YOU CAN'T TELL THE DIFFERENCE BETWEEN PIERCE'S COUNTRY PRIDE TENDER & GEORGE'S TENDER!

George's is getting out of the foodservice business and Honor Foods has asked Pierce to make a **BRAND NEW ITEM** that is an exact match of the George's tender.

Pierce's Research and Development department analyzed the spec sheets and ingredient list and then matched the raw products' size, weight, count, color, & quality. Then they replicated George's crunchy, black pepper flecked breading, and **THE RESULT IS A PERFECT COPY!**

Even the Honor Foods code numbers and pricing will remain the same!
