A little bit
of Ken's goes
a long way.

It's becoming more and more difficult for your guests to truly savor a great meal.

Busy schedules mean increasingly eating on the go, and a renewed awareness for healthy diets has them looking to eat right without sacrificing flavor. With so little preparation time and limited ingredient options, it's difficult to get creative with menu offerings while still retaining flavor and convenience.

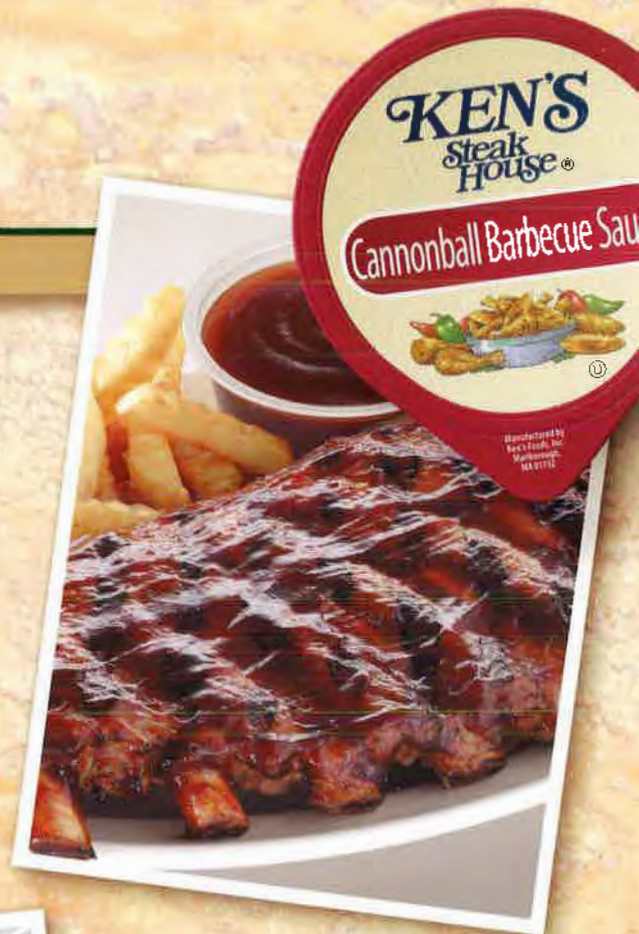

Ken's can help.

Our portion control cups and pouches contain the same great flavors your guests know and love, but new packaging allows them to eat on the go while using as much or as little as they desire. Plus, larger cup sizes and an expanded product line allow you to offer a larger variety of takeout items from your menu, from classic dressings for salads to creamy sauces and marinades for barbecue, dipping, seafood, and appetizers. Discover the difference Ken's can make, and let you and your guests get creative today.

BARBECUE

Ken's Barbecue Sauces add sweet and spicy zest to any barbecue dish. Serve a cup of Ken's with your juiciest rack of ribs, or let your guests slather some on to a pulled pork sandwich for extra flavor.

SALADS

Ken's dressings have been spicing up salads for over a half century. So there's no better way to "dress up" an entrée salad than with Ken's endless varieties of dressings, such as a classic Balsamic or a delicious Fat Free Raspberry Vinaigrette.

DIPPING

A cup of Ken's Buttermilk Ranch is the perfect accompaniment to a tray of fresh fruits and vegetables, or dip a breaded chicken tender into a cup of Sweet & Sour Sauce for a slight twist on a familiar favorite.

SEAFOOD

Accompany your freshest seafood solutions with Tartar Sauce that will tempt even the most fickle guest's palate, and let your shrimp cocktails take the plunge into the fresh flavor of Ken's Cocktail Sauce.

APPETIZERS

Let appetizers take on a life of their own by using the exciting flavors of Ken's. Give those spicy buffalo wings a shot of cool creaminess with Ken's Chunky Bleu Cheese dressing, or let your guests begin their dining experience with the bold flavor of Ken's Spicy Wing Sauce.
