

LEGENDARY TASTE

## *Butter should not be an afterthought*

Using Finlandia Imported Butter won't just make a difference, it will be the difference.

**Finlandia Butter is crafted with Pure Milk  
from Family-Owned Farms**

SIMPLY MADE BETTER®

## FINLANDIA'S IMPORTED BUTTER

# Discover the Premium Butter From the Makers of Finlandia Cheese

This creamy, delicious butter starts with the purest milk in Europe from small Finnish family-owned farms where the cows are treated humanely and not given rBST\* or any artificial hormones. The fresh milk is carefully churned and cooled to a perfect temperature that creates a delightfully creamy flavor and smooth texture.

Chosen by the most discriminating French chefs to create their famous baked goods and croissants, Finlandia Imported Butter is the ultimate butter for baking, cooking and especially, eating.

### AVAILABLE IN SALTED & UNSALTED

- Superior plasticity, consistency, texture and fresh flavor  
(These characteristics allow the creation of end goods that are superior in appearance and taste)
- Has good frying features — splatters less than other brands
- Burn point of 250°F (Land O' Lakes is 215°)
- Melt area — Dropping Point\*\* of 89.6 - 95°F
- The crystallization of the butter has been perfected to create the highest quality texture, consistency and plasticity

## Finlandia Butter - A Baker's Dream

25 kg (55.11 lbs)

16 oz (1 lb)

16 oz (1 lb)

PRODUCT	UNIT SIZE	CASE PACK	UNIT DIMENSION	CASE DIMENSION
Finlandia Butter - Unsalted	55.11 lbs	1	11 x 15 x 9.85	11 x 15 x 9.85
Finlandia Butter - Unsalted	1 lb	20	5.24 x 2.99 x 2.09	15.08 x 11.2 x 4.02
Finlandia Butter - Salted	1 lb	20	5.24 x 2.99 x 2.09	15.08 x 11.2 x 4.02

\*Made with milk from cows not treated with rBST. The Food and Drug Administration has determined that there is no significant difference between milk derived from rBST-treated and non-rBST-treated cows.

\*\*Based on an AOCS Official Method Cc18-80 - used to characterize fats.
