KARO RED LABEL LIGHT SYRUP, 4/1 GAL

GTIN: 10761720051808
MFR Product Number: 75180
Serving Size: 2 TBSP
Servings Per Case: 512
Storage Temperature: 72F
Shelf Life: 3 YEARS
Child Nutrition Label (Y/N): No
Child Nutrition Label Number:

General Description

Karo Light is pure corn syrup made with real vanilla to ensure the best quality. Karo Red Label Light Corn Syrup is a natural sweetener that can be used in baked goods, cereal bars and candy making when extra coloring or flavoring is not desirable. This mildly sweet, easy-blending sweetener enhances the flavor and texture of many foods such as fruit toppings, sauces, glazes, bakery items and beverages.

Benefits Of Using This Product

Karo has been known for trusted quality since 1902. Karo Red Label Light Corn Syrup has a consistent viscosity and sweetness level essential for high quality products.

Serving Suggestions

Karo Red Label Corn Syrup is an essential ingredient for making delicious pecan pies, traditional candies, caramel rolls or cereal bars. Add to favorite barbecue sauce recipes, fresh fruit sauces or Asian stir fry sauces.

Karo light and dark corn syrups perform similarly in recipes and can usually be used interchangeably. Recipes usually specify which type to use but the choice may be guided by personal preference. Typically, Karo Red Label Light Corn Syrup is used when a more delicate sweet flavor is desired whereas Karo Blue Label Corn Syrup is used when a more robust molasses-like flavor is desired.

Preparation and Cooking Instructions

Corn Syrup serves different functions in different types of recipes. It controls sugar crystallization in candy, prevents the formation of ice crystals in frozen desserts, enhances fresh fruit flavor in jams and preserves, sweetens and thickens relishes and chutneys. Corn syrup balances sweet and sour flavor profiles, and is therefore a key ingredient in many Asian dishes.

When brushed onto baked ham, barbecued meats, baked vegetables or fresh fruit, corn syrup is an ideal glaze. In baked goods, corn syrup holds moisture and maintains freshness longer.

Karo Red Label Light Corn Syrup cannot be used interchangeably with sugar in recipes. Due to the liquid content, other ingredients will also have to be adjusted.
