## Trend Information

- “Chicken” is one of the top 10 trends that will impact foodservice.  
*Technomics*
- Snack-sized, dip-friendly chicken is increasingly a product QSRs use to distinguish themselves in the marketplace.  
*Mintel*
- Chicken tenders and strips are popular, because they are chicken and easy to carry and eat. “Immediate consumption is where the opportunity is.”  
*Bonnie Riggs, Restaurant Industrial Analyst, NPDP*
- The introduction of new appetizers on foodservice menus is at an all-time high.  
*Technomic*
