

**Homestyle Boneless
Chicken Bites**

Homestyle Boneless Chicken Bites

Trend Information

- Aside from the popularity of wings-centric foodservice chains, wings are now a standard in other concepts, like pizza delivery chains and family dining.
US Foods, Latest Appetizer Trends
- Call them starters, small plates, bar food or even tapas – appetizers are seeing a lot of action.
Foodservice Director
- Bone-in and boneless wing sales are expected to continue to soar this year.
National Chicken Council
- 38% of the top 500 restaurant chains now offer chicken wings.
