FROM THE ORIGINAL PHILLY CHEESESTEAK CO.

~ **Let's Be Frank.** *~*

Not all Philly Steaks are created equal, especially those that are economically priced. Price is important to you but so is quality. You want an affordable option that you won't think twice about serving your loyal customers.

Look no further than Frankly Philly!

Prudently priced and generous on flavor. For operators who need to keep their menu prices down but cannot afford to sacrifice quality and taste.

Frankly Philly is an economically priced, beef sandwich steak product for discriminating operators who refuse to trade quality, flavor and performance for price.

BENEFITS

- Crafted from a custom blend of selected beef cuts– chunked, heavily seasoned, formed, and thinly sliced.
- Available portioned for ease of use and cost control, or bulk.
- Crafted from fresh, whole-muscle USDA inspected beef, NEVER ground or emulsified.
- Consistent cut and trim profile.

SERVING SUGGESTIONS

For an authentic Philly Cheesesteak, mix in some sautéed onions and throw a couple of slices of white American or Provolone cheese onto the steak. When the cheese is melted, slide the turner under the meat and flip into a hinged sub roll.

STORAGE & USAGE

Keep frozen until ready to cook. Frozen shelf life is 180 days when stored at -10F° or colder.
