Gluten Free Breads, Buns & Pizza Crust

Why offer Gluten Free?

With the prevalence of Celiac Disease and gluten intolerance rising, more consumers are looking for gluten free options at their favorite restaurants. Dining out is an enjoyable social experience shared by family and friends. Add Udi's® Gluten Free products to your menu to add incremental revenue and generate a loyal fan base.

- **1/3** of adults want to cut gluten from or avoid gluten in their diets¹
- Restaurant sales grew **8%** on average by adding gluten-free options to their menu²
- **40%** of people are likely to increase restaurant visits if more gluten-free items are available³
