The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitutions of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:
1. To provide the executive management and administrative control of the school system and its properties and facilities, including the decision to operate or not operate such facilities, and the activities of its employees.

2. To establish, modify, and/or increase or reduce classes and courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students, all as deemed necessary and advisable by the Board.
 3. To determine appropriate and acceptable means and methods of instruction, the selection of textbooks and other teaching materials, and appropriate and acceptable use of teaching aids of every kind and nature.
 4. To determine class schedules, the hours in instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect thereto, and with respect to administrative and non-teaching activities, and the terms and conditions of employment.
 5. To determine fiscal policies and authorize all expenditures of public monies.
- B. The exercise of these powers, rights, authority, duties, and responsibilities by the Board, and the adoption of such rules, regulations and policies as it may deem necessary shall be limited only by specific and expressed terms of this Agreement and by the laws of the State of Michigan.

ARTICLE 5 - PAYROLL DEDUCTIONS

Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of the teacher and make appropriate remittance for annuities, credit union, and savings bonds, charitable donations and other plans or programs approved jointly by the Association and the Board.

ARTICLE 6 - WORKING CONDITIONS

A. **Teaching Conditions.**

1. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high quality of education as the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school day should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.
2. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be limited and students equally distributed within grade levels and subject areas, whenever possible.
 - a. **Regular Classroom Teachers.** Kindergarten through sixth grade class sizes shall not exceed thirty (30) students.
 - b. **Elementary Special Area Teachers.** Because pupil loads of special area teachers differ from regular classroom teachers, the class load and schedule for said teachers shall be reviewed by a committee which shall include the Superintendent, or his designee, principal, the special area teacher and the building Association Representative, if the special area teacher requests.

For the purposes of this section, special areas shall be defined as art, music, physical education, etc.

Regardless of the number of special areas provided, the integrity of the basic instruction process shall be maintained at all times.

With the exception of Article 6 (A) (6) below, it is recognized that nothing in the Master Agreement requires the district to employ special area teachers.

- c. **Secondary Teachers.** The class load and schedule shall be reviewed by a committee which shall include the Superintendent, or his designee, principal, teacher and an Association Representative, if the teacher requests.

The committee will take into consideration student safety and the quality of instruction in its deliberations.

3. The Board recognizes that appropriate texts, library reference facilities, maps, globes, laboratory equipment, current periodicals, standard test and questionnaires, field trips and similar materials are the tools of the teaching profession. The Board and the Association will confer for the purpose of improving the selection and use of such educational tools. The Board will continue its efforts to keep the schools reasonably equipped. The teacher is responsible for utilizing instructional materials and equipment in a careful and prudent manner and to supervise the use of consumable supplies by students to make certain waste is kept at a minimum and respect for materials and supplies is taught.
4. The Board shall provide:
 - a. A separate desk with lockable drawer space and/or access to a lockable cabinet for each teacher in their assigned room.
 - b. Copies, exclusively for a teacher's use, of all texts used in each of the courses he/she is to teach.
 - c. A dictionary for the respective age group in every classroom.
 - d. Seating facilities for each student.
 - e. Books and materials for each student needed in daily teaching responsibilities in programs approved by the Board.
5. **Safe Working Conditions.** Teachers shall not be required to work under recognized unsafe or hazardous conditions. Teachers will report in writing to their immediate supervisor and the Association when they become aware of any unsafe or hazardous conditions.
6. The district will provide at least the equivalence of one (1) full-time special area teacher for the elementary building.
7. **Special Education/Least Restrictive.**

- a. Copies of deviation requests for special education class loads will be provided to the Association President and Association Representative(s) for the building upon submission to the Jackson County Intermediate School District and the Department of Education.
- b. The parties acknowledge that the policy of Least Restrictive Environment is legally mandated. It is also recognized that the extent to which any special education student should participate in regular education programs and services involves consideration of that student's unique needs as determined by an Individual Educational Planning Committee (IEPC). It is further acknowledged and recognized that the general educational classroom teacher shall be responsible for the implementation of those responsibilities applicable to the classroom teacher within the I.E.P.
- c. When a general education classroom teacher is assigned a student who has been identified for special education services, the teacher shall not be expected to perform routine, scheduled maintenance of an apparatus used by the student to sustain his/her bodily functions nor render routine scheduled care or maintenance of exceptional bodily functions (e.g. tracheotomy, diapering, use of the toilet, etc.) related to the student's impaired condition. The teacher shall be informed and instructed by the administration or its agent(s) as to emergency measures which may be necessary on occasion due to the student's impaired condition prior to student attendance. Teacher(s) will not be required to transport special education students.
- d. The administration agrees to pursue providing for a substitute in the absence of the regularly assigned special education aide. Temporary assistance will be provided.
- e. No Individual Educational Planning Committee (IEPC) will be held without the regular classroom teacher at the elementary level, if known, being invited to attend or have a teaching staff representative invited to attend. At the middle school and high school levels, all teachers who will be working with said student will be informed of the IEPC and at least one teacher will be required to attend the IEPC. The principal will make available for the other involved teachers the information provided at the IEPC which was prepared or furnished by the staff of the JCISD. Teachers should be given two weeks advance notice of the IEPC, or as soon as the building principal is informed but not later than the end of the next regularly scheduled day of work. The teacher, if so desired, will be entitled to representation. If known, at the beginning of each school year, all teachers will be provided a list of their students and their special needs.
- f. If any teacher(s), in writing, advises the district of a reasonable basis to believe that a student's IEP, falling under applicable special education statute, is not meeting the student's needs as required by law, the district will reconvene an IEPC in a timely fashion. The teacher(s) will be invited to attend the IEPC.
- g. The district shall notify employees of the identity of its Section 504 officer as well as the procedures for requesting a Section 504 hearing.
- h. The process for referring students for special needs, the legal definitions regarding inclusive education, least restrictive environment, medically fragile students and identified student, shall be accessible to teachers.
- i. The Board shall endeavor to provide within its practical means for the equal distribution within a building of special needs students within grade levels and subject areas.

8. **Split Grades.** The school administration will make every effort to equalize the number of students in each of the two (2) grade levels, as well as possible.

B. Teaching Hours.

1. All teachers shall be required to be at their assigned work stations at the beginning of the school day and leave the building at the end of the school day at a time designated by the Board. Except as set forth in Section a below or Appendix D (calendar), teachers may not be required to remain at work, or in the building, for more than seven (7) hours and thirty-three (33) minutes per day.
 - a. Up to sixty (60) minutes of staff meeting time outside of the normal work day may be scheduled each month at each building.
 - b. Teachers shall not leave their building(s) during the prescribed workday without the approval of the building principal or his/her designee
 - c. One open house/orientation in the fall.
 - d. Parent-teacher conferences identified in the calendar
 - e. Additional open houses/orientations beyond the one identified in Section c will be paid at one and one half (1.5) hours of the hourly rate set forth in Article 9(c)(2).
2. **Secondary Planning Period.** Schools shall have a daily planning period equivalent to at least one (1) class period each day providing it does not interfere with assemblies, field trips, parent conferences, or the proctoring of examinations. Assignment to a supervised study period shall be considered a teaching period for purposes of this Article. During the life of this contract, the number of preparations for secondary teachers shall not exceed four (4).

If a teacher is assigned more than two (2) study halls, then the need for preparation periods is eliminated and shall not be granted.
3. All teachers shall be entitled to a duty-free uninterrupted lunch period of at least thirty (30) minutes which may include up to four (4) minutes of passing time.
4. Absentees shall have plans and materials so arranged that a substitute will be able to assume the position with a minimum of interruption. Teachers shall make daily lesson preparation, prepare each week a written lesson plan covering the following week's instruction, and attend all staff meetings, unless excused by the building principal. The Association and the Board agree that a teacher's attendance at and/or participation in PTCO meetings, open-houses, concerts, plays, Christmas programs, athletic events, graduation events, and similar school activities is a professional responsibility to be exercised within the discretion of the teacher considering the nature of his/her remaining professional responsibilities.
5. If the State of Michigan law as currently found in MCLA 388.1701(3) and (4) requires that school districts reschedule Act of God days as defined in Public Act 239 of 1984, scheduled days of students and/or teacher attendance that are canceled because of such condition as defined in the Act shall be rescheduled by the district. Such rescheduling shall not affect, or otherwise require an adjustment of salary, compensation, or other benefits provided within this Agreement.

6. A teacher's primary responsibility is his classroom or regular facility in which his/her basic assignment occurs. However, supervision of students is the teacher's responsibility during the entire school day. It is recognized, though, that supervision of students outside regularly scheduled classes, study halls, or homerooms, etc., is possible only at those times when teachers are not engaged in other professional activities. Teachers will cooperate in good housekeeping practices in the halls, respective classrooms, and their lounge. It is understood, however, that such teacher cooperation shall not obligate teachers to perform duties normally and customarily performed by custodial, clerical, or administrative staff.
7. It is recognized that teachers must utilize teaching methods and materials acceptable to and/or approved by the Board in striving for maximum student development and the attainment of student performance objectives cooperatively developed with the Association and adopted by the Board.
8. **Elementary Planning Period.** With the exception of days in which indoor recess is held due to weather conditions, elementary teachers (grades K-6) will be provided with twenty-six (26) minutes of relief time each instructional day unless the normal daily instructional schedule is interrupted by other activities (i.e. parent teacher conferences; field trips; early dismissals; assemblies, etc.). In the event this time is needed to comply with state instructional hour requirements, elementary teachers shall rotate recess supervision unless the parties arrive at an alternative means of assuring compliance.

In addition, elementary teachers may also use for planning and conferences all time during which their classes are receiving instruction from various special area teachers. Elementary teachers may use the time during the noon recess when their students are supervised by teacher aides for planning purposes. Teacher aides shall be provided for recess and lunch hour duties in the above schools for the duration of this contract. Additionally, the Board will endeavor to provide classroom aides and/or other instructional assistance through use of special state and federal programs whenever possible.

9. The Board shall have the right to determine if the secondary grades (7-12) will have a six or seven period day. If it becomes necessary to change the number of periods during the life of this Agreement, Section B(9) may be reopened for negotiations.
 10. No program or services shall be delivered outside the negotiated work day/work year without prior written notice to the Association.
- C. **Drug and Alcohol Policies.** In the event the Board should meet to modify its current policy pertaining to alcohol and drug use, the Board will consult with the Association prior to any such modification.
- D. **Communicable Disease Control Policy/Blood Borne Pathogens.**
1. The Board shall make available to its employees a copy of its exposure plan. The copies can be reviewed at easy access points throughout the district.
 2. In addition, the Board will make available to all employees training on blood borne pathogens and other infectious materials.
 3. Each employee shall have the right to appeal the determination regarding receiving the Hepatitis B vaccine to the Superintendent. The Superintendent shall honor all requests declining the vaccination(s).

- E. **Building Conditions Notification.** In the event the heating, electrical or water systems are not functioning, the Association Representative will be notified within one (1) hour of the discovery of the malfunction. If the building is without power and the administration has not communicated the problem to the teachers, the Association Representative will be released to communicate with the rest of the staff the status of the problem. The Association Representative will be given periodic updates if the problem persists.

ARTICLE 7 - NO STRIKE

Neither the Association nor individual teachers shall at any time during the life of this Agreement authorize, cause, or engage in, or sanction any strike, or work stoppage against the East Jackson Board of Education. For the purpose of this Agreement, a strike is defined as the failure to report for duty, the willful absence from one's position, the stoppage of work or the abstinence in whole or in part from the full, faithful, and proper performance of duties of employment, for the purpose of inducing, influencing or coercing a change in the conditions of employment, compensation, or the rights and privileges or obligations of employees of the East Jackson Board of Education. If, during the life of this Agreement, the Association authorizes, causes, or engages in any strike against the East Jackson Board of Education as defined above, the Association recognizes that the Board may declare this Agreement null and void.

ARTICLE 8 - LEAVES OF ABSENCE

A. **Leaves of Absence - Paid, Chargeable to Sick Days.**

1. Absence due to illness or non-vocational accident of a teacher.

Illness in the immediate family:

- a. The teacher may use accumulated sick leave for emergency illness in the family which requires the teacher to make arrangements for care or for the illness or disability of a member of the immediate family. "Immediate family" is defined as father, mother, son, daughter, step daughter, step son, sister, brother, husband and wife.
 - b. The teacher may use up to three (3) days of sick leave per year for illness or disabling accident of a teacher's marital in-laws or grandparents.
 - c. The total number of paid days per year afforded under Section 2 will be 12 work days. Any additional days approved will be without pay.
2. The teacher may use all or any portion of his/her sick leave to recover from his/her own illness which shall include childbirth or complications of pregnancy.

In the event a teacher is absent more than ten (10) consecutive days, or if the Board has cause to believe that sick leave is being abused, he/she may be required to present a certificate verifying illness from a Board approved doctor to have these days count as sick days. The Board shall pay the cost of the exam. In the event the Board decides to deny continuation of benefits, the Association may take steps to arbitrate the issue.

3. **Sick Leave Entitlement.**

- a. At the beginning of the school year, each teacher shall be credited with twelve (12) sick days, three (3) of which may be used as personal business days. The unused portion of such allowance shall accumulate from year to year to a maximum of one hundred fifty four (154) days.
- b. A teacher who begins employment after the beginning of the school year will receive a pro-ration of the twelve (12) sick days entitlement.
- c. A record of accumulated leave days will be furnished each teacher no later than sixty (60) days from the start of school.
- d. The Superintendent, with the concurrence of the local Association President, may honor a request of a bargaining unit member to have sick and/or personal days advanced from a future year(s). Said approval or denial of such request is not subject to the grievance procedure.

If a bargaining unit member quits the district prior to earning back the day(s) advanced above, such member will:

- (1) Reimburse the district for each unearned day at the teacher's full daily rate; or
- (2) Make arrangements acceptable to the Superintendent to work off said day(s).

4. **Worker's Compensation.** Absence due to injury or illness covered by worker's compensation incurred in the course of the teacher's employment shall not be charged against the teacher's sick leave for the first five (5) days of such absence. Following this period, the employee may choose (1) to receive worker's compensation benefits only with no charge against sick leave, or (2) to receive salary in addition to worker's compensation benefits to achieve normal pay level with that salary charged against sick leave on a prorated basis. The Board shall pay to such teacher the difference between his salary and benefits received under the Michigan Worker's Compensation Act until accumulated sick leave is exhausted.

5. **Personal Business Days.** Three (3) personal business days may be used for any purpose at the discretion of the teacher, with prior approval of date obtained from the building principal, except in case of emergency. Teachers will be asked to explain a requested leave of absence from work before or after vacation periods. Reasonable restrictions will be imposed on personal leave on such days. Absence from duty without pay will be authorized only in situations of extreme emergency.

6. **Bereavement Leave.** Time necessary for attendance at a funeral service of a member of the immediate family will be limited to three (3) days per occurrence not deducted from sick leave. Additional days approved will be available without pay or the teacher may use up to three (3) days of accumulated sick leave. Immediate family for this purpose shall be defined as father, mother, mother-in-law, father-in-law, foster parents, grandparent, son, daughter, sister, brother, husband, wife or other person upon whom the teacher was dependent as a minor child. When used in Section 7, father, mother, sister, brother, son and daughter shall include step relations. One (1) day of accumulated sick leave, per occurrence, will be permitted to attend the funeral of a sister-in-law or brother-in-law or a friend not employed by the district.

7. **Reporting Procedure.** Teachers shall be informed of the source to contact to report each day of unavailability to work. The time for making contact shall be as follows:

Elementary: Every reasonable attempt will be made to contact by 6:00 a.m., but in no event later than 7:00 a.m.

Secondary: Every reasonable attempt will be made to contact by 5:30 a.m., but in no event later than 6:30 a.m.

Teachers at all levels who tentatively anticipate being absent the next day, will provide notice whenever possible, but in no event later than 3:00 p.m.

8. Sick day charges amounting to less than one day shall be prorated for that portion of the school day only.

B. Leaves of Absence Paid - Not Chargeable to Sick Days.

1. **Jury Duty.** The teacher granted leave with pay for this purpose will submit the jury duty pay to the Superintendent's Office upon return from jury duty.
2. **Court Appearance As a Witness.** In cases connected with the teacher's employment, or whenever the teacher is subpoenaed to attend any proceeding, providing the case does not involve an action against the Board or Association. The teacher granted leave with pay for this purpose will provide evidence of the amount of pay received from the court in order that the teaching salary received during the period might be reduced a like amount.
3. **Association Days.** The Association will be allowed a total of twelve (12) school days with pay per school year for teachers who are officers of the Association or designees of the Association or are appointed to its staff to attend official sessions of the MEA Representative Assembly and other local, state, or national business. Three (3) days notice must be given to the Board by the Association for such leaves of absence and reimbursement by the Association will be made to the district for the substitute pay, except that the three (3) day notice may be waived by the building principal if circumstances warrant it. These days shall not be used for purposes of supporting strikes and/or other activities of a public nature with respect to protest of contract negotiations in any other school district.

C. Leaves of Absence Without Pay.

1. **General Provisions Related to all Leaves.** Leaves of absence without pay may be granted to all teachers in the district. Duration of the leave shall be for one (1) year unless otherwise provided. Requests for such leaves must be submitted in writing to the Board at least one (1) month prior to the effective date of the requested leave for approval, except in cases of emergency, and shall state the expected date of return from such leave.

If an extension of such leave is desired, a written request prior to thirty (30) days before the expiration of such leave must be presented to the Board for its approval, except in cases of an emergency.

Earned sick leave as provided in Section A above of this Article, which had accumulated to the teacher while on active duty, will be reinstated when the teacher has returned to active teaching duty. No additional days of sick leave shall accumulate during any leave of absence without pay.

No experience credit on the salary schedule shall be granted.

a) **Types of Leaves.**

- 1) **Ill Health/Disability.** Such leaves of absence which extend beyond time compensated under leave with pay must be accompanied by a statement from the attending physician verifying that the employee's health condition precludes his/her continued satisfactory performance of his/her assigned duties. A request to return to regular duties with the district must be accompanied by a statement from a physician that he/she is able to resume his/her regular duties. In the event of medical complications, the termination of leave may be adjusted by the Board upon the request of the teacher. Pregnancy or pregnancy-related conditions are considered a disability.

- 4) **Adoptive Leave.** Adoptive leave without pay, if requested by the adoptive parent, shall be granted for a period not to exceed one (1) year.
- 5) **Advanced Study.** Teachers may be granted a leave of absence without pay for the purpose of completing requirements of permanent certification or obtaining an advanced degree.
- 6) **Association Leadership.** Upon written application, a leave of absence of two (2) fiscal years shall be granted to any teacher for the purpose of serving as an officer of the Jackson County Education Association, Michigan Education Association, and National Education Association, or upon their staffs without pay, credit, or fringe benefits. The leave may be extended by the Board upon written request of the teacher.
- 7) **Other Leaves.** Teachers may be granted a leave of absence without pay for personal reasons provided the Board determines such a leave to be in the mutual best interest of the teacher and the district.

2. **Return From Leave of Absence.**

- a) Any teacher wishing to return from leave of absence at a date other than that for which the leave was granted, must make such request in writing to the Board at least ninety (90) days in advance subject to Board approval. The teacher shall notify the Superintendent of the date on which he/she shall be reporting for duty at least ninety (90) days prior to his/her return. A teacher expecting to return to duty at the beginning of the next school year shall notify the Superintendent at least thirty (30) days prior to the end of the school year.

- b) In all cases, the planned return date from leaves without pay must coincide with beginning of the first or second semester of the school year.
- c) If the salary schedule has changed during an employee's leave of absence, his basic salary shall be changed according to his service record, except as otherwise provided in this Article.

D. **Family and Medical Leave Act of 1993.** Leave provisions of this Agreement shall be construed consistently with the requirements of the Act. However, if the leave provisions under this Article are more generous, this Agreement shall prevail.

ARTICLE 9 - PROFESSIONAL COMPENSATION

- A. The basic salaries of teachers covered by this Agreement are set forth in Schedule A, which is attached to and incorporated in this Agreement.
- B. The salary schedule is based upon the regular school calendar as set forth in Appendix D. In the event the law changes in such a way as to afford the ability to start students before Labor Day, the parties will reserve the right to renegotiate the calendar to implement an earlier starting date for students and staff. If the change is instituted, the number of days will not exceed those set forth in the calendar.

During the first year of employment, new teachers may be required to report for work for one (1) day prior to the start of the regular work year for all teachers without additional compensation.

In the event the calendar or any other provision of this Agreement creates a condition whereby the district is not able to meet the number of days or hours of instruction to receive full state aid payments or to meet the professional development requirement, the Superintendent and representatives of the Association will immediately negotiate the necessary adjustments to assure compliance at no added salary cost to the district.

C. **Additional Assignments.**

- 1. **Extended Assignments.** For voluntary classroom assignments in excess of the normal class teaching hours, a teacher will be reimbursed up to one-fifth (1/5) of his/her salary.
- 2. **Subbing During Prep.** Substitute teaching during a teacher's regular unassigned preparation period will be compensated at the rate of twenty and 39/100 dollars (\$20.39) per clock hour. Requests for payment must be made within five (5) work days of providing the services.

Due to scheduling variances, payment at the elementary level each year will begin after the first ten (10) full student instructional days for the school year and will cease each year five (5) full instructional days prior to the last student instructional day.

- 3. **In-Service Compensation.** Teachers who voluntarily attend in-service days that are offered beyond the regular school year will be paid \$100 pay per diem.
- 4. **Overload.** A high school or middle school teacher who voluntarily accepts an additional classroom assignment in excess of his/her normal class teaching load (teaching preparation period) will be reimbursed via the following formula:

Teacher's Yearly Salary divided by 12 (6 assignments per two semesters) = Total X.
Total X divided by number of days in current semester equals daily rate for said class.
Number of days assigned times daily rate equals compensation.

- D. **Mileage Reimbursement.** Any teacher whose duties require regular travel between two (2) or more schools will be reimbursed at the per mile rate established by the Internal Revenue Service. Requests for reimbursement shall be submitted by the teacher not later than five (5) calendar days after the end of each semester on forms provided by the district.
- E. **Experience Credit.** Credit for teaching experience outside the system when initially hired into the bargaining unit shall be evaluated by the Board and credit may be allowed whenever the prior service of the teacher is deemed appropriate.

Those employees hired prior to August 31, 2009 shall not be affected by this Section.

- F. **Increment Credit.**
1. Unless restricted by law or specified to the contrary elsewhere in this agreement, increments become effective the first teacher work day in Appendix D (Calendar) of each year and advancement under the salary schedule, which shall include advancement to a higher paying degree lane on the salary schedule, shall be automatic as of the beginning of each semester following completion of required academic or professional courses.

All certified employees will be awarded master pay scale only if they possess a master's degree from a higher education institution with an accredited education program and in a subject area within East Jackson curriculum plan that is related to the teacher's existing Michigan Department of Education certificate endorsement(s) or a new certificate endorsement for a subject area that is part of the curriculum. The sole exceptions to the foregoing are for employees who possess a teaching certificate with a counseling endorsement who have a masters degree in counseling and those employees with a masters degree in education leadership for which there is no teaching certificate endorsement.
 2. Upon prior written approval by the Superintendent, credit for the MA+30 may be granted for courses taken at a junior college or in an approved training program which would serve to enhance a teacher's classroom skills in such areas as computer science, word processing or robotics. A decision by the Superintendent on this issue shall be final and will not be subject to the grievance procedure.
 3. Placement on the MA+30 column requires:
 - a. The credits must be taken after attaining a Masters degree in a program identified or approved under Section F (1) above; and
 - b. The classes must either be approved under Section F (2) above or be taken at a university in an education program identified or approved under Section F (1).
- G. **Part-Time Teachers.** Part-time teachers' salaries shall be pro-rated on the salary schedule and shall receive pro-rated insurance benefits.

H. **Extra-Curricular/Co-Curricular.** Services of an extra-curricular or co-curricular nature shall be on an individually assigned basis between the teacher performing the service and the Board. No such assignment shall exceed a duration of one (1) year. Wages to be paid for teachers' services of this nature shall be set forth in Appendix B and C of this Agreement.

I. **Terminal Leave Payment.** In appreciation for services to the district, a terminal leave payment of 1/4 of 1% per year of the retiring year's pay, not to exceed a maximum of 5%, will be paid to all teachers qualifying for retirement under the Michigan Public School Employee Retirement System, upon retirement, provided this teacher shall have been employed in the district for ten (10) years or more. Periods of unpaid leave including workers compensation and layoff will not constitute a disruption in service but will not be counted.

In addition the teacher will receive one half (1/2) of the current substitute teacher pay for each day of unused sick leave up to a maximum of ninety five (95) days.

J. **Fringe Benefits.** The Board shall provide, to the bargaining unit members, the following MESSA-PAK Plans A and B for a full twelve (12) month period (see Section O below) for the bargaining unit member and his/her entire family that fall within the two party and full family premium eligibility criteria established by MESSA.

ARTICLE 10 - PROFESSIONAL GRIEVANCE PROCEDURE

- A. **Definition.** A claim by a teacher or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided.
- B. **Principal's Level.**
 1. The grievant may invoke the formal grievance procedure on the form set forth in Appendix E, signed by the grievant and a representative of the Association Representative in each building.
 2. Within ten (10) school days of the occurrence or discovery of same alleged violation, a copy of the grievance form shall be delivered to the principal or supervisor. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him/her.

Any complaint alleging discrimination shall be pursued using the Board's discrimination policy and/or filing with the EEOC.

3. Within five (5) school days of receipt of the grievance, the principal or supervisor shall meet with the Association in an effort to resolve the grievance. The principal or supervisor shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting and shall furnish a copy thereof to the Association.
- C. **Superintendent's Level.** If the Association is not satisfied with the disposition of the grievance, or, if no disposition has been made within five (5) school days from the meeting (or ten (10) school days from the date of filing, whichever shall be later) the grievance shall be transmitted to the Superintendent. Within five (5) school days the Superintendent or his designee shall meet with the Association on the grievance and shall indicate his disposition of the grievance in writing within five (5) school days of such meeting, and shall furnish a copy thereof to the Association.
- D. **Arbitration.** If the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the period provided, the grievance may be submitted to arbitration in accordance with the following:
1. **Appeal to the Arbitrator.** The Jackson County Education Association will file a Demand to Arbitrate with the American Arbitration Association in writing within thirty (30) days of its intent to arbitrate the grievance; provided, however, the following shall not be appealed:
 - a. Those areas in which the Tenure Act prescribes a procedure or authorizes a remedy.
 - b. The failure to re-employ any teacher in an extra-curricular position.
 2. **Selection of the Arbitrator.** The matter shall be referred to the American Arbitration Association (AAA) for the selection of an impartial arbitrator in accordance with all applicable rules of the AAA.
 3. **Powers of the Arbitrator.** The award of the Arbitrator shall be final and binding, provided, however, such decision is within the scope of the Arbitrator's authority as described below:
 - a. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement.
 - b. The arbitrator shall not substitute his/her judgment for that of the parties.
 - c. The arbitrator shall not consider any new allegations or charges which have not been presented in pre-arbitration grievance steps.
 - d. The arbitrator's power shall be limited to deciding whether the Board has violated, misinterpreted, or misapplied any of the terms of this Agreement.
 - e. Awards by the arbitrator will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event shall the award be made retroactive more than thirty (30) days prior to the date upon which the grievance is filed.
 4. **Arbitrator's Fees and Expenses.** The fees and expenses of the arbitrator shall be shared equally by both parties. The grievant and the East Jackson Education Association President or his/her designee shall not lose pay for time off the job while attending the arbitration proceedings.

- F. The grievant shall be present at each level of this procedure.
- G. If an individual teacher has a personal complaint which she/he desires to discuss with a supervisor, she/he is free to do so without recourse to the grievance procedure. However, no written grievance shall be adjusted without prior notification to the Association and opportunity for any adjustment of a grievance shall not be inconsistent with the terms of this Agreement in the administration of the grievance procedure. The interests of the teachers shall be the sole responsibility of the Association.

ARTICLE 11 - STUDENT DISCIPLINE AND TEACHER PROTECTION

A. **Student Discipline.**

1. Since the teacher's authority and effectiveness is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all support and assistance to teachers with respect to the maintenance of control and discipline in the schools. The Board further recognizes its responsibility to make every reasonable effort to place problem children in special programs designed to meet their needs. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take the necessary steps to relieve the teacher of responsibilities with respect to such pupil.
2. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall provide all reasonable legal assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.
3. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.

B. **Teacher Protection.** The Board will reimburse the teacher for loss, damage or destruction of clothing or personal property which is used for instruction, or auto collision, if the auto is being driven on approved school business provided that:

1. The personal property is used or intended for use in the instructional program of the teacher and the loss occurs while the teacher is engaged in school business.
2. The loss is not a result of negligence on the part of the teacher.
3. The limitation in payment in each case is \$100 for clothing (no payment for hosiery), \$100 for auto collision losses, and \$100 for personal property.
4. Applications for payment must be made on forms provided by the Superintendent, affirming the validity of the claim and that the loss is not covered by the teacher's personal insurance.

5. All claims must be filed within ten (10) school days of date of occurrence or discovery of loss.

ARTICLE 12 - NEGOTIATION PROCEDURE

- A. At least sixty (60) calendar days prior to the expiration of this Agreement, upon request of either party, negotiations will be undertaken for an Agreement.
- B. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. Each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association, the parties mutually pledge that their representatives will be clothed with necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations contingent upon Board approval.
- C. A teacher engaged during the school day in negotiations on behalf of the Association with any representative of the Board shall be released from regular duties without loss of salary, limited to no more than four (4) teachers at any one time.

ARTICLE 13 - PROFESSIONAL EDUCATION CONFERENCES

Upon application, permission may be granted for a teacher to attend professional educational conferences in his/her teaching field if approved by the Principal and Superintendent, or if requested to attend such meetings by the administration or Board of Education.

ARTICLE 14 - MENTOR TEACHER

- A. For the first three (3) years of his or her employment in classroom teaching, a teacher will be assigned to a “*master teacher(s)*” who will serve as a mentor(s) to the new teacher. During this three (3) year period, the new teacher will also undergo professional development training including training in classroom management and instructional delivery.

During this three (3) year period, professional development training will be based on a professional plan and will include not less than fifteen (15) days of professional development, experiencing effective practices in university-linked professional development schools and regional seminars conducted by master teachers and other mentors.

The professional development plan will be consistent with the requirements in the Teacher Tenure Act regarding a teacher’s probationary period observations, evaluations and individualized development plan.

- B. A mentor teacher shall be assigned in accordance with the following:
1. The mentor teacher shall ordinarily be a tenured member of the bargaining unit.
 2. Participation as a mentor teacher shall be voluntary.
 3. Every effort will be made to match mentor teachers and mentees who work in the same building and have the same area of certification(s).

4. Either the mentor teacher or the mentee may request a change in their mentor/mentee assignment at any time.
5. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential for evaluation purposes of the mentor teacher or the mentee. Neither the mentor teacher nor the mentee shall be permitted to participate in the evaluation of the other. Further, the mentor teacher shall not be called as a witness in any grievance related to evaluation involving the mentee nor shall the mentee be called as a witness in any grievance hearing involving the mentor teacher's evaluation.
6. Any time required by management for the mentor teacher outside the regular work day and work year shall be compensated at his/her per diem rate.

ARTICLE 15 - PUBLIC SCHOOL ACADEMIES

- A. The district will provide notice to the Association regarding a public school academy application made to the district.
- B. Should the District consider the authorization of a public school academy charter or contract with any other K-12 district, ISD, community college or other body authorized to grant such contract, the employer agrees to bargain over the impact of such charter on this Agreement.

ARTICLE 16 - MISCELLANEOUS PROVISIONS

- A. If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- B. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement, and an individual contract hereinafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement, for its duration, shall be controlling.
- C. The district shall confer with the Association prior to the consideration of any annexation or consolidation.
- D. Section 15(7) of the Public Employment Relations Act (PERA) mandates that any contract entered into include a statement that allows an Emergency Manager appointed under the Local Government and School District Fiscal Accountability Act to reject, modify, or terminate the collective bargaining agreement as provided in the Local Government and School District Fiscal Accountability Act. This provision is intended to satisfy this requirement. No grievances may be processed contesting actions taken by an Emergency Manager.

ARTICLE 17 - BINDING EFFECTIVE AGREEMENT

This Agreement shall be binding upon the parties hereto, their successors and assigns.

ARTICLE 18 - DURATION OF AGREEMENT

This Agreement shall be effective upon the later of ratification by the parties or July 1, 2017 and shall continue in full effect until 30th day of June 2018 with option for an appeal by both the Board and the Association to negotiate specific sections if approved by mutual agreement. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.
